**Shutter** Ramona Emerson,2022-08-02 Longlisted for the National Book Award This blood-chilling debut set in New Mexico's Navajo Nation is equal parts gripping crime thriller, supernatural horror, and poignant portrayal of coming of age on the reservation. A haunting thriller, written with exquisite suspense . . . This is a story that won't let you go long after you finish, and you won't want it to end even as you can't stop reading to find out how it does. —Tommy Orange, author of *There There* Rita Todacheene is a forensic photographer working for the Albuquerque police force. Her excellent photography skills have cracked many cases—she is almost supernaturally good at capturing details. In fact, Rita has been hiding a secret: she sees the ghosts of crime victims who point her toward the clues that other investigators overlook. As a lone portal back to the living for traumatized spirits, Rita is terrorized by nagging ghosts who won't let her sleep and who sabotage her personal life. Her taboo and psychologically harrowing ability was what drove her away from the Navajo reservation, where she was raised by her grandmother. It has isolated her from friends and gotten her in trouble with the law. And now it might be what gets her killed. When Rita is sent to photograph the scene of a supposed suicide on a highway overpass, the furious, discombobulated ghost of the victim—who insists she was murdered—latches onto Rita, forcing her on a quest for revenge against her

killers, and Rita finds herself in the crosshairs of one of Albuquerque's most dangerous cartels. Written in sparkling, gruesome prose, *Shutter* is an explosive debut from one of crime fiction's most powerful new voices.

*The Word Made Flesh* Ian A. McFarland, 2019-09-03 Most theologians believe that in the human life of Jesus of Nazareth, we encounter God. Yet how the divine and human come together in the life of Jesus still remains a question needing exploring. The Council of Chalcedon sought to answer the question by speaking of one and the same Son, our Lord Jesus Christ, the same perfect in divinity and also perfect in humanity, the same truly God and truly a human being. But ever since Chalcedon, the theological conversation on Christology has implicitly put Christ's divinity and humanity in competition. While ancient (and not-so-ancient) Christologies from above focus on Christ's divinity at the expense of his humanity, modern Christologies from below subsume his divinity into his humanity. What is needed, says Ian A. McFarland, is a Chalcedonianism without reserve, which not only affirms the humanity and divinity of Christ but also treats them as equal in theological significance. To do so, he draws on the ancient christological language that points to Christ's nature, on the one hand, and his hypostasis, or personhood, on the other. And with this, McFarland begins one of the most creative and groundbreaking theological explorations into the mystery of the incarnation undertaken in recent memory.

The Symbol of No Escape Tanya Robinson, 2016-03-24 South Africa needs no introduction to the global narratives of violence and crimes against women and children. With reported sexual offences exceeding 60000 and incidents of murder totalling 17805 for the 2014/2015 period, our country's notoriety in this arena contributes to the landscape within which *The Symbol of No Escape* plays out. As forensic thriller *The Symbol of No Escape* is an emergent property of qualities that not too many authors are able to harness. These include Dr Tanya Robinson's practical experience and extensive work with the abused child, her knowledge in forensic psychopathology and her laudable scholarly credentials that underpins each page with legitimacy whilst powerfully infusing the characters of protagonist Dr Claire and villain Dann Carmen. The reader is systematically drawn in and absorbed in the lifeworld of Dr Claire, a profiler and expert assessor who is tasked to create a profile that would help close the case against depraved child serial murderer and family killer, Dann Carmen. His crimes are brutal and bizarre, yet Dr Claire's assertion that Dann instils no fear in me paves the way for explicating her goal which is to establish what contributed to him becoming a

monster (Marcel Van der Watt, University of South Africa, Department of Police Practice).

My Body is a Book of Rules Elissa Washuta,2014 In My Body Is a Book of Rules, Elissa Washuta corrals the synaptic gymnastics of her teeming bipolar brain, interweaving pop culture with neurobiology and memories of sexual trauma to tell the story of her fight to calm her aching mind and slip beyond the tormenting cycles of memory.
