The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

World's End Upton Sinclair, 2016-01-19 From the acclaimed author of *The Jungle*: The first in a Pulitzer Prize-winning historical saga about the son of an American arms dealer during WWI. Lanning "Lanny" Budd spends his first thirteen years in Europe, living at the center of his mother's glamorous circle of friends on the French Riviera. In 1913, he enters a prestigious Swiss boarding school and befriends Rick, an English boy, and Kurt, a German. The three schoolmates are privileged, happy, and precocious—but their world is about to come to an abrupt and violent end. When the gathering storm clouds of war finally burst, raining chaos and death over the continent, Lanny must put the innocence of youth behind him; his language skills and talent for decoding messages are in high demand. At his father's side, he meets many important political and military figures, learns about the myriad causes of the conflict, and closely follows the First World War's progress. When the bloody hostilities eventually conclude, Lanny joins the Paris Peace Conference as the assistant to a geographer asked by President Woodrow Wilson

to redraw the map of Europe. Perfect for fans of *The Winds of War*, *World's End* is the magnificent opening chapter of a monumental series that brings the first half of the twentieth century to vivid life. A thrilling mix of history, adventure, and romance, the Lanny Budd Novels are a testament to the breathtaking scope of Upton Sinclair's vision and his singular talents as a storyteller.

Mixing it Up With-- Harry Potter Owen Smith, 2007 Fact 1... The seven Harry Potter books have sold more than 350 million copies in 200 countries and the films are one of the highest grossing film series of all time. It is a cultural phenomenon in which our young people are greatly immersed. Fact 2... Young people aged 9-13 are a massively under-resourced age group in churches. Spanning the 'tweenager' and 'tweenie' age zones young people of this age are increasingly fashion-aware, media-savvy and worldly-wise. They don't regard themselves as children but are not yet adults. This new book addresses both the need and the cultural interest. In 12 sessions, *Mixing it up with Harry Potter* draws parallels between events in the Harry Potter world, and the world in which our young people live. These parallels allow you to explore Christian concepts with your young people and engage with the Christian faith through the themes demonstrated – from complex subjects such as Sacrifice and Mercy, to everyday issues such as Fitting in and Boasting – with an introduction to the book covering all you need to consider in terms of health

and safety, child protection, and how to handle the aspects of Harry Potter that are not always very godly. Mixing it up with Harry Potter will help young people to delight in their faith and encourage them to see that a relationship with God is even more enchanting than a visit to Hogwarts! Each session is divided into five parts and includes photocopiable material:

- Beforehand (to help leaders prepare the session)
- Opening Activity (introducing the session to the young people in an interactive and fun format)
- Film Clip (a short clip from one of the Harry Potter films)
- Taking It Further (developing the theme and exploring it in greater depth)
- Bible Focus (a Bible verse that deals with the Christian perspective of the theme)
- Prayer Response (prayer activity drawing on the theme and giving space for response)

The World Through the Eyes of Angels Mahmoud Saeed, 2011-12-15 Mosul, Iraq, in the 1940s is a teeming, multiethnic city where Arabs, Kurds, Assyrians, Jews, Aramaeans, Turkmens, Yazidis, and Syriacs mingle in the ancient souks and alleyways. In these crowded streets, among rich and poor, educated and illiterate, pious and unbelieving, a boy is growing up. Burdened with chores from an early age, and afflicted with an older brother who persecutes him with mindless sadism, the child finds happiness only in stolen moments with his beloved older sister and with friends in the streets. Closest to his heart are three girls, encountered by chance: a Muslim, a Christian, and a Jew. After enriching the boy's life immensely, all three meet tragic fates, leaving a wound in his heart that will not heal. A richly textured portrayal of Iraqi society before the upheavals of the late twentieth century, Saeed's novel depicts a sensitive and loving child assailed by the cruelty of life. Sometimes defeated but never surrendering, he is sustained by his city and its people.
