Gingerbread Friends Jan Brett,2017-10-17 Jan Brett's popular winter tale--now in board book! Confident and excited to make new friends, the Gingerbread Baby happens upon a bakery, where he dances and prances in front of a sugar cookie girl, trying to make friends. But she just stares and doesn't say a word, like all the other sweet treats he tries to meet. Discouraged, the Gingerbread Baby runs home, chased by a long line of hungry creatures, where Mattie has a fantastic surprise for him--gingerbread friends that fill a giant fold-out page. Irresistible images inside the confectionery and outside in the snowy Swiss countryside will delight Jan Brett fans.

Peppermint Barked Leslie Budewitz,2022-07-19 A Dickens of a Christmas turns deadly... As the holiday season lights up Seattle's famed Pike Place Market, Pepper Reece's beloved Spice Shop is brimming with cinnamon, nutmeg, and shoppers eager to stuff their stockings. Add to the mix a tasty staff competition--a peppermint bark-off--along with Victorian costumes for this year's Dickensian Christmas theme, and Pepper almost forgets to be nervous about meeting her fisherman boyfriend's brother for the first time. But when a young woman working in her friend Vinny's wine shop is brutally assaulted, costumed revelers and holiday cheer are the last things on Pepper's mind. Who would want to hurt Beth? Or were they looking for Vinny instead? The vicious attack upsets everyone at Pike Place, but none more than Pepper's own employee, Matt Kemp. At first, Pepper is baffled by his reaction, but his clandestine connection to Beth could hold the key to the assailant's motive. Or perhaps it's Vinny's ex-wife who knows more than she's letting on . . . and what about the mysterious top-hatted man with whom Pepper saw Beth arguing that morning? As the secrets of the market come to light, long-held grudges, family ties, and hidden plans only further obscure the truth. Is it a ghost of the past rattling its chains, or a contemporary Scrooge with more earthly motives? As Pepper chases down a killer, someone is chasing her, and in the end, the storied market itself may hold the final, deadly clue. A cozy holiday mystery full of culinary delights and a rich cast of characters, the sixth installment in the Spice Shop Mystery series will keep you turning the page . . . and reaching for another piece of peppermint bark.

Ancient and Traditional Foods, Plants, Herbs and Spices used in the Middle East Rajkumar Rajendram,Victor R. Preedy,Vinood B. Patel,2023-08-25 The use of different foods, herbs, and spices to treat or prevent disease has been recorded for thousands of years. Egyptian papyrus, hieroglyphics and ancient texts from the Middle East have described the cultivation and preparations of herbs and botanicals to "cure the sick." There are even older records from China and India. Some ancient scripts describe the use of medicinal plants which have never been seen within European cultures. Indeed, all ancient civilizations have pictorial records of different foods, herbs, and spices being used for medical purposes. However, there are fundamental questions and issues pertaining to the scientific evidence for the use of these agents or their extracts in modern medicine. These issues are explored in Ancient and Traditional Foods, Plants, Herbs and Spices used in the Middle East. Features · Describes uses and applications of plant-based materials from different countries of the Middle East. · Each chapter has unique cross references to foods, herbs, spices and botanicals · Bridges molecular biology, physiology and medical sciences · Coverage includes herbal medicines, supplements, lifestyle patterns, nutrition, and plant-based diets · Each chapter describes usage and applications of traditional foods and botanicals; historical background; toxicity; cautionary notes; and summary points There have been considerable advances in scientific techniques over the last few decades. These have been used to examine the composition and applications of traditional cures. Modern science has also seen the investigation of herbs, spices and botanicals beyond their traditional usage. Written by international experts, this is an essential read for food researchers, food scientists, and nutritionists, researchers and health professionals with an interest in the potential therapeutic value of Middle Eastern food components. The book will also be of relevance to physicians and pharmacologists.

Peppermint Nursery Stock Linda M. Falzari,Robert Charles Menary,2007 In the past, peppermint has been a valuable crop to primary producers but in recent years a decline in productivity of the crops has reduced returns to growers. This low productivity and reduced yield is known colloquially as peppermint decline. No single factor has been attributed as the cause of peppermint decline but two potential factors are the subject of the research in this report: one being variation in the genotypes of the peppermint under production; the second being associated with the method of propagation of planting material for new commercial areas.

Familiar Letters of Peppermint Perkins (Classic Reprint) Peppermint Perkins,2017-12-20 Excerpt from Familiar Letters of Peppermint Perkins To the publilcz - I understand that there is a general impression that I am the author of the following letters, or, if not the author, responsible at least for their prevailing tone of depravity. I ask you, what is a sensitive, but chivalrous, man to do? If I acknowledge them as mine my reputation as a man of good sense is lost. If, on the contrary, I deny all connection with them my sister Peppermint will be in a deuce of a mess. I can only beg for your kind indulgence.
