Dog Grooming Simplified Jodi Murphy,2014-08-15 Jodi has been well respected as an educator in the grooming industry for many years. She is one of the top pet stylists in the world winning multiple titles included World Grand Champion and Best American Groomer. She is here to share her knowledge in this extraordinary book.With over 190 breeds recognized by the American Kennel Club along with individual breed-specific grooming instructions, it can become very overwhelming for new groomers to retain the information. Straight to the Point is the solution to learning about pattern lines, which simplifies the learning process. Whether the patterns are set tight or left more natural, the patterns are set in the same fashion. Once a groomer understands basic patterns he or she will be able to groom any breed with ease.The dogs pictured in this book are top winning show dogs presenting the correct profile according to their breed standards. Jodi chose to illustrate this way for several reasons. First, a show dog presents an excellent representation of the breed and how it should be groomed per the breed standard. Second, the reader will be able to see the realistic depth and dimensions of the coat. Last, it will give the reader a vision of the pattern in a realistic view and will be a great reference source when grooming each breed.Once the groomer understands correct pattern placement, it can easily be applied to pet trims. A pet dog does not have to be groomed using show techniques, i.e., hand stripping, to present the proper breed profile. With proper pattern placement and techniques described in this text, the groomer will be able to present a well-balanced, well-blended pet trim to the pet owner.

Sargent Portrait Drawings John Singer Sargent, Trevor J. Fairbrother, 1983-01-01 Portraiture is a demanding art requiring the artist to capture a likeness and render it revealing some hint of the personality behind the image. A two-pronged task, it requires great technical skill and an intuitive eye. In both these respects, John Singer Sargent stands out as a portrait artist of major stature. Born in 1856 in Florence of American parents, Sargent showed artistic aptitude at an early age and was enrolled at the *Accademia delle Belle Arti* in that city. Later he studied with Parisian artist Carolus-Duran, acquiring the loose, painterly style for which he is renowned. International acclaim as a portrait artist came early in his life and followed him throughout his career. Sargent's portraits done in oil are well known; they appear in major museums throughout the world. A lesser-known but no less respected aspect of his oeuvre, his portrait drawings are the focus of this collection. Included here are early works in pencil and pastels, and later renderings in charcoal, a medium Sargent favored after 1910. They have been selected from both public and private collections by art historian Trevor

J. Fairbrother and attest to Sargent's technical skill, versatility, and dexterity in three different mediums. In addition, these works reveal Sargent's ability to treat a diverse group of subjects; he handles the languorous beauties of the Edwardian age, members of the aristocracy, and the great literary and artistic figures of his day with equal virtuosity, capturing their characteristic mood and style. This collection includes portraits of Lord and Lady Spencer, Henry James, William Butler Yeats, Vaslav Nijinsky, Tamara Karsavina, Dame Ethel Smyth, and Jascha Heifetz. Artists, students, historians, and lovers of portraiture will appreciate this selection of drawings by Sargent. Anyone interested in trying his hand at portraiture will find this volume both instructional and inspirational.
