Two adorable kitty paper dolls, based on the Asian legend of the raised paw or beckoning cat, come with more than 40 fanciful costumes and a bonus poster with dozens of stickers.

Maneki Neko Susan Lendroth,2016-02-15 The Japanese legend of Maneki Neko, the beckoning cat, who is a symbol of good luck and good fortune in many Asian countries. In a small Japanese village, a poor monk and his cat Tama live a simple life at the Kotoku Monastery. One day, a great storm passes through the village, and Tama is caught in the rain outside the temple. She waits under the eaves of a small shrine, cleaning her face and whiskers as best she can with her paw. A noble samurai is also passing through, and stops his horse under the cover of a large tree. But through the rain, what does he see? A cat with a raised paw, beckoning him forward? Curious, the samurai urges his horse forward. Just then, a bolt of lightning flashes and strikes the tree behind him, splitting it in two. The beckoning cat has saved his life. In his gratitude, the samurai brings riches to the small temple and the monk, who shares his wealth with the village. So goes the Japanese legend of Maneki Neko, the beckoning cat. And to this day, the cat with raised paw beckoning guests is a symbol of good luck and good fortune in many Asian countries.

I Am Tama, Lucky Cat Wendy Henrichs, 2016-02-02 Under the shadow of the white-capped mountains of Japan, a kind and gentle monk takes in a white cat with unusual markings and names him Tama, Lucky Cat. Tama watches as his new master teaches

Buddha's ways to poor farmers, caring for their welfare while ignoring his own empty stomach. Tama truly earns his nickname, Lucky Cat, when during a powerful thunderstorm, he sees a towering warlord on a white horse. The cat beckons the warrior forward just as a large branch crashes to the ground and lands right where the warlord had previously stood. In gratitude to Tama, the warlord lavishes gifts on the monk's poor temple. In a marriage of graceful text based on one of the legends of Maneki Neko—beckoning cat, in early Edo-period Japan—and breathtaking watercolor illustrations, debut author Wendy Henrichs and award-winning illustrator Yoshiko Jaeggi offer a beautiful story of friendship, generosity, and kindness.

Cats in Origami Nick Robinson, 2019-04-17 In the origami world, cats were traditionally under-represented, and the few existing models were rather flat and lifeless. But thanks to modern folding techniques, it's possible to recapture the true charm of our feline companions. This book for origamists of all skill levels offers 20 original designs that range from a grinning Cheshire cat

and a snoozing feline to a walking cat, a seated cat, a Halloween cat, and the smug cat that got the cream, as well as cats on an envelope, a bookmark, a greeting card, and other figures. Along with step-by-step directions and diagrams, each model features a full-color image of the finished cat. Projects are rated according to difficulty, and a brief introductory chapter explains folding techniques and suggestions for how to choose the most appropriate origami paper. These cute kitties, in addition to being fun to fold, make great little gifts for cat-fanciers.

Citizen 13660, 1983 Mine Okubo was one of 110,000 people of Japanese descent--nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. *Citizen 13660*, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, *Mine Okubo: Following Her Own Road*, edited by Greg Robinson and Elena Tajima Creef.
