Color Sudoku Philip Riley,Laura Taalman,2007-06 Sudoku fans will welcome this bright new twist to the popular puzzles! Every one of these ingenious creations--from Bold X to Rainbow Up--makes colors and patterns part of the solving fun. And although each puzzle maintains the normal 9x9 grid and follows the basic rules of the game, every style adds an additional restriction to intensify the challenge. In Worms, for example, swirly, squirmy shapes fill the grids; the numbers increase as you work your way from head to tail. Even/Odd features squares in two colors, depending on whether the number to fill it is even or odd. And in Positional Board, no two of the red squares can be the same number. They're all lots of fun!

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Devil in the Kitchen Marco Pierre White,James Steen,2013-02-14 The long-awaited autobiography of the archetypal kitchen bad boy - Marco Pierre White When Marco Pierre White's mother died when he was just six years old, it transformed his life. Soon, his father was urging him to earn his own keep and by sixteen he was working in his first restaurant. White went on to learn from some of the best chefs in the country, such as Albert Roux, Raymond Blanc and Pierre Koffmann. He survived the intense pressure of hundred-hour weeks in the heat of the kitchen, developed his own style, and then struck out on his own. At Harveys in Wandsworth, which he opened in 1987, he developed a reputation as a stunning cook and a rock 'n' roll sex god of the kitchen. But he was also a man who might throw you out of his restaurant, and his temper was legendary, as younger chefs such as Gordon Ramsay and Heston Blumenthal would find out when they worked for him. He eventually opened several more restaurants, won every honour going and then realised that it still wasn't enough. Here Marco takes the reader right into the heat of the kitchen with a sharp-edged wit and a sizzling pace that will fascinate anyone brave enough to open the pages of this book and enter his domain.

White Pearl Anchuli Felicia King,2022-11-08 It's just a fun ad. Now the whole world is going crazy. In Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they've got to get it taken down before America wakes up.
