Flash MX Application And Interface Design Connor McDonald,Paul Prudence,Gerald YardFace,Peter Aylward,Fay Rhodes,Robbie Shepherd,Ken Jokol,2013-11-27 The days of Flash as a creative luxury are long gone. After months of downsizing, Flash creativity has been on a huge rationalization program. It is no longer enough to present animation in millions of colors and a hundred transparencies. It is no longer sufficient to provide interactivity and dynamism for their own sake. The purpose of this collection is to show how designers have taken Flash and made it work for its supper. What we discover is a series of creations that place Flash at the hub of cutting edge web content. The end result is a snapshot of Flash as the ideal medium. In these amazing examples, we see the software pushed to its limits to create unbeatable applications—a collapsible family tree, an interactive video learning system, and a drawing tool, capable of running online! Beyond this, we dip into the back-end capabilities to look at how to improve Flash still further. Some staple XML and PHP routines are brought in to add a bit of spice, while Flash's mysterious sharedObject command is hunted down and tamed to create a hybrid Tamagotchi houseplant—perfectly suited to lure surfers back to your website!

The Address Book Deirdre Mask,2020-04-14 Finalist for the 2020 Kirkus Prize for Nonfiction | One of Time Magazines's 100 Must-Read Books of 2020 | Longlisted for the 2020 Porchlight Business Book Awards An entertaining quest to trace the origins and implications of the names of the roads on which we reside. —Sarah Vowell, The New York Times Book Review When most people think about street addresses, if they think of them at all, it is in their capacity to ensure that the postman can deliver mail or a traveler won't get lost. But street addresses were not invented to help you find your way; they were created to find you. In many parts of the world, your address can reveal your race and class. In this wide-ranging and remarkable book, Deirdre Mask looks at the fate of streets named after Martin Luther King Jr., the wayfinding means of ancient Romans, and how Nazis haunt the streets of modern Germany. The flipside of having an address is not having one, and we also see what that means for millions of people today, including those who live in the slums of Kolkata and on the streets of London. Filled with fascinating people and histories, The Address Book illuminates the complex and sometimes hidden stories behind street names and their power to name, to hide, to decide who counts, who doesn't—and why.

The Lost Soul Olga Tokarczuk,2021-07-20 A beautifully illustrated meditation on the fullness of life for readers of all ages by by Nobel Prize-winning novelist Olga Tokarczuk. Olga Tokarczuk's The Lost Soul, an experimental fable illustrated by Joanna Concejo and translated by Antonia Lloyd-Jones, resonates with our current moment. . . . What a striking, and lovely, material object it is. —New York Times The Lost Soul, by Olga Tokarczuk and illustrator Joanna Concejo, is a quiet meditation on happiness, following a busy man who loses his soul. . . It pours a childlike sense of wonder into a once-upon-a-time tale that is already resonating with adults around the world. —The Guardian The Lost Soul is a deeply moving reflection on our capacity to live in peace with ourselves, to remain patient, attentive to the world. It is a story that beautifully weaves together the voice of the Nobel Prize-winning Polish novelist Olga Tokarczuk and the finely detailed pen-and-ink drawings of illustrator Joanna Concejo, who together create a parallel narrative universe full of secrets, evocative of another time. Here a man has forgotten what makes his heart feel full. He moves to a house away from all that is familiar to him to wait for his soul to return. Once upon a time there was a man who worked very hard and very quickly, and who had left his soul far behind him long ago. In fact his life was all right without his soul—he slept, ate, worked, drove a car and even played tennis. But sometimes he felt as if the world around him were flat, as if he were moving across a smooth page in a math book that was covered in evenly spaced squares... —from The Lost Soul The Lost Soul is a sublime album, a rare delicacy that will delight readers young and old. You must find a place of your own, sit there quietly and wait for your soul. Winner of the Bologna Ragazzi Award, Special Mention 2018, Prix de l'Union Internationale pour les Livres de Jeunesse (IBBY), The White Raven (IJB Munich), and the Łódź Design Festival Award.

Mask Off J. J. Bola,2019 What is masculinity? Dominating the world around us, from Trump's twitter outbursts to deadly gun violence, from male suicide rates to incels on Reddit and 4chan, masculinity is perceived to be 'toxic', 'fragile' and 'in crisis'. In Mask Off, JJ Bola exposes masculinity as a performance that men are socially conditioned into. Using examples of non-Western cultural traditions, music and sport, he shines light on historical narratives around manhood, debunking popular myths along the way. He explores how LGBTQ men, men of colour, and male refugees experience masculinity in diverse ways, revealing its fluidity, how it's strengthened and weakened by different political contexts, such as the patriarchy or the far-right, and perceived differently by those around them. At the heart of love and sex, the political stage, competitive sports, gang culture, and mental health issues, lies masculinity: Mask Off is an urgent call to unravel masculinity and redefine it.
