*Solo Leveling, Vol. 4 (comic)* ,2022-05-10 When Jinwoo sets about mentoring one of Jinho's recruits- who also happens to be his sister's good friend-a White Tiger Guild training operation seems like the perfect opportunity to show her what being a hunter really entails. But the moment he and Songyi enter the gate, Jinwoo realizes something is wrong. With a flash of red, the exit vanishes, stranding them and the White Tiger trainees in a frozen forest for what could be weeks-or until someone can defeat the dungeon's formidable boss...

**Why Art Cannot Be Taught** James Elkins,2001-05-17 He also addresses the phenomenon of art critiques as a microcosm for teaching art as a whole and dissects real-life critiques, highlighting presuppositions and dynamics that make them confusing and suggesting ways to make them more helpful. Elkins's no-nonsense approach clears away the assumptions about art instruction that are not borne out by classroom practice. For example, he notes that despite much talk about instilling visual acuity and teaching technique, in practice neither teachers nor students behave as if those were their principal goals. He addresses the absurdity of pretending that sexual issues are absent from life-drawing classes and questions the practice of holding up great masters and masterpieces as models for students capable of producing only mediocre art. He also discusses types of art--including art that takes time to complete and art that isn't serious--that cannot be learned in studio art classes.

**Bank Top** Craig Easton,2022-02 The black and white photographs in the book were all made in an area less than half a mile square in Blackburn during 2019 and 2020. Working with a large-format wooden field camera, Easton spent long days and weeks in the neighbourhood talking to residents and sometimes making pictures. The project melds image and text -- Easton's portraiture and landscapes combined with poetry and an essay by Aziz Hafiz and with the testimonies of residents. This long-form collaboration acknowledges the issues and impacts of social deprivation, housing, unemployment, immigration and representation, as well as past and present foreign policy. The result is a collective and nuanced portrait of the town -- a sensitive response to the oversimplistic representation of such communities in both the media and by government, which deny the right of Bank Top to tell its own story

**The Korean Wave** Korean Culture and Information Service South Korea,2011-11-25 korean wave,hallyu,Korean culture,Korean,south korea,Korean pop culture This book is the first in a series of upcoming books to introduce modern Korean culture overseas. The term "Korean Wave" ("Hallyu" in Korean) was coined by the Chinese press a little more than a decade ago to refer to the popularity of Korean pop culture in China. The boom started with the export of Korean television dramas (miniseries) to China in the late 1990s. Since then, South Korea has emerged as a new center for the production of transnational pop culture, exporting a range of cultural products to neighboring Asian countries. More recently, Korean pop culture has begun spreading from its comfort zone in Asia to more global audiences in the Middle East, Africa, Europe, and the Americas. **a Year & other poems** Jos Charles,2022-03-15 From the celebrated author of *feeld* comes a formally commanding third collection, dexterously recounting the survival of a period suffused with mourning. Jos Charles's poems communicate with one another as neurons do: sharp, charged, in language that predates language. "A scandal / three cartons red / in a hedge / in / each the thousand eye research of flies." With acute lyricism, she documents how a person endures seemingly relentless devastation—California wildfires, despotic legislation, housing insecurity—amid illusions of safety. "I wanted to believe," Charles declares, "a corner a print leaned to / a corner can save / a people." Still the house falls apart. Death visits and lingers. Belief proves, again and again, that belief alone is not enough. Yet miraculously, one might still manage to seek—propelled by love, or hope, or sometimes only momentum—something better. There is a place where there are no futile longings, no persistent institutional threats to one's life. Poems might take us there; tenderness, too, as long as we can manage to keep moving. "A current / gives as much as it has," writes Charles—despite fire, despite loss. Harrowing and gorgeous, *a Year & other poems* is an astonishing new collection from a poet of "unusual beauty and lyricism" (New Yorker).

*Billionaire Baby Daddy* Claire Adams,101-01-01 Falling in love with her billionaire boss was the last thing she expected...especially since he was a single dad... Maddox Moore already made a name for himself as a chef and successful restaurant owner before life threw a wrench into his own plans, and now he's a multi-billionaire single father who doesn't have time for anything outside of work and his kiddo. After a night at a charity event, Maddox makes the sudden decision to bid on a date with a beautiful red-headed woman Evelyn, and twenty thousand dollars later, he wins her for the night. He soon realizes that one night isn't enough...he wants more of her. Too bad she's not interested...yet. Can Maddox win her over without spilling too many of his secrets in the process, or will his desire for her have him baring all?

**Under the Loving Care of the Fatherly Leader** Bradley K. Martin,2007-04-01 *Under the Loving Care of the Fatherly Leader* offers in-depth portraits of North Korea's two ruthless and bizarrely Orwellian leaders, Kim Il-Sung and Kim Jong-Il. Lifting North Korea's curtain of self-imposed isolation, this book will take readers inside a society, that to a Westerner, will appear to be from another planet. Subsisting on a diet short on food grains and long on lies, North Koreans have been indoctrinated from birth to follow unquestioningly a father-son team of megalomaniacs. To North Koreans, the Kims are more than just leaders. Kim Il-Sung is the country's leading novelist, philosopher, historian, educator, designer, literary critic, architect, general, farmer, and ping-pong trainer. Radios are made so they can only be tuned to the official state frequency. Newspapers are filled

with endless columns of Kim speeches and propaganda. And instead of Christmas, North Koreans celebrate Kim's birthday--and he presents each child a present, just like Santa. The regime that the Kim Dynasty has built remains technically at war with the United States nearly a half century after the armistice that halted actual fighting in the Korean War. This fascinating and complete history takes full advantage of a great deal of source material that has only recently become available (some from archives in Moscow and Beijing), and brings the reader up to the tensions of the current day. For as this book will explain, North Korea appears more and more to be the greatest threat among the Axis of Evil countries--with some defector testimony warning that Kim Jong-Il has enough chemical weapons to wipe out the entire population of South Korea.

Dr Mukti and Other Tales of Woe Will Self,2013-10-03 Shiva Mukti is a hardworking and conscientious psychiatrist, who, in the inauspicious surroundings of St Mungo's - a central London hospital of more than average decrepitude - does his level best to staunch the flow of mental illness. But Mukti is not a happy man, beset by thwarted ambition and sexual frustration, he now finds himself in thrall to the more successful and urbane Dr Zack Busner, consultant psychiatrist at Heath Hospital, and an originator of the once modish Quantity Theory of Insanity. Why is it that Busner seems so intent on fostering a professional relationship with Mukti? Is it his way of putting his junior colleague in his place? Or is Busner - as Mukti begins to suspect - a member of a sinister cabal? And what about the schizophrenic patients Busner refers to Mukti for his opinion, are they merely sick people, or in fact human weapons in a bizarre psychological duel?

**Clown Paintings** Diane Keaton,2002 With texts by premier comedians such as Steve Martin, Jay Leno, Woody Allen, Goldie Hawn, Lisa Kudro, Whoopi Goldberg, Gary Shandling, Martin Short and more. CLOWN PAINTINGS is a twisty illustrated book that showcases 65 full-colour, outrageously compelling clown portraits, painted by amateurs and selected by actor and director Diane Keaton. By turns hilarious and heartfelt, joyful and mortifying, Keaton found herself as mesmerised by their mute eloquence as by their bad taste, and culled these wild images from her own private collection.
