American Royals Katharine McGee, 2020-05-05 NEW YORK TIMES BESTSELLING SERIES • What if America had a royal family? If you can't get enough of Harry and Meghan or Kate and William, meet American princesses Beatrice and Samantha. Crazy Rich Asians meets The Crown. Perfect for fans of Red, White, and Royal Blue and The Royal We! Two princesses vying for the ultimate crown. Two girls vying for the prince's heart. This is the story of the American royals. When America won the Revolutionary War, its people offered General George Washington a crown. Two and a half centuries later, the House of Washington still sits on the throne. Like most royal families, the Washingtons have an heir and a spare. A future monarch and a backup battery. Each child knows exactly what is expected of them. But these aren't just any royals. They're American. As Princess Beatrice gets closer to becoming America's first queen regnant, the duty she has embraced her entire life suddenly feels stifling. Nobody cares about the spare except when she's breaking the rules, so Princess Samantha doesn't care much about anything, either . . . except the one boy who is distinctly off-limits to her. And then there's Samantha's twin, Prince Jefferson. If he'd been born a generation earlier, he would have stood first in line for the throne, but the new laws of succession make him third. Most of America adores their devastatingly

handsome prince . . . but two very different girls are vying to capture his heart. The duty. The intrigue. The Crown. New York Times bestselling author Katharine McGee imagines an alternate version of the modern world, one where the glittering age of monarchies has not yet faded--and where love is still powerful enough to change the course of history. The lives of the American royal family will hook you in the very first pages and never let go. Relatable, believable, fantastical, aspirational, and completely addictive. - Sara Shepard, #1 New York Times bestselling author of the Pretty Little Liars and Perfectionists series

Past Life Countess, Present Life Otome Game NPC?! Sorahoshi, 2020-09-11 Oh dear, it seems I was reincarnated into a modern otome game from a fantasy world! All I ever wanted was to be free of my responsibilities as a countess and I finally got my wish when I was reborn as a commoner in modern Japan. Everything was going perfect, except it turns out this is the world of an otome game and some crazy girl who goes around calling herself the "heroine" is upset at me for stealing all her "events" with the "love interests"... Now she wants me to team up with her against the "villainess". I'm supposedly just a random NPC, so why am I being dragged into this?!
