

Shunobon.jpg

Lynda Nagle, Jamie Forgetta

Junji Ito's Cat Diary: Yon & Mu Junji Ito, 2015-10-27 HELL-O-KITTY Master of Japanese horror manga Junji Ito presents a series of hissterical tales chronicling his real-life trials and tribulations of becoming a cat owner. Junji Ito, as J-kun, has recently built a new house and has invited his fiancée, A-ko, to live with him. Little did he know...his blushing bride-to-be has some unexpected company in tow—Yon, a ghastly-looking family cat, and Mu, an adorable Norwegian forest cat. Despite being a dog person, J-kun finds himself purrsuaded by their odd cuteness and thus begins his comedic struggle to gain the affection of his new feline friends.

The Night Parade of One Hundred Demons Matthew Meyer, 2015-03-30 From the mists of prehistory to the present day, Japan has always had stories of fantastic monsters. There are women with extra mouths in the backs of their heads, water goblins whose favorite food is inside the human anus, elephant-dragons which feed solely on bad dreams, baby zombies, talking foxes, fire-breathing chickens, animated blobs of rotten flesh that run about the streets at night, and the dreaded hyakki yagyo the night parade of one hundred demons-when all of the yokai leave their homes and parade through the streets of Japan in one massive spectacle of utter pandemonium. What are yokai? Put simply, they are supernatural creatures of Japanese folklore. The word in Japanese is a combination of yo, meaning bewitching, and kai, meaning strange. The term encompasses monsters, demons, gods (kami), ghosts (bakemono), magical animals, transformed humans, urban legends, and other strange phenomena. It is a broad and vague term. Nothing exists in the English language that quite does the trick of capturing the essence of yokai. This field guide

contains over 100 illustrated entries covering a wide variety of Japanese yokai. Each yokai is described in detail-including its habitat, diet, origin, and legends-based on translations from centuries-old Japanese texts. This book was first funded on Kickstarter in 2011 and then revised in 2015.

The Goblin Spider ,1977

The Moon Sisters Therese Walsh,2014-03-04 This mesmerizing coming-of-age novel, with its sheen of near-magical realism, is a moving tale of family and the power of stories. After their mother's probable suicide, sisters Olivia and Jazz take steps to move on with their lives. Jazz, logical and forward-thinking, decides to get a new job, but spirited, strong-willed Olivia—who can see sounds, taste words, and smell sights—is determined to travel to the remote setting of their mother's unfinished novel to lay her spirit properly to rest. Already resentful of Olivia's foolish quest and her family's insistence upon her involvement, Jazz is further aggravated when they run into trouble along the way and Olivia latches to a worldly train-hopper who warns he shouldn't be trusted. As they near their destination, the tension builds between the two sisters, each hiding something from the other, until they are finally forced to face everything between them and decide what is really important.

Albert in the Middle Lynda Nagle,Jamie Forgetta,2018-10-31 Albert is a creative and loving boy who is always there for someone in need. Everywhere he goes, he spreads love and happiness to those around him. Follow Albert as he takes you on an amazing journey through his imagination.
