Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Moon-face and Other Stories Jack London, 1906 JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways - robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. The son of the Wolf (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, The Call of the Wild (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including The Sea-Wolf (1904), White Fang (1906), South Sea Tales (1911), and Jerry of the South Seas (1917). One of London's most interesting novels is the semi-autobiographical Martin Eden (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

Treasure of Khan Clive Cussler, Dirk Cussler, 2006-11-28 Oceanic explorers Dirk Pitt and Al Giordino find intrigue, adventure, and peril while collecting clues to the mysterious treasure of Xanadu, the famed capital of Kublai Khan's empire. When Dirk Pitt is nearly killed rescuing an oil survey team from a freak wave on Russia's Lake Baikal, it appears a simple act of nature. But when the survey team is abducted and Pitt's research vessel nearly sunk, it becomes clear this is no run of bad luck, but the influence of something, or someone, more sinister. In fact, Pitt and the NUMA crew have inadvertently stepped between a Mongolian tycoon and his plans to corner the global oil market, beginning with covert negotiations in China. To ensure the deal goes through, this mysterious businessman will encourage ever-escalating acts of sabotage and violence. Pitt and Giordino soon learn the magnate's fury and his power both stem from the same source: a dark secret about Genghis Khan, the greatest conqueror the world has ever known. To Pitt and Giordino the famed Khan's empire is nearly the stuff of legend and his tomb a forgotten mystery. But the Khan's legacy is very real. And it's the treasure of his grandson Kublai Khan that holds the key to stopping this modern-day oil baron from restoring the conquests of his ancestors. That is, if Pitt and Giordino get there first....

Fasten Your Seat Belts Boh Tong, 2010-08-15 Never look at your flight attendant the same way again! Fasten Your Seat Belts is a no-holds-barred tell-all book packed with tales of sex, lies and alcohol, from the narrow aisles of cattle class, to the cosseted confines of the cockpit and under starched hotel linen. With a mix of raunchy, sordid and scandalous details and redeeming moments of innocence and hilarity, this book is a result of more than three decades of flying the friendly skies. So fasten your seat belts and prepare yourself for the read of your life! He had better be. The first body is discovered in Singapore, and the second in Bangkok. Both American women. Both viciously beaten. Both stripped nude and posed obscenely. The FBI calls it terrorism, but the whispers are that a serial killer is stalking American women across Asia. So why is it no one seems to want Tay to find the murderer? Whatever the reason, he won't let go. He is training a sadistic killer from Singapore deep into the dark, sordid heart of Bangkok. And, if he has to, he will do it all be himself.

Unchained Mind Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

Lancia 037 Peter Collins, 2008-03-15 The world of rallying was changed forever on January 1st 1982 with the introduction of the new Group B rules. These virtually gave manufacturers carte blanche to design the fastest car they could for world rally special stages, so long as they built at least 200 identical examples. This is the story of Lancia's mid-engined and supercharged rally. The reader is taken from initial thinking about the car and conception, through development to the full history of its rallying lifetime with the help of the car designer and chief engineer, Ing Sergio Limone. Featuring many of Limone's own photographs during development, and interviews with team members. Illustrated with 250 stunning and rare rally action photos.

Lost Road Courses Martin Rudow, 2016-07-15 Road racing has long-storied roots in North America that reach from coast to coast and to Canada. Some of the greatest drivers to ever compete raced wickedly fast machines, staged epic duels on winding strips of asphalt, and created history. This history left an enduring legacy that is revealed and celebrated in Lost Road Courses. Road racer and road racing expert Martin Rudow retraces road racing's glorious past and visits the defunct classic road courses across the United States and Canada. Many road courses were built in the 1950s and 1960s, the golden age of American road racing. These classic road courses built and hosted famous races for Trans-Am, Can-Am, IndyCar, Formula 1, and sports car racing, but did not survive the times. They fell victim to changing times, poor business decisions, urban sprawl, safety standards, and increasing real estate prices. Rudow recounts the breathtaking races and fascinating history of more than 16 tracks from around North America. Riverside International Raceway, Bridgehampton Race Circuit, Ontario Motor Speedway, Continental Divide Raceway, and many others were once major race venues that have since closed. The great race teams, legendary drivers, classic race series that visited the tracks, and cars that turned laps are brought into full focus. The exploits of Chaparral, McLaren, Bud Moore, Lotus, Penske, and other race teams as well as racing greats Mario Andretti, Parnelli Jones, Jim Hall, A. J. Foyt, Al Unser, Jim Clark, and Dan Gurney are covered. Rudow also digs beneath the surface to reveal the story behind the story. The visionaries and businessmen who saw potential and risked capital to build these palaces of speed come back to life. He also recognizes the unsung heroes and regional racers who competed, staffed, and took on various roles at these tracks. In the pages of this book, a nostalgic tour of these famous races at these vintage road circuits unfolds. Many period photos illustrate the racing action and the tracks themselves in their former glory, and modern color shows the tracks as they currently stand. If you're a fan of classic sports car, Can-Am, Trans-Am, IndyCar, Formula 1, as well as classic and unique tracks of yesteryear, this book is a must-have.

Blue Island's Raceway Park Stan Kalwasinski, Samuel Beck, 2009 On September 24, 1938, Raceway Park officially opened its doors,

and the track remained open for over 60 years. The first race was won by Harry McQuinn, who went on to compete in the Indianapolis 500 and become the chief pit steward of the Indianapolis Motor Speedway. In 1948, Raceway Park added stock car races to its regular program, and the track became a popular entertainment venue throughout the 1950s, 1960s, and 1970s as thousands of Chicagoans filled the stands. The track held its last race in 2000 and was torn down the following year. Although Raceway Park is now a part of history, the World's Busiest Track is still in the hearts and minds of many Chicagoland race fans.

Whiskey Days Tommy Gaffney,2009-10 Whiskey Days is the second full-length collection of memoir-driven works by Kentucky native Tommy Gaffney. Both the short stories and the poems in this volume invoke the emotional high wire of an author writing without a net, veering between the humorous and the abysmally raw that lay on either side of his narratives. The results this time show the growing maturity of both the scribe and the man and offer an intelligent conversation with the bar room professor on the stool beside you.
In Dark Places Wyl Menmuir,2017 'There were once people who walked lightly. Who heard, in the space between their footsteps, reverberations and echoes of the fissures and caverns that lay below. Otherworlds and underworlds. Places that spoke to them.' In this darkly atmospheric story, a young couple on their honeymoon set out to explore Cheddar Gorge, only to find themselves increasingly distanced from one another as the presence of the claustrophobic caves closes in around them. . .
Wisconsin International Raceway Joe Verdegan,2016-12-03 Wisconsin International Raceway's famous tagline is an accurate description for the generations of big-name drivers who have honed their skills on the Kaukauna racetrack.
