Crying in H Mart Michelle Zauner, 2021-04-20 #1 NEW YORK TIMES BESTSELLER • From the indie rock sensation known as Japanese Breakfast, an unforgettable memoir about family, food, grief, love, and growing up Korean American—“in losing her mother and cooking to bring her back to life, Zauner became herself” (NPR). • CELEBRATING OVER ONE YEAR ON THE NEW YORK

TIMES BESTSELLER LIST In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Home Is Where the Eggs Are Molly Yeh, 2022-09-27 NEW

YORK TIMES BESTSELLER From the host of Food Network's Girl

Meets Farm and bestselling author of the IACP award-winning

Molly on the Range, a collection of cozy recipes that feel like

celebrations. Home Is Where the Eggs Are is a beautiful, intimate

book full of food that's best enjoyed in the comfort of sweatpants

and third-day hair, by a beloved Food Network host and new mom

living on a sugar beet farm in East Grand Forks, MN. Molly Yeh's

cooking is built to fit into life with her baby, Bernie, and the

naptimes, diaper changes, and wiggle time that come with having a

young child, making them a breeze to fit into any sort of schedule,

no matter how busy. They're low-maintenance dishes that are

satisfying to make for weeknight meals to celebrate empty to-do

lists after long workdays, cozy Sunday soups to simmer during the

first (or seventh!) snowfall of the year, and desserts that will keep

happily under the cake dome for long enough that you will never

feel pressure to share. The flavors in this book draw inspiration

from a distinctive blend of Molly's experiences—her Chinese and

Jewish heritage, her time living in New York, her husband's

Scandinavian heritage, and their farm in the upper Midwest. She

uses seasonal ingredients that are common in her region while

singlehandedly supporting the za'atar and sumac import industry in her small town. These influences come together into fuss-free crave-able meals that dirty as few dishes as possible and offer loads of prep-ahead, freezing, and substitution tips, such as: Babka Cereal Mozzarella Stick Salad Doughnut Matzo Brei Ham and Potato Pizza Chicken and Stars Soup Orange Blossom Creamsicle Smoothies Hand-pulled Noodles with Potsticker Filling Sauce Marzipan Chocolate Chip Cookies In Home Is Where the Eggs Are, the feeling of home starts in the kitchen; just melt some butter, fry an egg, and build a little memory around it.

The Red Rooster Cookbook Marcus Samuelsson, Roy

Finamore, April Reynolds, 2016-10-18 Southern comfort food and multicultural recipes from the New York Times best-selling superstar chef Marcus Samuelsson's iconic Harlem restaurant. When the James Beard Award-winning chef Marcus Samuelsson opened Red Rooster on Malcolm X Boulevard in Harlem, he envisioned more than a restaurant. It would be the heart of his neighborhood and a meet-and-greet for both the downtown and the uptown sets, serving Southern black and cross-cultural food. It would reflect Harlem's history. Ever since the 1930s, Harlem has been a magnet for more than a million African Americans, a melting pot for Spanish, African, and Caribbean immigrants, and a mecca for artists. These traditions converge on Rooster's menu, with Brown Butter Biscuits, Chicken and Waffle, Killer Collards, and Donuts with Sweet Potato Cream. They're joined by global-influenced dishes such as Jerk Bacon and Baked Beans, Latino Pork and Plantains, and Chinese Steamed Bass and Fiery Noodles. Samuelsson's Swedish-Ethiopian background shows in Ethiopian Spice-Crusted Lamb, Slow-Baked Blueberry Bread with Spiced Maple Syrup, and the Green Viking, sprightly Apple Sorbet with Caramel Sauce. Interspersed with lyrical essays that convey the flavor of the place and stunning archival and contemporary

photos, The Red Rooster Cookbook is as layered as its inheritance.

Manresa David Kinch, Christine Muhlke, 2013-10-22 The long-awaited cookbook by one of the San Francisco Bay Area's star chefs, David Kinch, who has revolutionized restaurant culture with his take on the farm-to-table ethic and focus on the terroir of the Northern California coast. Since opening Manresa in Los Gatos in 2002, award-winning Chef David Kinch has done more to create a sense of place through his food—specifically where the Santa Cruz Mountains meet the sea—than any other chef on the West Coast. Manresa's thought-provoking dishes and unconventional pairings draw on techniques both traditional and modern that combine with the heart of the Manresa experience: fruits and vegetables. Through a pioneering collaboration between farm and restaurant, nearby Love Apple Farms supplies nearly all of the restaurant's exquisite produce year round. Kinch's interpretation of these ingredients, drawing on his 30 years in restaurants as well as his far-flung and well-fed travels, are at the heart of the Manresa experience. In Manresa, Chef Kinch details his thoughts on building a dish: the creativity, experimentation and emotion that go into developing each plate and daily menu—and how a tasting menu

ultimately tells a deeper story. A literary snapshot of the restaurant, from Chef Kinch's inspirations to his techniques, Manresa is an ode to the mountains, fields, and sea; it shares the philosophies and passions of a brilliant chef whose restaurant draws its inspiration globally, while always keeping a profound connection to the people, producers, and bounty of the land that surrounds it.

These Precious Days Ann Patchett, 2021-11-23 The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike. —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short

story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom’s brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer’s eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo’s children’s books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz’s Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author’s grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Think Like a Monk Jay Shetty, 2020-09-08 Jay Shetty, social media superstar and host of the #1 podcast On Purpose, distills the timeless wisdom he learned as a monk into practical steps anyone can take every day to live a less anxious, more meaningful life. When you think like a monk, you'll understand: -How to overcome negativity -How to stop overthinking -Why comparison kills love -How to use your fear -Why you can't find happiness by looking for it -How to learn from everyone you meet -Why you are not your thoughts -How to find your purpose -Why kindness is crucial to success -And much more... Shetty grew up in a family where you could become one of three things—a doctor, a lawyer, or a failure. His family was convinced he had chosen option three: instead of attending his college graduation ceremony, he headed to

India to become a monk, to meditate every day for four to eight hours, and devote his life to helping others. After three years, one of his teachers told him that he would have more impact on the world if he left the monk's path to share his experience and wisdom with others. Heavily in debt, and with no recognizable skills on his re[sume], he moved back home in north London with his parents. Shetty reconnected with old school friends—many working for some of the world's largest corporations—who were experiencing tremendous stress, pressure, and unhappiness, and they invited Shetty to coach them on well-being, purpose, and mindfulness. Since then, Shetty has become one of the world's most popular influencers. In 2017, he was named in the Forbes magazine 30-under-30 for being a game-changer in the world of media. In 2018, he had the #1 video on Facebook with over 360 million views. His social media following totals over 38 million, he has produced over 400 viral videos which have amassed more than 8 billion views, and his podcast, On Purpose, is consistently ranked the world's #1 Health and Wellness podcast. In this inspiring, empowering book, Shetty draws on his time as a monk to show us how we can clear the roadblocks to our potential and power. Combining ancient wisdom and his own rich experiences in

the ashram, *Think Like a Monk* reveals how to overcome negative thoughts and habits, and access the calm and purpose that lie within all of us. He transforms abstract lessons into advice and exercises we can all apply to reduce stress, improve relationships, and give the gifts we find in ourselves to the world. Shetty proves that everyone can—and should—think like a monk.

The Automat Lorraine B. Diehl, Marianne Hardart, 2002 On the 100th birthday of Horn & Hardart, a look back at one of America's most beloved institutions A coin-operated glass-and-chrome wonder, Horn & Hardart's Automats revolutionized the way Americans ate when they opened up in Philadelphia and New York in the early twentieth century. In a country where the industrial revolution had just taken hold, eating at a restaurant with self-serving vending machines rather than waitresses and Art Deco architecture instead of stuffy dining rooms was an unforgettable experience. The Automat served freshly made food for the price of a few coins, and no one made a better cup of coffee. By the peak of its popularity—from the Great Depression to the post-war years—the Automat was more than an inexpensive place to buy a good meal; it was a culinary treasure, a technical marvel, and an emblem of the times. The Automat will take readers back to the

days of Charles Lindbergh and Babe Ruth, Walter Winchell and Jack Benny, the Brooklyn Dodgers and shows at Radio City. Through beautiful archival photography, candid interviews, delicious recipes, and wonderfully evocative memorabilia, Lorraine Diehl and Marianne Hardart bring to life a time when a handful of nickels and the twist of a wrist bought a good square meal—Macaroni and Cheese, Boston Baked Beans, Chicken Pot Pie, Rice Pudding, and all the other favorites whose recipes are in these pages. The Automat was a true American treasure, and here is its tribute. “I have always thought that the Automat in New York has the best scrambled eggs in the world.” —Gregory Peck “To have your own stack of nickels placed in your tiny hands; to be able to choose your own food, richly on display like museum pieces; to make quick and final decisions at the age of eight; this was a lesson in financial dealings that not even two years at the Wharton School could buy today.” —Neil Simon “Oh, be still my heart! I used to shine shoes when I was fourteen years old. And when I was a little ahead, I would stop at Horn & Hardart.” —Tony Curtis “I lived at the Automat. They had the greatest chocolate milk. When I moved to Philadelphia, I apportioned less than two dollars a day to eat on, and the Automat was the only place I could do it.” —Dick Clark “I

went to the Automat all the time. I grew up going to the Automat. The food was delicious. And it was wonderful.” —Woody Allen
“The first time I came to New York, I had a meal at the Automat. I had heard about the Automat, and I had to go see what it was all about.” —Leonard Nimoy “I had the same lunch every day: three vegetables, a roll, and cocoa. All for twenty-five cents.” —Jerome Robbins

Limelight Amy Poeppel, 2019-05-14 In a smart and funny novel by the author of the critically acclaimed “big-hearted, charming” (The Washington Post) *Small Admissions*, a family’s move to New York City brings surprises and humor. Allison Brinkley—wife, mother, and former unflappable optimist—discovers that her decision to pack up and move her family from suburban Dallas to the glittery chaos of Manhattan may have been more complicated than she and her husband initially thought. New York is more unruly and bewildering than she expected, defying the notions she developed from romantic movies and a memorable childhood visit. After a humiliating call from the principal’s office and the loss of the job she was counting on, Allison begins to accept that New York may not suit her after all. When she has a fender-bender, witnessed by a flock of mothers at her son’s new school, she is led

to the penthouse apartment of a luxurious Central Park West building and encounters a spoiled, hungover, unsupervised teenager who looks familiar. It doesn't take long to recognize him as Carter Reid—a famous pop star who has been cast in a new Broadway musical. Through this brush with stardom, Allison embraces a unique and unexpected opportunity that helps her find her way in the heart of Manhattan. “A tribute to Broadway, teen celebrity life, and a mother who has now seen it all, this work is tough love at its finest and a great read for those wanting a ride on the wild side” (Booklist, starred review).

Midnight in the Garden of Good and Evil John

Berendt, 1994-01-13 NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review

Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining

first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.
