A Stuttering Revolution Paul Gaskin,2023-11-27 Feel like your stutter dominates every waking second of your life? You're not alone. An estimated 70 million adults world-wide have a stutter. Many believe their lives will be significantly limited by the way they speak, but it doesn't have to be that way. Paul Gaskin stopped trying to 'fix' his own stutter aged 17, and over a long and successful career has designed a unique, five-step road map to help him become so much more than his stutter: it can help you do the same. This is a powerful and practical book that focuses on what you love to do and guides you to create the life you really want and deserve.

Working at the local cinema, she saves her pennies so she can have a chance to get ahead. After she's attacked one night while locking up the cinema, she loses her heart to her dashing rescuer... But this lovely man is as different from her as can be. When the town is divided, pitting the wealthy elite against the poor working class folk like Lily, she finds her allegiance is torn. And worse: the looming threat of war threatens to separate them forever. Will the dangerous times rob a young woman of her only chance at love?
