*The Starless Sea* Erin Morgenstern,2019-11-05 NATIONAL BESTSELLER • From the bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

*Witz (American Literature Series)* Joshua Cohen,2010-05-11 One of the great comic epics of our time: the Last Jewish Novel about the Last Jew in the World. On Christmas Eve 1999, all the Jews in the world die in a strange, millennial plague, with the exception of the firstborn males, who are soon

adopted by a cabal of powerful people in the American government. By the following Passover, however, only one is still alive: Benjamin Israelien; a kindly, innocent, ignorant man-child. As he finds himself transformed into an international superstar, Jewishness becomes all the rage: matzo-ball soup is in every bowl, sidelocks are hip; and the only truly Jewish Jew left is increasingly stigmatized for not being religious. Since his very existence exposes the illegitimacy of the newly converted, Israelien becomes the object of a worldwide hunt . . . Meanwhile, in the not-too-distant future of our own, “real” world, another last Jew—the last living Holocaust survivor—sits alone in a snowbound Manhattan, providing a final melancholy witness to his experiences in the form of the punch lines to half-remembered jokes.

**SCUM Manifesto** Valerie Solanas, 2016-04-05 Classic radical feminist statement from the woman who shot Andy Warhol “Life in this society being, at best, an utter bore and no aspect of society being at all relevant to women, there remains to civic-minded, responsible, thrill-seeking females only to overthrow the government, eliminate the money system, institute complete automation and destroy the male sex.” Outrageous and violent, SCUM Manifesto was widely lambasted when it first appeared in 1968. Valerie Solanas, the woman who shot Andy Warhol, self-published the book just before she became a notorious household name and was confined to a mental institution. But for all its vitriol, it is impossible to dismiss as the mere rantings of a lesbian lunatic. In fact, the work has proved prescient, not only as a radical feminist analysis light years ahead of its time—predicting artificial insemination, ATMs, a feminist uprising against underrepresentation in the arts—but also as a stunning testament to the rage of an abused and destitute woman. In this edition, philosopher Avital Ronell’s introduction reconsiders the evocative exuberance of this infamous text.

**Kingdom Hearts X: Your Keyblade, Your Story The Novel (light novel)** Tomoco Kanemaki, Tetsuya Nomura, Kazushige Nojima, 2019-12-24 Long, long ago, when all the worlds were still one, there was a place called Daybreak Town. But then, one day, you made an unusual new friend who warned you there was more to this world than met the eye. Meanwhile, conflict was building among the Foretellers and Unions, one that threatened everyone’s future—including yours.

*The Singing Bone* R. Austin Freeman,2012-09-30 In the topsy turvy world of 'The Singing Bone', Freeman presents us with a solution. *The Lamb's Supper* Scott Hahn,2002-06-18 As seen on EWTN, bestselling author Scott Hahn unveils the mysteries of the Mass, offering readers a deeper appreciation of the most familiar of Catholic rituals. Of all things Catholic, there is nothing that is so familiar as the Mass. With its unchanging prayers, the Mass fits Catholics like their favorite clothes. Yet most Catholics sitting in the pews on Sundays fail to see the powerful supernatural drama that enfolds them. Pope John Paul II described the Mass as Heaven on Earth, explaining that what we celebrate on Earth is a mysterious participation in the heavenly liturgy. The Lamb's Supper reveals a long-lost secret of the Church: The early Christians' key to understanding the mysteries of the Mass was the New Testament Book of Revelation. With its bizarre imagery, its mystic visions of heaven, and its end-of-time prophecies, Revelation mirrors the sacrifice and celebration of the Eucharist. Beautifully written, in clear direct language, bestselling Catholic author Scott Hahn's new book will help readers see the Mass with new eyes, pray the liturgy with a renewed heart, and enter into the Mass more fully, enthusiastically, intelligently, and powerfully than ever before.

*Contradictionary* CrimethInc. Ex-Workers' Collective,2013-03-15 Whence do Stockholm Syndrome and Broken Window Theory derive their names? What is the common root of aristocracy and democracy? Who gets diagnosed with Anarchia and Drapetomania? How did voting kill Edgar Allen Poe, and why is a crater on the dark side of the moon named for the man who blew up the Tsar? Alternately scathing and sublime, *Contradictionary* pulls back the curtain from the war within every word, revealing the conflict behind the façade of the commonplace. In the tradition of *The Devil's Dictionary*, *Contradictionary* assembles a wide range of wit and whimsy. This is no mere miscellany, but a lighthearted work of serious literature, concentrating a wealth of ideas and history into aphorisms and anecdotes.
