**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Formula One** John Smailes,2021-11-02 Since 1950, fifteen Australians and nine New Zealanders have raced in world championship Formula One, the pinnacle of motor racing. Three - Jack Brabham, Denny Hulme and Alan Jones - have won the world title. Two have died in the attempt without ever facing the world championship starters' lights. So few drivers make it to Formula One. Ever fewer succeed in the fastest and most challenging four-wheeled sport of all. Now John Smailes, author of the bestselling *Climbing the Mountain, Race Across the World, Mount Panorama and Speed Kings*, gives us the definitive story of our involvement with Formula One, from the pioneer days in the aftermath of World War II, to the championship glory of Brabham, Hulme and Jones, the grit and determination of Mark Webber, and Australia's current Formula One star, the irrepressible Daniel Ricciardo, all the way to potential champions of the future like Oscar Piastri. With over 150 stunning photographs, and interviews with drivers past and present, as well as the engineers, managers and team owners behind the scenes, this is the must-have book for every Australian and New Zealand fan of Formula One.

**Tacky** Rax King,2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the *Catapult* column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. **Imsa** ,2018-08-25 In 1969, John Bishop and Bill France, Sr. acted on a collective vision to plot a new course for road racing in the United States. What began as a Formula Ford and Formula Vee race in October of 1969, quickly morphed into a sports car racing series that brought the aspirational cars people drove, or wished to drive, to compete on a racetrack. Thus the International Motor Sports Association, or IMSA as it is more commonly known, was founded, and not long after domestic and import car-makers took notice as did the leading sports car racing drivers from at home and abroad. Today, 50 years after Bishop and France hatched their plan over a glass or two of scotch, compelled by a shared passion to bring competitive racing for drivers and teams that would captivate fans and fuel the sale of sports cars in showroom across America, IMSA has stayed true to their vision. Along the way, there have been some twists. Yet, in whatever the form it was at the time, IMSA has undeniably produced a bounty of great sports car racing that often has witnessed the titans of the sport battle each other for supremacy. Today, IMSA continues to be a collection of legendary events contested by an international field of drivers and teams behind the wheel of the world's most illustrious automobile marques. Celebrating 50 years of IMSA, this book acquaints us with just some of the people, cars and events through images and words from the sport's leading photographers and journalists that have played a role in creating IMSA's lore. Across these pages is journey of highlights and reminiscences, facts and possibly a tale or two to recall a fraction of what has transpired throughout IMSA's history, but will certainly inspire memories of your own.
