The Desert Prince Peter V. Brett,2021-08-03 An epic fantasy adventure set in the beloved world of the Demon Cycle, following a new generation of heroes, from New York Times bestselling author Peter V. Brett “Heart-wrenching, smart, and modern . . . The Desert Prince has set a new standard for fantasy.”—Wesley Chu, #1 New York Times bestselling author of The War Arts Saga Fifteen years have passed since the end of the war with demons, creatures of darkness who have hunted the night and plagued humanity since time out of mind. The heroes of humanity’s hour of need have become legend, and those who remain struggle to escape their shadows. Olive Paper and Darin Bales have grown up in this new peaceful world. Demons have been all but destroyed, but dangers still lurk for the children of heroes. Olive, princess of Hollow, has her entire life planned out by her mother, Duchess Leesha Paper: a steady march on a checklist to prepare her for succession. The more her mother writes the script, the more Olive rails against playing the parts she is assigned. Darin faces challenges of a different kind. Though free to choose his own path, the weight of legacy hangs heavy around his shoulders. It isn’t easy being the son of the man people say saved the world. Everyone expects greatness from Darin, but

the only thing he's ever been great at is hiding. When Olive and Darin step across the wards one night, they learn the demons are not all gone, and those that remain hunger for revenge. Events are set in motion that only prophecy can foresee as Olive and Darin seek to find their own places in the world in time to save it again.

Six-year-old Briar Damaj, a half Krasian boy in the tiny village of Bogton, is used to being tormented by his siblings, and the villagers who call him Mudboy. When an attack leaves him orphaned, Briar feels he has no choice but to flee into the demon-infested bog where chances of survival seem hopeless. Ragen, a Messenger and

friend of Briar's father, hunts for days through fetid swampland before giving the boy up for dead and retiring from his dangerous career. A decade later, Ragen receives news that Briar has survived against all odds, living alone in the wetlands like an animal. The League of Elder Ren Garcia,2009-02 In the far distant future, man is no longer man-he is Elder, awash in life-long youth, health, and Gifts of the Mind. Serving celestial beings

known as the Elders, man formed the League--a collection of Great Houses scattered on numerous worlds dedicated to defending life and serving the benevolent will of the Elders. For ages League mothers have told their children terrifying stories about the Black Hats: the enemy. A sect of murderous women eager to slay anyone who falls into their grasp, always searching for their next victim. Only the League's ruling body, the Sisterhood of Light, has been able to counter their evil. When a Black Hat is taken prisoner aboard Captain Davage's ship, the Sisters have every intention of executing her, to put her to a slow, painful death. That is what's done to Black Hats. And no one would dare challenge the Sister's authority. They are astounded when the Captain refuses to allow it. Using his Gift of Sight, Captain Davage, the Lord of the Great House of Blanchefort, has gotten a glimpse of the Black Hat's face, and is shocked. Though no one but a Sister would ever willingly face a Black Hat and hope to survive, he enters her cell. The woman sitting there bears an exact resemblance to a beloved friend of the Captain's a friend who is dead, murdered, lost in space along with her ship and her crew. There she sits, Captain Davage's friend, apparently reborn as a Black Hat murderess, identical in every way except for the Black Hat's mark on her face. The Black Hat known as Sygillis of Metatron, vile and evil, immediately plots Captain Davage's killing and, though the Sisters are near, none can protect him from her fury. She will come for his soul. Is it possible that two sworn enemies may fall in love? Can remorseless evil be redeemed in the end? Good and evil, love and hate, only one side can triumph in *The League of Elder: Sygillis of Metatron*, a galactic journey full of romance, suspense, and the unexpected.

Mythical Me Richella Parham, 2019-10-22 IVP Readers' Choice Award Do you ever find

yourself stuck in the comparison trap? Speaker and author Richella Parham knows what this feels like. I couldn't break free from admiring one person's achievements, someone else's personality, another's skills, yet another's relationships. And don't get me started on how I looked at other people's appearances, she writes. I was haunted by the admirable attributes of other people, certain that I could never match their worthiness. No matter how well-intentioned the teaching or pithy the advice, I found that most of it didn't help me change my thoughts, feelings, or actions. While there are no easy answers, Parham has identified cultural and spiritual myths about others, God, and ourselves that keep us trapped. From there the journey is a spiritual one. We can pick up practices that help us walk in the freedom of Christ with confidence in ourselves. If you've ever suffered from tortured moments of comparison on Facebook, in the office, or in the hallway at church, you'll benefit from this fresh perspective.

Two Dads and Three Girls Nick (Yu) He, 2019-05-29 One hundred percent made in China, Nick (Yu) grew up in an environment where being gay was not an option. The expectation from his parents and pressure from the society molded him into the best student and best employee. He made his family proud. But deep inside, he knew that something was missing, and he was different. In this memoir, Nick (Yu) takes readers on his journey from growing up as a confused straight boy from China to today having a lovely husband and three girls through surrogacy. He invites readers to the experiences that he

would rather have forgotten - from being sexually harassed by his desk-mate in middle school, through depression and a one-night stand in college, to losing a baby during pregnancy. With ultimate honesty and absolute vulnerability, Nick shares the happiness and sadness on the journey to come out to himself, his parents and friends; learn about gay culture in America, cherish his Chinese heritage, find his first love, and create a family through surrogacy and the help of many amazing people. Two Dads and Three Girls is a celebration of courage and love. It challenges each of us to dig deep into our soul to find what matters most to us, gain courage through the stories, and live our lives in truth.
