White Pearl Anchuli Felicia King,2022-11-08 It's just a fun ad. Now the whole world is going crazy. In Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they've got to get it taken down before America wakes up.

**Puella Magi Oriko Magica, Vol. 1** Magica Quartet,2015-05-19 Oriko, a magical girl with the gift of foresight, knows the fate that awaits all who accept Kyubey's offer of supernatural powers. But when she is struck with a terrible vision of the future-of the devastation caused by a single, powerful witch-she decides to prevent the girl from becoming a magical girl in the first place. To draw Kyubey away from the girl's potential, Oriko directs him instead to Yuma, an orphan who is all too eager to gain powers that will enable her to protect herself-powers that will ultimately lead to her own destruction...

*Eight Ghosts* Sarah Perry,Jeanette Winterson,Mark Haddon,Max Porter,2017-09-28 Rooted in place, slipping between worlds - a rich collection of unnerving ghosts and sinister histories. 'An impressive line-up of established and emerging names.' The Sunday Times 'These eerie, unsettling stories are guaranteed to send shivers down your spine.' Daily Express Eight authors were given the freedom of their chosen English Heritage site, from medieval castles to a Cold War nuclear bunker. Immersed in the past and chilled by rumours of hauntings, they channelled their darker imaginings into a series of extraordinary new ghost stories. 'Subtly evocative of human relations loss, grief, or the fear of loneliness.' TLS 'A satisfying and spooky read.' Sun Also includes a gazetteer of English Heritage properties which are said to be haunted.

**HANAMONOGATARI** NISIOISIN,2019-10-08 Our sorry hero, his reformed girlfriend, and the amnesiac class president have all graduated from their high school out in the boondocks, and self-described Sapphist and ex-basketball ace Kanbaru, retired by reason of an “injury,” is starting her senior year and the narrator of this volume—her voice far more introspectivethan the smutty jock’s we thought we knew. Bereft of the company of her beloved mentors, the only other person around her with any working knowledge of aberrations the junior Ogi Oshino, apparently a relative of the Hawaiian-shirted folklorist, she feels a bit alone and blue, and sick with dread that the devil residing in her left arm courtesy of the Monkey’s Paw might act up again while she sleeps. Investigating a rumor that she fears might lead back to her, the former star ends up peering into an abyss of negativity called Roka—a “wax flower” to take the characters’ meaning. Trapped in a pit the like of which could only be escaped by the one girl who was able to pull off slam-dunks in her basketball nationals, can the penitent Kanbaru, however, still be aggressive?

**NEKOMONOGATARI (WHITE)** NISIOISIN,2019-10-08 Launching into new territory that the author hadn’t mapped out when he embarked on the series, NEKOMONOGATARI (White) tells the tale of heroine Tsubasa Hanekawa from her own perspective, in her own voice—if that can hold true for a damaged soul who, depending on who you’re asking, suffers from a split personality or a supernatural aberration. The bone-chilling brokenness of her household, where father and mother and daughter keep three separate sets of cookware in the same kitchen and only ever prepare their own meals, and the profound darkness nurtured in the genius schoolgirl’s heart, come to life, if that is the word, through her self-vivisection. As for our customary unreliable narrator, Araragi, we seem to learn revealing tidbits about him now that we have an outside view of him at last, while his lady friends Senjogahara, Hachikuji, et al, freed from his predilection for proudly inane banter, show subtly new faces to us via their female interlocutor. Welcome to the Second Season.

**Tank Engine Thomas Again** W. Awdry, 2015-04-16 Thomas the Tank Engine and his friends remain as popular as ever, loved by millions all over the world. Now rediscover the classic stories about the world's best-loved tank engine with these stunning new hardback editions of the original 'Railway Series'. In Tank Engine Thomas Again, Thomas proudly runs up and down his very own branch line. He runs into trouble along the way... but he also makes some new friends, and all turns out happily in the end! Thomas the Tank Engine has been delighting generations of children for over 70 years. It all began as a story made up by the Reverend W. Awdry to entertain his son when he had measles. Now millions of people across the world have grown up with the tales of Sodor Island, enchanted by the adventures of Thomas and his friends, Percy, Gordon, and Toby, and all the other engines that work on the Fat Controller's railway. Have you collected all the adventures in the Railway Series? Thomas the Tank Engine Troublesome Engines James the Red Engine Tank Engine Thomas Again The Three Railway Engines

**Wandering Witch 02 (Manga)** Jougi Shiraishi, Itsuki Nanao, 2020-12-08 A gentle and beguiling tale of a young witch's travels, based on a best-selling light novel series. As the wandering witch Elaina continues on her travels, she meets a boy who collects happiness in a bottle to give to someone he loves, a bedridden young man who makes peace with his end, and a mysterious princess in the royal palace of a ruined country. When travel fatigue begins to set in, Elaina reunites with her mentor Fran, the Stardust Witch, who rekindles Elaina's passion for her journey.

**Troublesome Engines** W. Awdry, 2015-04-16 Thomas the Tank Engine and his friends remain as popular as ever, loved by millions all over the world. Now rediscover the classic stories about the world's best-loved tank engine with these stunning new hardback editions of the original 'Railway Series'. In Troublesome Engines, Henry meets an elephant, James spins like a top and a new engine called Percy comes to the rescue ...by running away! Thomas the Tank Engine has been delighting generations of children for over 70 years. It all began as a story made up by the Reverend W. Awdry to entertain his son when he had measles. Now millions of people across the world have grown up with the tales of Sodor Island, enchanted by the adventures of Thomas and his friends, Percy, Gordon, and Toby, and all the other engines that work on the Fat Controller's railway. Have you collected all the adventures in the Railway Series? Thomas the Tank Engine; Troublesome Engines; James the Red Engine; Tank Engine Thomas Again; and, The Three Railway Engines. Also look out for the Railway Series Boxed Set.

**TSUKIMONOGATARI** NISIOISIN, 2019-10-08 Launching the third or "Final Season" of the international cult-hit series, Possession Tale returns the narrator's headset back to high school senior and amateur savior Koyomi Araragi, who used to eschew friendship once upon a time because it'd lower his "intensity as a human"—a loner's misgiving that was perhaps on the mark in a different way than he intended. At issue now is not the precarious fate of one of his cherished confrères, or rather consœurs, whom he'd aid, sight unseen, with a monster's resilience, but his own aberrant state and its prolonged abuse. If everything comes with a bill, and if no man is an island, then is the price of self-sacrificing amity—and the bloodshed it ironically occasions—becoming inhuman for good? That being said! Our hero, whose first name means "calendar" but who has none in his room, sees no need to rush, so, on our way to the profound mysteries of the superhuman aspect, expect a super-shallow deconstruction of the alarm clock. On hand this volume to (hardly ever) humor his humor: his little sisters, a living doll of a corpse, and its violent mistress.

**Henry's Forest** W. Awdry, 1994 A storm destroys the forest near the railway line, but the engines work hard to replant the trees, and soon the forest is a happy place again in this photographic board book featuring Thomas the Tank Engine.

**Mountain Engines** W. Awdry, 2004 A collection of four stories chronicling the adventures of several railway engines.

**Thomas and Victoria** Christopher Awdry, Clive Spong, 2007 With four new stories and Clive Spong's stunning illustrations of Thomas and the new vintage coach, Victoria, this book is a must have for all fans. Toby and Henrietta are overcrowded carrying the workmen from the Quarry. The Fat Controller and the Quarry Manager don't know what to do, but Thomas finds the perfect solution when he meets Victoria - a lovely, old carriage.

While Victoria is being renovated, Daisy discovers that she doesn't like snakes very much when a whole boxful of eels escape on to the platform! And once finished, Victoria, Toby and Henrietta become Sodor's Vintage Train.

**KABUKIMONOGATARI** NISIOISIN,2019-10-08 How far does one go to help a lost child? In the case of returning narrator Araragi, the answer is too far, across the veil of time. Dutifully (if unknowingly) following up on Hachikuji's cheeky foreshadowing, he concerns himself with his young lady friend and her fate in this installment of the cult-hit series, heroically unable, once again, to find his own way home. Thus the tale is also, or more so, about the journey itself, the dark honeymoon of a trip he takes into the past with the dweller in his shadow, Shinobu. Even among a cast that routinely disrespects chronology with their meta-commentary, she takes the cake, or the donut, by rewinding the clock for a perverse road movie, one that by and large goes nowhere, spatially. It's Kabuki not as in the theater, but with the character for "tilt"—as in a slanted attitude toward the world, the posture of a bohemian. Or, perhaps, of a legendary vampire who once sought death, and of a high school senior who once tuned out life doing their dandy best to attend to an embarrassing wealth of aberrations in a provincial town.

*The Island of Sodor* W. Awdry, George Awdry, 1987

**ONIMONOGATARI** NISIOISIN,2019-10-08 It, like the dark that makes up most of the cosmos, is not an aberration. Nonbeing can swallow you whole, yet if anything, it's the anti-aberration. Darkness, in fact, is the Law, an executioner from whom a mark can try to run and hide, but only for so long. When it comes calling, the fortunate just might have the time to say goodbye. And the Darkness is—here now. Before ever visiting Japan to find a place to die, four centuries, indeed, before her failed suicide attempt, the legendary vampire Kisshot literally stepped foot on the land of the rising sun with an epic jump that ended a lonely sojourn in Antarctica. It was back in those days that the proud noble created her first thrall. It was then, too, that she first met the Darkness. Having messed with a more recent past with her help, and returning to the present to reunite with two more characters that look like little girls but are actually his elders, Thrall No. 2 Araragi reclaims the mic only to cede it in large part to the bloodsucking demon who goes by "Shinobu" these days. Her story, though, may not even be the most poignant one told herein.

**Arry and Bert** W. Awdry, 2006-04 This series of little books is based on the original Awdry books but retold for a younger audience.
