Dollar Origami Won Park,2013-03-04 Make your money into something more! With Dollar Origami, you'll learn how to fold your dollars into frogs, scorpions, and other creatures and objects. We handle money every day. We're used to handing over a few bills for a coffee or a few more bills for a book or a new item of clothing. But it's fairly rare these days to be able to turn just one dollar into anything. A dollar won't buy you a camera or a shark--but there is a way to make it into one! Dollar Origami teaches you how to turn your currency into almost anything with just a few folds. With simple instructions, full-color photos, and 100 sheets of paper to practice on before you use your own money, you'll be crafting beautiful butterflies, adorable penguins, and more in your own home in no time. Sometimes, your money can go farther than you think--and with Dollar Origami, it can also provide you with much more fun!

Origami Design Secrets Robert J. Lang,2011-10-05 The magnum opus of one of the world's leading origami artists, the second edition of *Origami Design Secrets* reveals the underlying concepts of origami and how to create original origami designs. Containing step-by-step instructions for 26 models, this book is not just an origami cookbook or list of instructions—it introduces the fundamental building blocks of origami, building up to advanced methods such as the combination of uniaxial bases, the circle/river method, and tree theory. With corrections and improved illustrations, this new expanded edition also covers uniaxial box pleating, introduces the new design technique of hex pleating, and describes methods of generalizing polygon packing to arbitrary angles. With coverage spanning the foundations of origami construction and advanced methods using both paper and pencil and custom-built free software, *Origami Design Secrets* helps readers cultivate the intuition and skills necessary to develop their own designs. It takes them beyond merely following a recipe to crafting a work of art.
