Tilly and the Time Machine Adrian Edmondson,2017-05-04 Tilly is seven and a half - and about to make history. When Tilly's dad builds a time machine in the shed there's only one place she really wants to go: back to her sixth birthday party, when she ate too many cupcakes and her mummy was still here. But then something goes wrong! Tilly's dad gets stuck in the past and only she can save him . . . Will they make it back in time for tea?

Junkyard Jack and the Horse That Talked Adrian Edmondson,2018-06-28 'Can all animals talk?' Jack asked. 'Well, of course they can,' said Boadicea the Shetland Pony. 'We're not idiots, you know.' ----- Jack is a very small and bendy boy. So small and bendy, that he can hide inside his own school bag! Other than bending and hiding, his favourite thing to do is to go to Old Mr Mudge's junkyard and ride the horses, Lightning and Boadicea. It's definitely better than going home to his drippy Aunt Violet, smelly Uncle Ted and evil cousin Kelly. But when he (accidentally) runs away, he finds himself on an adventure to free his mum from prison- with the help of a lot of talking animals! Filled with excitement, fun and far too much horse poo, this is the hilarious new story from national treasure Ade Edmondson, author of Tilly and the Time Machine.

God's Favorite Place on Earth Frank Viola,2013-05-01 When He came to earth, Jesus Christ was rejected in every quarter in which He stepped. The Creator was rejected by His own creation. “He came to His own and His own received Him not,” said John. For this reason, Jesus Christ had “no where to lay His head.” There was one exception, however. A little village just outside of Jerusalem named Bethany. Bethany was the only place on earth where Jesus was completely received. God’s Favorite Place on Earth is a retelling of Jesus’ many visits to Bethany and a relaying of the message it holds for us today. Frank Viola presents a beautifully crafted narrative from the viewpoint of Lazarus, one of the people who lived in Bethany with his two sisters. This incomparable story not only brings the Gospel narratives to life, but it addresses the struggle against doubt, discouragement, fear, guilt, rejection, and spiritual apathy that challenges countless Christians today. In profoundly moving prose, God’s Favorite Place on Earth will captivate your heart with its beauty, charm, and depth. In this book you will discover how to live as a “Bethany” in our world today, being set free to love and follow Jesus like never before.

Teaming to Innovate Amy C. Edmondson,2013-09-05 Innovation requires teaming. (Put another way, teaming is toinnovation what assembly lines are to car production.) This bookbrings together key insights on teaming, as they pertain toinnovation. How do you build a culture of innovation? What doesthat culture look like? How does it evolve and grow? How are teamsmost effectively created and then nurtured in this context? What isa leader's role in this culture? This little book is a roadmap forteaming to innovate. We describe five necessary steps along thatroad: Aim High, Team Up, Fail Well, Learn Fast, and Repeat. Thispath is not smooth. To illustrate each critical step, we look atreal-life scenarios that show how teaming to innovate provides thespark that can fertilize creativity, clarify goals, and redefinethe meaning of leadership.

Weeping Women Hotel Alexei Sayle,2007-05-17 'A funny, frightening book that is also refreshingly bonkers' Guardian 'A brilliant writer...a great novelist' Richard and Judy Northern girl Harriet lives and works on a London estate which is a battleground between the white working class plus the immigrants versus the newly arrived middle class focaccia-eaters. Unhappy and overweight, she hires a personal trainer who lures her into joining the martial arts class he runs. There she learns the regime of the completely phoney martial arts master and embarks on a spiritual and literal journey which leads her to a hotel opposite the railway station at Crewe, the Weeping Women Hotel. Thatcher Stole My Trousers Alexei Sayle,2016-03-10 'Enlightening ... Funny, smart, original and provocative ... It is hard to imagine the stalwarts of Mock the Week recognising the Druze militia leader Walid Jumblatt in a London cinema' New Statesman What I brought to comedy was an authentic working-class voice plus a threat of genuine violence - nobody in Monty Python looked like a hard case who'd kick your head in In 1971, comedians on the working men's club circuit imagined that they would be free to continue telling their tired, racist, misogynistic gags forever. But their nemesis, a nineteen-year-old Marxist art student, was slowly coming to meet them... Thatcher Stole My Trousers chronicles a time when comedy and politics united in electrifying ways. Recounting the founding of the Comedy Store, the Comic Strip and the Young Ones, and Alexei's friendships with the comedians who – like him – would soon become household names, this is a unique and beguiling blend of social history and memoir. Fascinating, funny, angry and entertaining, it is a story of class and comedy, politics and love, fast cars and why it's difficult to foul a dwarf in a game of football.

Seeds and Stems Simon Hanselmann,2020-08-12 In 2016, Hanselmann began producing Xeroxed zines starring the depressive Megg (a green-skinned witch), her abusive boyfriend Mogg (an actual cat), their submissive roommate Owl (a vaguely humanoid owl), and the self-destructively hedonistic Werewolf Jones (half human, half wolf) in print runs of 300 to 500 copies, with hand-painted covers, custom stamps and hologram security stickers. Seeds and Stems collects all of these out-of-print, self-published stories produced by the artist between 2016-2019, along with a generous smattering of rarities from various anthologies and magazines. Megg and Mogg and friends explore the worlds of lucid dreaming, banking scams, cinema, mixed drinks, alien invasions, and budget vasectomies in this varied collection of rare and often experimental adventures, designed and curated entirely by the artist.
