Blue Chicken Deborah Freedman, 2011-09-15 A mind-bendingly clever farmyard romp In this deceptively simple picture book, author-illustrator Deborah Freedman has created an irresistible character that springs to life and wreaks havoc in a farmyard with a pot of blue paint. The innocent chicken just wants to help, but things get worse and worse - and bluer and bluer - the more she tries. Playing with colors and perspective, and using minimal text, this richly layered story reveals new things to see and laugh about with each reading.

The Story of Fish and Snail Deborah Freedman, 2013-06-13 Every day, Snail waits for Fish to come home with a new story. Today, Fish's story (about pirates!) is too grand to simply be told: Fish wants to show Snail. But that would mean leaving the familiar world of their book—a scary prospect for Snail, who would rather stay safely at home and pretend to be kittens. Fish scoffs that cats are boring; Snail snaps back. Is this book too small for the two feuding friends? Could this be THE END of The Story of Fish and Snail? Deborah Freedman, author of *Blue Chicken*, has created a sweet and playful story about friendship that truly jumps off the page.

Carl and the Meaning of Life Deborah Freedman, 2019-04-02 From the often Caldecott-buzzed Deborah Freedman, a sweet and funny story about finding your place in the world. Carl is an earthworm. He spends his days happily tunneling in the soil until a field mouse asks him a simple question that stops him short: Why? Carl's quest takes him on an adventure to meet all the animals of the forest, each of whom seems to know exactly what they were put on this earth to do, unlike the curious Carl. But it's not until the world around him has changed that Carl begins to realize everyone, no matter how small, makes a big difference just by being themselves.

Is Was Deborah Freedman, 2021-05-04 Explore the connections found in nature in this simply stunning picture book that explores the idea of change, both big and small. This sky is the same sky that was blue, and now is spilling down in drips and drops... until rainclouds pass... Over the course of one day, a small child experiences the way the natural world changes from sun to rain and from day to night as things transform from is to was in this breathtaking book.

This House, Once Deborah Freedman, 2017-02-28 "Tender, comforting, and complex." —Kirkus Reviews (starred review) "Drawn with exquisite precision and quiet dashes of humor." —Publishers Weekly (starred review) "A lovely, ruminative selection." —School Library Journal (starred review) "A blueprint for mindfulness and gratitude for the homes in which we...live." —The New York Times Book Review Deborah Freedman's masterful new picture book is at once an introduction to the pieces of a house, a cozy story to share and explore, and a dreamy meditation on the magic of our homes and our world. Before there was this house, there were stones, and mud, and a colossal oak tree— three hugs around and as high as the blue. What was your home, once? This poetically simple, thought-provoking, and gorgeously illustrated book invites readers to think about where things come from and what nature provides.

Shy Deborah Freedman, 2016-09-27 A dazzlingly beautiful book about shyness from the author of *Blue Chicken*, *The Story of Fish and Snail*, and *By Mouse and Frog!* Shy loves birds. He'd love to watch them fly and hear them sing, but he's only ever read about them in books. . .until a real bird comes along. He's dying to meet her, but there's just one problem: Shy is, well, shy--so shy, in fact, that he's afraid to leave the gutter of the book. Can Shy overcome his fears and venture out onto the page? This sweetly relatable picture book from the acclaimed Deborah Freedman speaks to every child who's ever felt like hiding instead of facing the daunting world.

Nature and Its Symbols Lucia Impelluso, 2004 The Guide to Imagery series introduces readers to important visual vocabulary of Western art.--Back cover.

A Voyage Long and Strange Tony Horwitz, 2008-04-29 The bestselling author of *Blue Latitudes* takes us on a thrilling and eye-opening voyage to pre-Mayflower America On a chance visit to Plymouth Rock, Tony Horwitz realizes he's mislaid more than a century of American history, from Columbus's sail in 1492 to Jamestown's founding in 16-oh-something. Did nothing happen in between? Determined to find out, he embarks on a journey of rediscovery, following in the footsteps of the many Europeans who preceded the Pilgrims to America. An irresistible blend of history, myth, and

misadventure, *A Voyage Long and Strange* captures the wonder and drama of first contact. Vikings, conquistadors, French voyageurs—these and many others roamed an unknown continent in quest of grapes, gold, converts, even a cure for syphilis. Though most failed, their remarkable exploits left an enduring mark on the land and people encountered by late-arriving English settlers. Tracing this legacy with his own epic trek—from Florida's Fountain of Youth to Plymouth's sacred Rock, from desert pueblos to subarctic sweat lodges—Tony Horwitz explores the revealing gap between what we enshrine and what we forget. Displaying his trademark talent for humor, narrative, and historical insight, *A Voyage Long and Strange* allows us to rediscover the New World for ourselves.

Laudato Si Pope Francis, 2015-07-18 “In the heart of this world, the Lord of life, who loves us so much, is always present. He does not abandon us, he does not leave us alone, for he has united himself definitively to our earth, and his love constantly impels us to find new ways forward. Praise be to him!” – Pope Francis, *Laudato Si'* In his second encyclical, *Laudato Si'*: On the Care of Our Common Home, Pope Francis draws all Christians into a dialogue with every person on the planet about our common home. We as human beings are united by the concern for our planet, and every living thing that dwells on it, especially the poorest and most vulnerable. Pope Francis' letter joins the body of the Church's social and moral teaching, draws on the best scientific research, providing the foundation for “the ethical and spiritual itinerary that follows.” *Laudato Si'* outlines: The current state of our “common home” The Gospel message as seen through creation The human causes of the ecological crisis Ecology and the common good Pope Francis' call to action for each of us Our Sunday Visitor has included discussion questions, making it perfect for individual or group study, leading all Catholics and Christians into a deeper understanding of the importance of this teaching.

Tiny Dino Deborah Freedman, 2022-04-19 Did you know dinosaurs still roam the earth? A small but mighty bird declares it is a dinosaur! But no one believes that dinosaurs still exist. How can it be a dinosaur when it is so little? Dinosaurs didn't have feathers . . . or did they? This tiny dino is here to explain to its animal friends that birds are, in fact, dinosaurs, and all creatures are connected to one big animal family. With a playful ensemble of animal characters and dynamic bursts of dialogue, celebrated author and illustrator Deborah Freedman has created a spirited and informative picture book for dinosaur lovers of all ages.

Master of the Lotus Garden Fangyu Wang, Da Zhu, Richard M. Barnhart, Judith G. Smith, Yale University. Art Gallery, 1990 Bada Shanren created one of the most compelling and distinctive bodies of graphic art in the history of Chinese culture. A prince of the Ming imperial family, he became a Buddhist monk after the Manchu invasion of China led to the collapse of the Ming dynasty. Thirty years later, when the turmoil of the conquest had passed, he returned to secular life as a painter, poet, and calligrapher. Although portrayed by his contemporaries as a mad eccentric, his art reveals a rational genius, and evidence suggests that he feigned madness to conceal his inner emotions. Despite his enigmatic character, he has had a profound influence on later generations of Chinese artists, especially those of the 20th century.

Caravaggio & His Followers in Rome David Franklin, Sebastian Schütze, 2011 The Italian artist Caravaggio (1571-1610) had a profound impact on a wide range of baroque painters of Italian, French, Dutch, Flemish, and Spanish origin who resided in Rome either during his lifetime or immediately afterward. This captivating book illustrates the notion of Caravaggism, showcasing 65 works by Peter Paul Rubens and other important artists of the period who drew inspiration from Caravaggio. Also depicted are Caravaggio canvases that fully exhibit his distinctive style, along with ones that had a particularly discernible impact on other practitioners. Caravaggio's influence was greatest in Rome, where his works were seen by the largest and most international group of artists, and was at its peak in the early decades of the 17th century both before and after his untimely death at the age of 39. Not since Michelangelo or Raphael has one European artist affected so many of his contemporaries and over such broad geographic territory. Essays by an array of major Caravaggio scholars illuminate the underlying principles of the exhibit, reveal how Caravaggio altered the presentation and interpretation of many traditional subjects and inspired unusual new ones, and explore the artist's legacy and how he irrevocably changed the course of painting.--Publisher's description.

Time Lived, Without Its Flow Denise Riley, 2019-10-09 'I work to earth my heart.' Time Lived, Without Its Flow is an astonishing, unflinching essay on the nature of grief from critically acclaimed poet Denise Riley. From the horrific experience of maternal grief Riley wrote her lauded collection Say Something Back, a modern classic of British poetry. This essay is a companion piece to that work, looking at the way time stops when we lose someone suddenly from our lives. A book of two discrete

halves, the first half is formed of diary-like entries written by Riley after the news of her son's death, the entries building to paint a live portrait of loss. The second half is a ruminative post script written some years later with Riley looking back at the experience philosophically and attempting to map through it a literature of consolation. Written in precise and exacting prose, with remarkable insight and grace this book will form kind counsel to all those living on in the wake of grief. A modern-day counterpart to C. S. Lewis's *A Grief Observed*. Published widely for the first time, this revised edition features a brand new introduction by Max Porter, author of *Grief is A Thing With Feathers*. 'Her writing is perfectly weighted, justifies its existence' - Guardian
