The Last Lecture Randy Pausch,2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

The Other Person in the Picture Philip Walker Jacobs,2022-09-14 In this thought-provoking and beautifully illustrated volume, Jacobs invites us to reconsider the significance of Joseph of Nazareth and the role and influence he had in the life of Jesus. Relying on a careful reading of Scripture and recent archaeological studies, he challenges the historic and contemporary assumptions of those who have sought, through their writing and art, to marginalize Joseph and his importance in Christian history and the life of the church. Recognizing that Joseph is often minimized or left out of religious and cultural representations of the holy family, in plays and in Christmas cards, he reminds us that like Mary, Joseph was chosen by God to care, teach, and shape the one who would bring salvation and hope to the world. In the process, Jacobs encourages us to see Joseph as Scripture presents him--as believer, dreamer, prayer, protector, teacher, husband, and father--and as more than just the other person in the picture.

A Savage Generation David Tallerman,2019-09-26 Sickness is ravaging America, driving the infected to savagery. Petty criminal Ben Silensky is determined to get his girlfriend Carlita and son Kyle free of the quarantined city they live in, enough so to risk a foolhardy crime and then to team up with Carlita's equally desperate cop cousin Nando. Once they're out, Nando is certain they'll find a place in the open prison where his uncle works, unbeknownst to him already become a survivalist colony named Funland under the management of entrepreneurial convict Plan John. In Funland itself, guard Doyle Johnson is shocked when his ex-wife abandons his son Austin into his care. Fearing the vulnerable position he's been placed in, he recruits the help of Katherine Aaronovich, the former prison's doctor. But Aaronovich's traumatic past has left her with vulnerabilities of her own, along with radical theories on the nature of the epidemic that will place all their lives in jeopardy. As the last vestiges of civilisation crumble, Funland may prove to be the safest or the most dangerous of places, depending on who comes out on top - and what can't be held together will inevitably be torn apart. Before We Were Strangers Renée Carlino,2015-08-18 From the USA TODAY bestselling author of *Sweet Thing* and *Nowhere But Here* comes a love story about a Craigslist "missed connection" post that gives two people a second chance at love fifteen years after they were separated in New York City. To the Green-eyed Lovebird: We met fifteen years ago, almost to the day, when I moved my stuff into the NYU dorm room next to yours at Senior House. You called us fast friends. I like to think it was more. We lived on nothing but the excitement of finding ourselves through music (you were obsessed with Jeff Buckley), photography (I couldn't stop taking pictures of you), hanging out in Washington Square Park, and all the weird things we did to make money. I learned more about myself that year than any other. Yet, somehow, it all fell apart. We lost touch the summer after graduation when I went to South America to work for National Geographic. When I came back, you were gone. A part of me still wonders if I pushed you too hard after the wedding... I didn't see you again until a month ago. It was a Wednesday. You were rocking back on your heels, balancing on that thick yellow line that runs along the subway platform, waiting for the F train. I didn't know it was you until it was too late, and then you were gone. Again. You said my name; I saw it on your lips. I tried to will the train to stop, just so I could say hello. After seeing you, all of the youthful feelings and memories came flooding back to me, and now I've spent the better part of a month wondering what your life is like. I might be totally out of my mind, but would you like to get a drink with me and catch up on the last decade and a half? M

Septology Jon Fosse,2022-10-01 The celebrated Norwegian novelist's magnum opus, shortlisted for the International Booker Prize, published in one volume for the first time. What makes us who we are? And why do we lead one life and not another? Asle, an ageing painter and widower who lives alone on the southwest coast of Norway, is reminiscing about his life. His only friends are his neighbour, Åsleik, a traditional fisherman-farmer, and Beyer, a gallerist who lives in the city. There, in Bjørgvin, lives another Asle, also a painter but lonely and consumed by alcohol. Asle and Asle are doppelgängers – two versions of the same person, two versions of the same life, both grappling with existential questions about death, love, light and shadow, faith and hopelessness. Jon Fosse's Septology is a transcendent exploration of the human condition, and a radically other reading experience – incantatory, hypnotic and utterly unique. 'Jon Fosse is a major European writer.' – Karl Ove Knausgaard 'The Beckett of the twenty-first century.' – Le Monde 'An extraordinary seven-novel sequence about an old man's recursive reckoning with the braided realities of God, art, identity, family life and human life itself...the culminating project of an already major career.' – Randy Boyagoda, New York Times 'A major work of Scandinavian fiction ...Fosse has written a strange mystical moebius strip of a novel, in which an artist struggles with faith and loneliness, and watches himself, or versions of himself, fall away into the lower depths.' – Hari Kunzru 'I hesitate to compare the experience of reading these works to the act of meditation. But that is the closest I can come to describing how something in the critical self is shed in the process of reading Fosse, only to be replaced by something more primal. A mood. An atmosphere. The sound of words moving on a page.' – Ruth Margalit, The New York Review of Books

Into the Wild Jon Krakauer,2009-09-22 NATIONAL BESTSELLER • In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. Four months later, his decomposed body was found by a moose hunter. This is the unforgettable story of how Christopher Johnson McCandless came to die. It may be nonfiction, but Into the Wild is a mystery of the highest order. —Entertainment Weekly McCandless had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Not long after, he was dead. Into the Wild is the mesmerizing, heartbreaking tale of an enigmatic young man who goes missing in the wild and whose story captured the world's attention. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
