Swami Adiswarananda

Achtung-Panzer! Heinz Guderian, 1955 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Leadership for a Better World NCLP (National

Clearinghouse for Leadership Programs), 2016-11-14

The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as a approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese.

This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. Five Days Wes Moore, Erica L. Green, 2020 A kaleidoscopic account of five days in the life of a city on the edge, told through seven characters on the frontlines of the uprising that overtook Baltimore and riveted the world, from the New York Times bestselling author of The Other Wes Moore. When Freddie Gray was arrested for possessing an illegal knife in April 2015, he was, by eyewitness accounts that video evidence later confirmed,

treated roughly as police loaded him into a vehicle. By the end of his trip in the police van, Gray was in a coma he would never recover from. In the wake of a long history of police abuse in Baltimore, this killing felt like a final straw--it led to a week of protests and then five days described alternately as a riot or an uprising that set the entire city on edge, and caught the nation's attention. Wes Moore is one of Baltimore's most famous sons--a Rhodes Scholar, bestselling author, decorated combat veteran, White House fellow, and current President of the Robin Hood Foundation. While attending Gray's funeral, he saw every strata of the city come together: grieving mothers; members of the city's wealthy elite; activists; and the long-suffering citizens of Baltimore--all looking to comfort each other, but also looking for answers. Knowing that when they left the church, these factions would spread out to their own corners, but that the answers they were all looking for could only be found in the city as a whole, Moore--along with Pulitzer-winning coauthor Erica Green--tells the story of the Baltimore uprising. Through both his own observations, and through the eyes of other Baltimoreans: Partee, a conflicted black captain of the Baltimore Police Department; Jenny, a young white public defender who's drawn into the violent center of the uprising herself; Tawanda, a young black woman who'd spent a lonely year protesting the killing of her own brother by police; and John DeAngelo, scion of the city's most powerful family and owner of the Baltimore Orioles, who has to make choices of conscience he'd never before

confronted. Each shifting point of view contributes to an engrossing, cacophonous account of one of the most consequential moments in our recent history--but also an essential cri de coeur about the deeper causes of the violence and the small seeds of hope planted in its aftermath.

Because Claudette Tracey Baptiste, 2022-02-01
From NYT bestselling author Tracey Baptiste comes a singular picture book that is both a biography about Claudette Colvin, the teen whose activism launched the Montgomery bus boycott, and a celebration of collective action. When fifteen-year-old Claudette Colvin boarded a segregated bus on March 2, 1955, she had no idea she was about to make history. At school she was learning about abolitionists like Harriet Tubman and Sojourner Truth, which helped inspire her decision to refuse to give up her seat to a white woman, which led to her arrest, which began a crucial chain of events: Rosa Park's sit-in nine months later, the organization of the Montgomery bus boycott by activists like Professor Jo Ann Robinson and Dr. Martin Luther King Jr., and the Supreme Court decision that Alabama's bus segregation was unconstitutional—a major triumph for the civil rights movement. Because of Claudette's brave stand against injustice, history was transformed. Now it's time for young readers to learn about this living legend, her pivotal role in the civil rights movement, and the power of one person reaching out to another in the fight for change.

To the Front! Claudia Friddell, 2022-03-01 This powerful tribute to Civil War nurse Clara Barton and her heroic efforts during the Battle of Antietam reveals how she earned the name The Angel of the Battlefield, and shows the beginnings of her journey as one of our country's greatest humanitarians and the founder of the American Red Cross. During the Civil War, Clara Barton—one of the first women to receive permission to serve on a battlefield—snuck her supply wagon to the head of a ten-mile wagon train to deliver provisions to the Antietam Battlefield. On the bloodiest day in American history, Clara and her team of helpers sprang into action as they nursed the wounded and dying, cooked meals for soldiers, and provided doctors with desperately needed medical supplies and lanterns so they could operate through the night. Author Claudia Friddell blends her words with Clara Barton's firsthand account to capture the nurse's brave actions, while Christopher Cyr's dramatically accurate illustrations portray one of the most heroic women in history.
