**Spinning Plates** Sophie Ellis-Bextor,2021-10-07 Sophie Ellis-Bextor shares her experiences, insights and reflections on men, music and motherhood. Sophie Ellis-Bextor's kitchen discos became a source of much needed escapism, catharsis and sequined joy for a swathe of the population during lockdown. From knackered mothers and fed up fathers, to cooped up parties with nowhere to go, Sophie's gloriously chaotic Friday kitchen performances have cheered and revived us. Now Sophie is bringing that same mixture of down to earth candour and optimistic sparkle to her first book. Part memoir, part musings, Sophie will write about the conjuring act of adulthood and motherhood and how her experience of working while raising her five sons has given her the inescapable lesson of how to navigate life in the face of failure and imperfection. Covering relationships, good enough parenting, the importance of delusion and dancing, Sophie writes about the things that take on greater importance as life becomes more complicated. From the non negotiables (solitude, music, glitter) to the unimportant (clean hair, deadlines, appropriate behaviour), this is a book about learning from our experiences and not being afraid to smash a few plates for the sake of what we actually need want and value.

Imagine If . . . Sir Ken Robinson, PhD,Kate Robinson,2022-03-01 A call to action that pulls together all of Sir Ken Robinson's key messages and philosophies, and that challenges and empowers readers to re-imagine our world, and our systems, for the better. Sir Ken Robinson changed the lives of millions of people. The embodiment of the prestigious TED conference, his TED Talks are watched an average of 17,000 times a day--a figure that Chris Anderson, Head of TED, says is the equivalent of selling out the Millennium Dome every night for fifteen consecutive years. A New York Times bestselling author, Sir Ken's books have been translated into twenty four languages. In his final years, Sir Ken was working on a book that would serve as his manifesto. This book was being written for both new and dedicated audiences alike as a coherent overview of the arguments that he dedicated his life to, and as a pivotal piece of literature for the education revolution he began. When Sir Ken received his cancer prognosis in August 2020 he asked his daughter and collaborator, Kate Robinson, to finish writing this manifesto and continue his work. At its core, Sir Ken's work is a love letter to human potential--a celebration of what we as a species are capable of doing, and of being, if we create the right conditions. It is a rallying cry to revolutionize our systems of education, and the ways in which we run our businesses and structure our social systems, so that they bring out the best in each and every person. Sir Ken often observed that what separates us from the rest of life on Earth is our power of imagination: the ability to bring to mind things that are not present to our senses. It is imagination that allows us to create the world in which we live, rather than just exist in it. It also gives us the power to recreate it.

Into Every Generation a Slayer Is Born Evan Ross Katz,2022-03-15 Explore the history and cultural impact of a groundbreaking television show adored by old and new fans alike: Buffy the Vampire Slayer. Over the course of its seven-year run, Buffy the Vampire Slayer cultivated a loyal fandom and featured a strong, complex female lead, at a time when such a character was a rarity. Evan Ross Katz explores the show's cultural relevance through a book that is part oral history, part celebration, and part memoir of a personal fandom that has universal resonance still, decades later. Katz—with the help of the show's cast, creators, and crew—reveals that although Buffy contributed to important conversations about gender, sexuality, and feminism, it was not free of internal strife, controversy, and shortcomings. Men—both on screen and off—would taint the show's reputation as a feminist masterpiece, and changing networks, amongst other factors, would drastically alter the show's tone. Katz addresses these issues and more, including interviews with stars Sarah Michelle Gellar, Charisma Carpenter, Emma Caulfield, Amber Benson, James Marsters, Anthony Stewart Head, Seth Green, Marc Blucas, Nicholas Brendon, Danny Strong, Tom Lenk, Bianca Lawson, Julie Benz, Clare Kramer, K. Todd Freeman, Sharon Ferguson; and writers Douglas Petrie, Jane Espenson, and Drew Z. Greenberg; as well as conversations with Buffy fanatics and friends of the cast including Stacey Abrams, Cynthia Erivo, Lee Pace, Claire Saffitz, Tavi Gevinson, and Selma Blair. Into Every Generation a Slayer Is Born engages with the very notion of fandom, and the ways a show like Buffy can influence not only how we see the world but how we exist within it.
