Davita's Harp Chaim Potok,2010-03-10 For Davita Chandal, growing up in New York in the 1930s and '40s is an experience of indescribable joy—and unfathomable sadness. Her loving parents, both fervent radicals, fill her with the fiercely bright hope for a new, better world. But the deprivations of war and the Depression take their ruthless toll. And Davita, unexpectedly, finds in the Jewish faith that her mother had long ago abandoned both a solace to her questioning inner pain and a test of her budding spirit of independence. To her, life's elusive possibilities for happiness, for fulfillment, for decency, become as real and resonant as the music of the small harp that hangs on her door, welcoming all guests with its sweet, gentle tones. Praise for Davita's Harp “Rich . . . enchanting . . . [Chaim] Potok's bravest book.”—The New York Times Book Review “It is an enormous pleasure to sink into such a rich . . . solidly written novel. The reader knows from the first few pages that he is in the hands of a sure professional who won't let him down.”—People “Engrossing . . . Filled with a host of richly drawn characters. Potok is a master storyteller.”—Chicago Tribune “Gripping and intriguing . . . A well-told tale that needed telling.”—The Philadelphia Inquirer

Strange Rebels Christian Caryl,2014-03-11 Few moments in history have seen as many seismic transformations as 1979. That single year marked the emergence of revolutionary Islam as a global political force, the beginning of market revolutions in China and Britain that would radically alter the international economy, and the first stirrings of the resistance movements in Eastern Europe and Afghanistan that ultimately led to the collapse of the Soviet Union. In *Strange Rebels*, veteran journalist Christian Caryl shows how the world we live in today and the problems that plague it began to take shape in this pivotal year. Weaving the story of each of these counterrevolutions into a brisk, gripping narrative, *Strange Rebels* is a groundbreaking account of how these upheavals marked a startling conservative challenge to communist and socialist systems around the globe, giving birth to our modern age in the process.
