Frederick McCubbin- Whisperings in Wattle Boughs Lisa Sullivan,2021-09-04 This publication accompanies two exhibitions that celebrate the 125th anniversary of the establishment of Geelong Gallery in 1896; that honour one of the first and greatest acquisitions to enter the collection; and that assert this Gallery's enduring commitment to the critical visions of contemporary artists.Frederick McCubbin-Whisperings in wattle boughs takes its lyrical title from McCubbin's quietly mesmerising painting of 1886, in which he depicts a solitary man in repose, contemplating the earth, listening to the rustling of the bush around him while his tea boils in the billy nearby. This evocative work sets the tone for an exhibition centred on one of the treasures of Geelong Gallery: McCubbin's much loved A bush burial 1890, the first major painting to enter the Gallery's collection, purchased through public subscription in 1900. A bush burial is brought into dialogue with a selection of other now-iconic paintings in which McCubbin redefined the Australian bush and elaborated the place and roles of human subjects within it. It is, therefore, a focussed thematic survey rather than a broad ranging retrospective of McCubbin's output and follows two recent Geelong-curated scholarly thematic exhibitions: Land of the Golden Fleece- Arthur Streeton in the Western Districts (2016) and Fred Williams in the You Yangs (2017).

Death on Denial E.J. Russell,2022-03-27 DOA becomes BRB when this client goes MIA... When I agreed to accompany my selkie boyfriend on a private boat trip, I didn't realize the invitation included a swim. In the Pacific. In November. Naked. And I certainly didn't expect to have our swim derailed the instant I got in the water—holy crap, that's c-c-cold—by a literal boatload of selkie clan leaders. Climbing out of the water in front of them—did I mention naked? Yeah, way to make a brilliant first impression. Then things get worse: I get served. Not in the metaphorical sense, either. Nope, I'm being sued. By Death. Well, not Death precisely, but an Ankou—a Celtic psychopomp who escorts the departed to their final destinations. This guy is miffed that his workload has increased exponentially, which he blames on my actions in Sheol on an earlier case. I'm not about to take the heat when eons of shady demon shenanigans finally come home to roost, but here at Quest Investigations, we aid any and all supernatural folk in need—especially if they'll drop their specious lawsuits against the agency's lone human. When the Ankou skips out on us, though, all hell breaks loose. Because without anyone to lead them on, the dearly departed become nearly departed and stick around to party hearty. Now it's not just

the selkie leaders complicating my love life—it's the ex-living as well. And when one of the ex-living decides not to remain ex? Things get really complicated, not to mention deadly. Dammit. Death on Denial is the fourth in the Quest Investigations M/M mystery series, a spinoff of E.J. Russell's Mythmatched paranormal rom-com story world. It contains no on-page sex or violence, and although there is a romantic subplot, it is not a romance. The series is best read in order.

Warning Jenny Joseph,2021-11-18 'Utterly charming and uplifting' The Good Book Guide Voted Britain's favourite poem, 'Warning', written in 1961, is known and loved the world over for its message of old age as a time for indulgence and fun. In the poem's respectable middle-aged woman, as she imagines herself in old age as a cheeky rebel with outrageous clothes and dotty behaviour, poet Jenny Joseph has created a character whose thoughts have been quoted at conferences and funerals, used to cheer up sick friends and remembered with pleasure by children and adults alike around the world. Here, 'Warning' appears as a beautiful updated edition with new illustrations; the perfect gift for a friend or relative who wants to grow older free from expectations, with a joyful and rebellious spirit.
