It's Been a Pleasure, Noni Blake Claire Christian, 2021-02-23 A vibrant story of self-discovery...sure to capture readers' hearts.—Publishers Weekly, starred review A sparkling, feel-good tale about starting over, for anyone who's spent too much of their own life making other people happy. What if you made yourself your number one priority? Of all the women and men Noni Blake has pleased in her life, there's one she's often overlooked—herself. After the end of a decade-long relationship, Noni decides it's time for that to change. She's finally going to prioritize her wants and desires and only do things (and people) that feel good in the moment. As she embarks on a pleasure-seeking quest that takes her halfway around the world, she discovers that maybe she can have everything, and everyone, she's ever wanted. Effortlessly hilarious and relatable, Claire Christian spins a fresh, uplifting story about starting over as a thirtysomething woman who's been living life for everyone else. A story of self-discovery for the ages, Noni's journey serves as a reminder that life is what we make of it—so why not enjoy it? Funny, refreshing and empowering.—Lindsey Kelk Pure pleasure...sexy and joyful.—BookPage, starred review

Collected Stories Shirley Hazzard, 2020-11-03 Collected Stories includes both volumes of the National Book Award-winning author Shirley Hazzard's short-story collections—Cliffs of Fall and People in Glass Houses—alongside

uncollected works and two previously unpublished stories Shirley Hazzard's *Collected Stories* is a work of staggering breadth and accomplishment. Taken together, these twenty-eight short stories are masterworks in telescoping focus, ranging from quotidian struggles between beauty and pragmatism to satirical send-ups of international bureaucracy, from the Italian countryside to suburban Connecticut. Hazzard's heroes are high-minded romantics who attempt to fit their feelings into the twentieth-century world of office jobs and dreary marriages. After all, as she writes in *The Picnic*, It was tempting to confine oneself to what one could cope with. And one couldn't cope with love. And yet it is the comedy, the tragedy, and the splendor of love, the pursuit and the absence of it, that animates Hazzard's stories and provides the truth and beauty that her protagonists seek. Hazzard once said, The idea that somebody has expressed something, in a supreme way, that it can be expressed; this is, I think, an enormous feature of literature. Her stories themselves are a supreme evocation of writing at its very best: probing, uncompromising, and deeply felt.

How Do I Put it On? Shigeo Watanabe, Yasuo Ohtomo, 1993 A bear demonstrates the right and wrong ways to put on shirt, pants, cap, and shoes.

To My Country Ben Lawson, Bruce Whatley, 2020-12-01 Ben Lawson was preparing for another Christmas away from home when the Black Summer bushfires began to burn their way across Australia's eastern coast. As the bushfires continued to rage into the new year on an unprecedented scale, Ben, feeling angry,

helpless and broken-hearted as he watched the devastation from across the ocean, sat down and put his feelings into words. To My Country is an ode to the endurance of the Australian spirit and the shared love of our country. In the true Aussie spirit, Ben and Allen & Unwin will be donating proceeds of To My Country to The Koala Hospital. 'A delightful love letter to a homeland: the kind only an Australian could write. Full of humour, charm and deeply felt belonging. And to think of all the orphaned koalas who will benefit from you buying and enjoying this wonderful little book ...' -Stephen Fry- 'An impassioned cry from the big, kind heart of a big, kind man.' -Tim Minchin- 'Ben Lawson's love of his homeland inspires us all to think of our own roots . . . and the need to protect them.' -Dolly Parton- 'Ben Lawson's book is a heartfelt reminder of how desperately we need to think about our future as a country. His sincerity is moving. I dare you not to cry.' -Julia Stone- 'Ben Lawson writes in the tradition of his namesake Henry Lawson; an eloquent bush ballad that mourns the tragic fate of one billion bushfire victims.' -Barry Humphries-

Media Convergence in Japan Various, 2016-05-20 The Japanese media system is in a state of flux as a result of shifts in the digital economy, new audience metrics and declining print and broadcast revenues. This volume examines issues of media consolidation, participatory culture and franchising in contemporary Japan, and explores how the Japanese media system is adapting to change in light of its tendency toward prioritizing domestic markets,

restricting access and co-opting fan movements. The chapters consider conflict and negotiations within the Japanese media system, structural transformations, emerging modes of producer and audience relations and potential sites of innovation.
