Paper Sculpture Richard Sweeney,2021-11-28 Paper is readily available and inexpensive in comparison to other sculptural media, and can be manipulated with a set of simple tools. It is a tactile medium, which can be formed into three-dimensional shapes quickly and immediately through folding and cutting. This hands-on element is something I feel is important -- it allows the artist to engage immediately with the material, resulting in something physical and tangible. It is, perhaps, these factors that make it so appealing, not

only as a tool to apply in different fields, such as model making for architecture, but as an activity for its own sake. A section of this book is dedicated to a selection of the techniques I use in the creation of my work, and which I demonstrate in my workshops. My aim is to show the basic principles of form-making in paper, which can then be expanded on and explored as the reader wishes. Also included are my sources of inspiration and details of my working practice, which shows the evolution of an initial idea into a final artwork. I hope this book offers an insight into my work, while offering inspiration to those who wish to explore the creative potential of paper.

Daughter of Redwinter Ed McDonald, 2022-06-28 Those who see the dead soon join them. From the author of the critically-acclaimed Blackwing trilogy comes Ed McDonald's Daughter of Redwinter, the first of a brilliant fantasy series about how one choice can change a universe. Raine can see—and speak—to the dead, a gift that comes with a death sentence. All her life she has hidden, lied, and run to save her skin, and she's made some spectacularly bad choices along the way. But it is a rare act of kindness—rescuing an injured woman in the snow—that becomes the most dangerous decision Raine has ever made. Because the woman is fleeing from Redwinter, the fortress-monastery of the Draoihn, warrior magicians who answer to no king, and who will stop at nothing to reclaim what she's stolen. A battle, a betrayal, and a horrific revelation force Raine to enter the citadel and live among the Draoihn. She soon finds that her secret ability could be the key to saving an entire nation. Though she might have to die to make it happen . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Zoo at the Edge of the World Eric Kahn Gale, 2014-08-26 From the author of The Bully Book comes a timeless story about a young boy, his father, and the world that comes between them, which New York Times–bestselling author Peter Lerangis called

magical, mysterious, fresh, original, and full of heart. Marlin is not slow, or mute; what he is is a stutterer, and that makes it impossible for him to convince people otherwise. What he is also is a Rackham: the younger son of the world-famous explorer Ronan Rackham, the owner and proprietor of the Zoo at the Edge of the World, a resort where the well-to-do from all over the globe can come to experience the last bit of the wild left at the end of the nineteenth century. In order to impress a powerful duke who comes to visit the zoo, Marlin's father ventures into the jungle and brings back a mysterious black jaguar, the only one in captivity. Everyone is terrified of it, including Marlin—until one night, when the jaguar confers upon him a powerful gift. Soon, Marlin finds himself with a difficult choice to make and, finally, something to say. If only he can figure out how to say it.

Herakut Herakut, Jasmin Siddiqui, Falk Lehmann, 2008 For four remarkably productive years, the graffiti loving and street art affiliated storytellers, Hera and Akut, have combined their artistic skills and individual specialties in order to create one odd but always exquisitely beautiful, instantly recognizable style: Herakut. It's an extremely contradictory mix of ingredients - Akut's autodidactic but top-level photorealism and Hera's classically educated though Don't-Give-A-Shit-roughness - that results in a surprisingly well-balanced fusion of respect for each other's qualities and the shared urge to capture life's anecdotes

with brush and spray can. For the first time this book explores the interpersonal and creative processes behind the duo's murals and canvas paintings, which have attracted the attention of the international art scene.

Grievor's Blood Alexander Darwin, 2023-12-05 In a world where single combat determines the fate of nations, the Grievor fight in the Circles so that the rest can remain at peace. Cego and his team enter year two at the world's most prestigious combat school, the Lyceum. A Veil of Spears Bradley P. Beaulieu, 2020-04-28 The third book in The Song of Shattered Sands series--an epic fantasy with a desert setting, filled with rich worldbuilding and pulse-pounding action. Since the Night of Endless Swords, a bloody battle the Kings of Sharakhai narrowly won, the kings have been hounding the rebels known as the Moonless Host. Many have been forced to flee the city, including Çeda, who discovers that the King of Sloth is raising his army to challenge the other kings' rule. When Çeda finds the remaining members of the Moonless Host, now known as the thirteenth tribe, she sees a tenuous existence. Çeda hatches a plan to return to Sharakhai and free the asirim, the kings' powerful, immortal slaves. The kings, however, have sent their greatest tactician, the King of Swords, to bring Çeda to justice for her crimes. But the once-unified front of the kings is

crumbling. The surviving kings vie quietly against one another, maneuvering for control over Sharakhai. Çeda hopes to use that to her advantage, but whom to trust? Any of them might betray her. As Çeda works to lift the shackles from the asirim and save the thirteenth tribe, the kings of Sharakhai, the scheming queen of Qaimir, the ruthless blood mage, Hamzakiir, and King of Swords all prepare for a grand clash that may decide the fate of all.
