

WWII German Guard Post Paper Model.jpg

Daniel Jonah Goldhagen

Learning from the Germans Susan Neiman,2019-08-27 As an increasingly polarized America fights over the legacy of racism, Susan Neiman, author of the contemporary philosophical classic *Evil in Modern Thought*, asks what we can learn from the Germans about confronting the evils of the past In the wake of white nationalist attacks, the ongoing debate over reparations, and the controversy surrounding Confederate monuments and the contested memories they evoke, Susan Neiman's *Learning from the Germans* delivers an urgently needed perspective on how a country can come to terms with its historical wrongdoings. Neiman is a white woman who came of age in the civil rights–era South and a Jewish woman who has spent much of her adult life in Berlin. Working from this unique perspective, she combines philosophical reflection, personal stories, and interviews with both Americans and Germans who are grappling with the evils of their own national histories. Through discussions with Germans, including Jan Philipp Reemtsma, who created the breakthrough Crimes of the Wehrmacht exhibit, and Friedrich Schorlemmer, the East German dissident preacher, Neiman tells the story of the long and difficult path Germans faced in their effort to atone for the crimes of the Holocaust. In the United States, she interviews James Meredith about his battle for equality in Mississippi and Bryan Stevenson about his monument to the victims of lynching, as well as lesser-known social justice activists in the South, to provide a compelling picture of the work contemporary Americans are doing to confront our violent history. In clear and gripping prose, Neiman urges us to consider the nuanced forms that evil can assume, so that we can recognize and avoid them in the future.

The Oxford Companion to World War II Ian Dear,Michael Richard Daniell Foot,2005 From blitzkrieg and blackout to ghettos and Guadalcanal, World War II was a conflict that touched all nations and penetrated all aspects of people's lives. Sixty years after it ended, it still shapes the world we live in today. With over 1,750 A-Z entries, by more than 140 specialist contributors from Germany, Italy, and Japan, as well as from the Allied nations, the Companion provides uniquely worldwide coverage of the war. The strategies, forces, battles, and campaigns, and the social, political, and economic environments in which they operated are explored from both sides of the conflict. Every aspect of the war is covered: in-depth surveys of the countries involved in the conflict; politics and strategy; domestic and economic issues; resistance and intelligence; campaigns and battles; warfare and weapons; wartime leaders and influential people; slogans and slangThe Companion's comprehensive coverage and in-depth analysis are supported by hundreds of maps, charts, and diagrams, and a full chronology.

Hitler's Willing Executioners Daniel Jonah Goldhagen,2007-12-18 This groundbreaking international bestseller lays to rest many myths about the Holocaust: that Germans were ignorant of the mass destruction of Jews, that the killers were all SS men, and that those who slaughtered Jews did so reluctantly. *Hitler's Willing Executioners* provides conclusive evidence that the extermination of European Jewry engaged the energies and enthusiasm of tens of thousands of ordinary Germans. Goldhagen reconstructs the climate of eliminationist anti-Semitism that made Hitler's pursuit of his genocidal goals possible and the radical persecution of the Jews during the 1930s popular. Drawing on a wealth of unused archival materials, principally the testimony of the killers themselves, Goldhagen takes us into the killing fields where Germans voluntarily hunted Jews like animals, tortured them wantonly, and then posed cheerfully for snapshots with their victims. From mobile killing units, to the camps, to the death marches, Goldhagen shows how ordinary Germans, nurtured in a society where Jews were seen as unalterable evil and dangerous, willingly followed their beliefs to their logical conclusion. *Hitler's Willing Executioner's* is an original, indeed brilliant contribution to the...literature on the Holocaust.--New York Review of Books The most important book ever published about the Holocaust...Eloquently written, meticulously documented, impassioned...A model of moral and scholarly integrity.--Philadelphia Inquirer

The Atomic Bomb and the End of World War II Herbert Feis,2015-03-08 This book discusses the decision to use the atomic bomb. Libraries and scholars will find it a necessary adjunct to their other studies by Pulitzer-Prize author Herbert Feis on World War II. Originally published in 1966. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Dutch Girl Robert Matzen,2019-04-15 Twenty-five years after her passing, Audrey Hepburn remains the most beloved of all Hollywood stars, known as much for her role as UNICEF ambassador as for films like *Roman Holiday* and *Breakfast at Tiffany's*. Several biographies have chronicled her stardom, but none has covered her intense experiences through five years of Nazi occupation in the Netherlands. According to her son, Luca Dotti, The war made my mother who she was. Audrey Hepburn's war included participation in the Dutch Resistance, working as a doctor's assistant during the Bridge Too Far battle of Arnhem, the brutal execution of her uncle, and the ordeal of the Hunger Winter of 1944. She also had to contend with the fact that her father was a Nazi agent and her mother was pro-Nazi for the first two years of the occupation. But the war years also brought triumphs as Audrey became Arnhem's most famous young ballerina. Audrey's own reminiscences, new interviews with people who knew her in the war, wartime diaries, and research in classified Dutch archives shed light on the riveting, untold story of Audrey Hepburn under fire in World War II. Also included is a section of color and black-and-white photos. Many of these images are from Audrey's personal collection and are published here for the first time.

D-Day Invasion iMinds,2014-05-14 The story behind D-Day begins in 1939 when Nazi Germany, led by Adolf Hitler, attacked Poland and ignited World War Two. The following year, the Germans occupied France and Western Europe and launched a vicious air war against Britain. In 1941, they invaded the Soviet Union. Seemingly unstoppable, the Nazis now held virtually all of Europe. They imposed a ruthless system of control and unleashed the horror of the Holocaust. However, by 1943, the tide had begun to turn in favor of the Allies, the forces opposed to Germany. In the east, despite huge losses, the Soviets began to force the Germans back.

Germany 1945 Richard Bessel,2012-09-27 In 1945, Germany experienced the greatest outburst of deadly violence that the world has ever seen. *Germany 1945* examines the country's emergence from the most terrible catastrophe in modern history. When the Second World War ended, millions had been murdered; survivors had lost their families; cities and towns had been reduced to rubble and were littered with corpses. Yet people lived on, and began rebuilding their lives in the most inauspicious of circumstances. Bombing, military casualties, territorial loss, economic collapse and the processes of denazification gave Germans a deep sense of their own victimhood, which would become central to how they emerged from the trauma of total defeat, turned their backs on the Third Reich and its crimes, and focused on a transition to relative peace. Germany's return to humanity and prosperity is the hinge on which Europe's twentieth century turned. For years we have concentrated on how Europe slid into tyranny, violence, war and genocide; this book describes how humanity began to get back out.

Ordinary Men Christopher R. Browning,2013-04-16 The shocking account of how a unit of average middle-aged Germans became the cold-blooded murderers of tens of thousands of Jews.

German Generals Talk Basil H. Hart,1971-09-01 The German Generals who survived Hitler's Reich talk over World War II with Capt. Liddell Hart, noted British military strategist and writer. They speak as professional soldiers to a man they know and respect. For the first time, answers are revealed to many questions raised during the war. Was Hitler the genius of strategy he seemed to be at first? Why did his Generals never overthrow him? Why did Hitler allow the Dunkirk evacuation? Current interest, of course, focuses on the German Generals' opinion of the Red Army as a fighting force. What did the Russians look like from the German side? How did we look? And what are

the advantages and disadvantages under which dictator-controlled armies fight? In vivid, non-technical language, Capt. Liddell Hart reports these interviews and evaluates the vital military lessons of World War II.

Uniforms of the NSDAP Jeff Clark,2007 This book is the first in depth published work in over twenty years on Third Reich Political Leaders uniforms and their regalia. Some of the finest items in the collecting community - uniforms, insignia, headgear, flags, banners and other items - have been assembled in this large format, all-color book. This book also explains the complicated levels and rank system so that the hobbyist can avoid the many pitfalls when adding these items to their collection. Period source material has been researched and translated here for the first time. Many high-level personality collectibles are pictured here for the first time ever, having been in private collections since 1945. This one of a kind book is a must have for any serious Third Reich collector. AUTHOR:

A Demon-Haunted Land Monica Black,2020-11-17 “A Demon-Haunted Land is absorbing, gripping, and utterly fascinating... Beautifully written, without even a hint of jargon or pretension, it casts a significant and unexpected new light on the early phase of the Federal Republic of Germany’s history. Black’s analysis of the copious, largely unknown archival sources on which the book is based is unfailingly subtle and intelligent.” —Richard J. Evans, The New Republic In the aftermath of World War II, a succession of mass supernatural events swept through war-torn Germany. A messianic faith healer rose to extraordinary fame, prayer groups performed exorcisms, and enormous crowds traveled to witness apparitions of the Virgin Mary. Most strikingly, scores of people accused their neighbors of witchcraft, and found themselves in turn hauled into court on charges of defamation, assault, and even murder. What linked these events, in the wake of an annihilationist war and the Holocaust, was a widespread preoccupation with evil. While many histories emphasize Germany’s rapid transition from genocidal dictatorship to liberal democracy, A Demon-Haunted Land places in full view the toxic mistrust, profound bitterness, and spiritual malaise that unfolded alongside the economic miracle. Drawing on previously unpublished archival materials, acclaimed historian Monica Black argues that the surge of supernatural obsessions stemmed from the unspoken guilt and shame of a nation remarkably silent about what was euphemistically called “the most recent past.” This shadow history irrevocably changes our view of postwar Germany, revealing the country’s fraught emotional life, deep moral disquiet, and the cost of trying to bury a horrific legacy.

Mein Kampf Adolf Hitler,2024-02-26 Madman, tyrant, animal—history has given Adolf Hitler many names. In Mein Kampf (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich Beer-hall putsch was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become Mein Kampf, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In Mein Kampf, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

The U.S. Coast Guard in World War II Malcolm F. Willoughby,2016-02-15 The intimate view of the U.S. Coast Guard's dramatic World War II record has long been considered a classic. First published in 1957 and out of print for years, the book is now available in paperback. Handsomely illustrated with more than two hundred photographs, the book serves as a unique memento of one of the most illustrious periods in the Coast Guard's two hundred year history. The author offers a story replete with incidents of devotion far beyond the call of duty--daring rescues, adventurous high-sea missions, heroic combat action--to clearly demonstrate the vital role the service played in the Allied war effort. A seasoned World War I veteran who joined the Coast Guard Temporary Reserve in 1942, Malcolm Willoughby has covered every aspect of the Coast Guard's involvement in the war at sea, in the air, and at home. From the invasion of Normandy, where Coast Guardsmen landed thousands of Americans and rescued some 1,500 stranded in the surf, to Guadalcanal, where they rescued three companies of Marines trapped on the beach, this chronicle vividly recounts these well-documented operations and little-known stories of individual triumphs and tragedies as well.

Winning the Peace Christopher Knowles,2017-01-26 By adopting a unique biographical approach, this book examines the aims and intentions of twelve important and influential individuals who worked for the British Military Government in occupied Germany during the first three years after the end of the Second World War. British policy was distinctive, and the British zone was the largest and economically most important of all four zones. Although the three Western Allies all ended in the same place with the creation of an independent Federal Republic of (West) Germany in 1949, they took different paths to get there. The role of the British has been much misunderstood. Winning the Peace strikes a balance between earlier self-congratulatory accounts of the British occupation, and the later more critical historiography. It highlights diversity of aims and personal backgrounds and in so doing explains some of the complexities and apparent contradictions in British occupation policy. The book concludes that, despite diversity among those studied, all twelve individuals followed a policy described as the 'three Rs' - Reconstruction, Renewal and Reconciliation - rather than the 'four Ds' - De-militarisation, De-nazification, De-industrialisation, and Democratisation - highlighted in earlier histories of the occupation. Whilst reflecting on the role of human agency, Christopher Knowles examines why individuals sometimes failed to achieve what they originally intended, and how their aims and perceptions changed over time to reveal broader political, sociological and cultural forces, outside their direct control. This book is an innovative study for those interested in the Allied occupation, the post-war history of Germany and the study of military occupation generally.

Those Who Forget Geraldine Schwarz,2020-09-22 “[Makes] the very convincing case that, until and unless there is a full accounting for what happened with Donald Trump, 2020 is not over and never will be.” —The New Yorker “Riveting...we can never be reminded too often to never forget.” —The Wall Street Journal Journalist Géraldine Schwarz’s astonishing memoir of her German and French grandparents’ lives during World War II “also serves as a perceptive look at the current rise of far-right nationalism throughout Europe and the US” (Publishers Weekly). During World War II, Géraldine Schwarz’s German grandparents were neither heroes nor villains; they were merely Mitläufer—those who followed the current. Once the war ended, they wanted to bury the past under the wreckage of the Third Reich. Decades later, while delving through filing cabinets in the basement of their apartment building in Mannheim, Schwarz discovers that in 1938, her paternal grandfather Karl took advantage of Nazi policies to buy a business from a Jewish family for a low price. She finds letters from the only survivor of this family (all the others perished in Auschwitz), demanding reparations. But Karl Schwarz refused to acknowledge his responsibility. Géraldine starts to question the past: How guilty were her grandparents? What makes us complicit? On her mother’s side, she investigates the role of her French grandfather, a policeman in Vichy. Weaving together the threads of three generations of her family story with Europe’s process of post-war reckoning, Schwarz explores how millions were seduced by ideology, overcome by a fog of denial after the war, and, in Germany at least, eventually managed to transform collective guilt into democratic responsibility. She asks: How can nations learn from history? And she observes that countries that avoid confronting the past are especially vulnerable to extremism. Searing and unforgettable, Those Who Forget “deserves to be read and discussed widely...this is Schwarz’s invaluable warning”

(The Washington Post Book Review).

To the Last Man :: Jonathan D. Bratten,2020

The Pope at War David I. Kertzer,2022-11-17 Filled with discoveries, this is the dramatic story of Pope Pius XII's struggle to response to the Second World War, the Holocaust, and the Nazi domination of Europe.The Pope at War is the third in a trilogy of books about Pope Pius XII's response to the rise of Fascism and Nazism. It tells the dramatic story of Pope Pius XII's struggle to respond to the Second World War, the Holocaust, and the ongoing Nazi attempts to exterminate the Jews of Europe. It is the first book dealing with the war to make extensive use of the newly opened Vatican archives for the war years. It is based, as well, on thousands of documents from the Italian, German,French, British, and American archives. Among the many new discoveries brought to light is the discovery that within weeks of becoming pope in 1939, Pius XII entered into secret negotiations with Hitler through Hitler's emissary, a Nazi Prince who was married to the daughter of the King of Italy and who was veryclose to Hitler. The negotiations were kept so secret that not even the German ambassador to the Holy See was informed of them. The book also offers new insight into the thinking behind Pius XII's decision to maintain good relations with the German government during the war, including keeping the Germans happy while they occupied Rome in 1943-1944. And throughout, David I. Kertzer shows the active role of the Italian Church hierarchy in promoting the Axis war while the pope, who as bishop ofRome was responsible for the Italian hierarchy, offered his silent blessings and cast his public speeches in such a way that both sides could claim support for their cause.

Hitler's American Model James Q. Whitman,2017-02-14 How American race law provided a blueprint for Nazi Germany Nazism triumphed in Germany during the high era of Jim Crow laws in the United States. Did the American regime of racial oppression in any way inspire the Nazis? The unsettling answer is yes. In Hitler's American Model, James Whitman presents a detailed investigation of the American impact on the notorious Nuremberg Laws, the centerpiece anti-Jewish legislation of the Nazi regime. Contrary to those who have insisted that there was no meaningful connection between American and German racial repression, Whitman demonstrates that the Nazis took a real, sustained, significant, and revealing interest in American race policies. As Whitman shows, the Nuremberg Laws were crafted in an atmosphere of considerable attention to the precedents American race laws had to offer. German praise for American practices, already found in Hitler's Mein Kampf, was continuous throughout the early 1930s, and the most radical Nazi lawyers were eager advocates of the use of American models. But while Jim Crow segregation was one aspect of American law that appealed to Nazi radicals, it was not the most consequential one. Rather, both American citizenship and antimiscegenation laws proved directly relevant to the two principal Nuremberg Laws—the Citizenship Law and the Blood Law. Whitman looks at the ultimate, ugly irony that when Nazis rejected American practices, it was sometimes not because they found them too enlightened, but too harsh. Indelibly linking American race laws to the shaping of Nazi policies in Germany, Hitler's American Model upends understandings of America's influence on racist practices in the wider world.

Heavy Cruisers of the Admiral Hipper Class Gerhard Koop,Klaus-Peter Schmolke,2014-07-22 The warships of the World War II era German Navy are among the most popular subject in naval history with an almost uncountable number of books devoted to them. However, for a concise but authoritative summary of the design history and careers of the major surface ships it is difficult to beat a series of six volumes written by Gerhard Koop and illustrated by Klaus-Peter Schmolke. Each contains an account of the development of a particular class, a detailed description of the ships, with full technical details, and an outline of their service, heavily illustrated with plans, battle maps and a substantial collection of photographs. These have been out of print for ten years or more and are now much sought after by enthusiasts and collectors, so this new modestly priced reprint of the series will be widely welcomed.??This volume covers the Admiral Hipper class, among the largest heavy cruisers to serve in World War II. Intended to be a class of five, they enjoyed contrasting fortunes: Seydlitz and LÜtzow were never completed; BlÜcher was the first major German warship sunk in action; Admiral Hipper became one of the most successful commerce raiders of the war; while the Prinz Eugen survived to be expended as a target in one of the first American nuclear tests in 1946.

Anne Frank Anne Frank,1997 Thirteen year old Anne Frank, with her parents and sister and four other people, went into hiding in the sealed-off building in 1942, when the Nazi invaders intensified their persecution of Jews. For two years they remained safe. In August 1944 they were betrayed. Anne's diary was found, and it reveals her life and her spirit.

Right here, we have countless books **WWII German Guard Post Paper Model.jpg** and collections to check out. WWII German Guard Post Paper Model.jpg Introduction

In the digital age, access to information has become easier than ever before. The ability to download WWII German Guard Post Paper Model.jpg has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download WWII German Guard Post Paper Model.jpg has opened up a world of possibilities. Downloading WWII German Guard Post Paper Model.jpg provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading WWII German Guard Post Paper Model.jpg has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download WWII German Guard Post Paper Model.jpg. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading WWII German Guard Post Paper Model.jpg. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and

researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading WWII German Guard Post Paper Model.jpg, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download WWII German Guard Post Paper Model.jpg has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About WWII German Guard Post Paper Model.jpg Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. WWII German Guard Post Paper Model.jpg is one of the best book in our library for free trial. We provide copy of WWII German Guard Post Paper Model.jpg in digital format, so the resources that you find are reliable. There are also many Ebooks of related with WWII German Guard Post Paper Model.jpg. Where to download WWII German Guard Post Paper Model.jpg online for free? Are you looking for WWII German Guard Post Paper Model.jpg PDF? This is definitely going to save you time and cash in something you should think

about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another WWII German Guard Post Paper Model.jpg. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of WWII German Guard Post Paper Model.jpg are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with WWII German Guard Post Paper Model.jpg. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with WWII German Guard Post Paper Model.jpg To get started finding WWII German Guard Post Paper Model.jpg, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with WWII German Guard Post Paper Model.jpg So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading WWII German Guard Post Paper Model.jpg. Maybe you have knowledge that, people have search numerous times for their favorite readings like this WWII German Guard Post Paper Model.jpg, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. WWII German Guard Post Paper Model.jpg is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, WWII German Guard Post Paper Model.jpg is universally compatible with any devices to read.
