Egg-Drop Blues Jacqueline Turner Banks, 2003 Desperate to raise his grade in science, Judge hopes he can succeed in the egg-drop competition he's entered in with his twin brother. Worried, sensitive, and learning to come to terms with dyslexia, Judge tells of his struggles with schoolwork, with a sometimes difficult brother, and with finding his own self-esteem. It's a story that readers will enjoy, sympathize with, and eagerly follow to a happy and logical conclusion.

The Macintosh Way Guy Kawasaki, 1990 The Macintosh Way is a take-no-prisoners guide to marketing warfare says Jean Louis Gasse, President of Apple Products. Must reading for anyone in the high-tech industry, it is valuable, insightful guide to innovation management and marketing for any industry.

Alice Bliss Laura Harrington, 2012-05-29 A Boston Globe bestseller Nothing less than a fully realized vision of a young complicated girl. —Entertainment Weekly Tomboy Alice Bliss is heartbroken when she learns that her father, Matt, is being deployed to Iraq. Matt will miss seeing Alice blossom into a full-blown teenager: she'll learn to drive, join the track team, go to her

first dance, and fall in love—all while trying to be strong for her mother, Angie, and her precocious little sister. But the phone calls from her father are never long enough. At once universal and very personal, Alice Bliss is a profoundly moving story about those who are left at home during wartime and a small-town teenage girl bravely facing the future.

Force Ripe Lera Cindy McKenzie, 2017-02-05 A touching portrayal of a little girls story, beautifully woven into a work of fiction, through her eyes and in her own lyrical Creole voice. Force Ripe is not just another damaged childhood story, but one that depicts an exciting and important part of a Caribbean island's colourful history.

Zion Roses MONICA MINOTT, 2021-07 In Zion Roses, her second collection, Monica Minott's poems grasp the reader's attention with a voice that is distinctively personal, both taut and musical--and tender and muscular when the occasion demands. Her language moves seamlessly and always appropriately between standard and Jamaican patwa, a reflection of a vision that encompasses a Black modernity still very much in touch with its aphoristic folk roots, where the ancestral meets Skype or a Jonkonnu band is stuck in a Kingston traffic jam. It is possible to see Minott's poems as being in a constant dialogue between four quadrants of engagement: with history, with landscape, with personal and family experience, and with the worlds of literature, music, and art. Minott's sense of history is deeply informed by a knowledge of the brutalities of commercial empire and of slavery and Black

people's struggles against injustice and for selfhood. There is scarcely a poem that does not have some precisely described sense of the materiality of its circumstance and the interactions between the physical world and human feelings. You sense that what sustains a certain bravery of self-exposure and of risk is a sense of belonging to family.

Guabancex Celia Sorhaindo, 2020 Poetry exploring life during and after Hurricane Maria, the Caribbean island of Dominica's worst hurricane.

The Open World Stephanie Johnson, 2012-04-05 A fascinating novel about secrets, finding a home and early colonial New Zealand. 'I miss my smiling son more than any other man before or since.' London 1866. Elizabeth Smith is struggling to survive when she hears that her former New Zealand employers, Judge and Lady Martin, are returning to England. Accompanied by her dear friend, the lunatic Reverend Cotton, she makes a pilgrimage to settle old scores. Elizabeth is also accompanied by liberal doses of opiates and two small ghosts, walking by her side, whispering, murmuring, calling her. Award-winning writer Stephanie Johnson lovingly peoples a landscape of the past. Mid-century New Zealand, London and the spa town of Buxton are vividly evoked in a novel about motherhood, earliest colonial days, pharmacology and poreirewa - the yearning for absent loved ones.

My Grandma Loves to Play Winifred "Oyoko" Loving, 2013-02 DEDICATION & THANK YOU Dear tiny angels, slippery tadpoles, and sugar bears everywhere! When I was little (just about your age), I visited my grandparents in New Bedford,

Massachusetts for summer vacations. Grandma always had fun lessons waiting for us city kids. She brushed our hair, ironed our underwear, and hung the laundry on the clothesline while holding clothespins in her mouth! My brothers and sisters would race through the yard, screaming and yelling, tripping and falling, climbing the cherry tree, and getting our new clothes muddy or dusty or torn. She cooked every meal we ate. No restaurants for us, no sir! We had no television. Grandma said, Read a book! Write a poem! Let's start a choir! Sing, children! Then she would sit at her piano and lullaby us to sleep after a hard day of having fun! When she had spare time, she would say, Run and hide! This would end up being a fun game of PEEK-A-BOO...Grandma-style! Peek-a-boo was the most amazing, absolute best fun EVER for me! I dedicate my summer memories to Lucy Louise Green Barbour, my grandmother, my mentor, my cherry-pie-from-scratch baker! Now that I am a grandmother, I dedicate this book to Leah Renee, Lilah Gizelle, and Leslie Marie-my three granddaughters! Run! Hide! Grandma's coming! Winifred Oyoko Loving St. Croix, United States Virgin Islands

Gender Articulated Kira Hall,Mary Bucholtz,2012-11-12 Gender Articulated is a groundbreaking work of sociolinguistics that forges new connections between language-related fields and feminist theory. Refuting apolitical, essentialist perspectives on language and gender, the essays presented here examine a range of cultures, languages and settings. They explicitly connect feminist theory to language research. Some of the most distinguished scholars working in the field of language and gender today discuss such topics as

Japanese women's appropriation of men's language, the literary representation of lesbian discourse, the silencing of women on the Internet, cultural mediation and Spanish use at New Mexican weddings and the uses of silence in the Anita Hill-Clarence Thomas hearings.

Social Movements in India Raka Ray,Mary Fainsod Katzenstein,2005 Social movements have played a vital role in Indian politics since well before the inception of India as a new nation in 1947. During the Nehruvian era, poverty alleviation was a foundational standard against which policy proposals and political claims were measured; at this time, movement activism was directly accountable to this state discourse. In the first volume to focus on poverty and class in its analysis of social movements, a group of leading India scholars shows how social movements have had to change because poverty reduction no longer serves its earlier role as a political template. With distinctive chapters on gender, lower castes, environment, the Hindu Right, Kerala, labor, farmers, and biotechnology, Social Movements in India will be attractive to students and researchers in many different disciplines.

Laughter Out of Place Donna M. Goldstein,2013-09-29 Drawing on the author's experience in Brazil, this text provides a portrait of everyday life among the women of the favelas - a portrait that challenges much of what we think we know about the 'culture of poverty'. It helps us understand the nature of joking and laughter in the shantytown.
