*Leadership for a Better World* NCLP (National Clearinghouse for Leadership Programs),2016-11-14

The essential guide to the theory and application of the Social Change Model Leadership for a Better World provides an approachable introduction to the Social Change Model of Leadership Development (SCM), giving students a real-world context through which to explore the seven C's of leadership for social change as well as approaches to socially responsible leadership. From individual, group, and community values through the mechanisms of societal change itself, this book provides fundamental coverage of this increasingly vital topic. Action items, reflection, and discussion questions throughout encourage students to think about how these concepts apply in their own lives. The Facilitator's Guide includes a wealth of activities, assignments, discussions, and supplementary resources to enrich the learning experience whether in class or in the co-curriculum. This new second edition includes student self-assessment rubrics for each element of the model and new discussion on the critical roles of leadership self-efficacy, social perspective, and social justice perspectives. Content is enriched with research on how this approach to leadership is developed, and two new chapters situate the model in a broader understanding of leadership and in applications of the model. The Social Change Model is the most widely-used leadership model for college students, and has shaped college leadership curricula at schools throughout the U.S. and other countries including a translation in Chinese and Japanese. This book provides a comprehensive exploration of the model, with a practical, relevant approach to real-world issues. Explore the many facets of social change and leadership Navigate group dynamics surrounding controversy, collaboration, and purpose Discover the meaning of citizenship and your commitment to the greater good Become an agent of change through one of the many routes to a common goal The SCM is backed by 15 years of research, and continues to be informed by ongoing investigation into the interventions and environments that create positive leadership development outcomes. Leadership for a Better World provides a thorough, well-rounded tour of the Social Change Model, with guidance on application to real-world issues. Please note that The Social Change Model: Facilitating Leadership Development (978-1-119-24243-7) is intended to be used as a Facilitator's Guide to Leadership for a Better World, 2nd Edition in seminars, workshops, and college classrooms. You'll find that, while each book can be used on its own, the content in both is also designed for use together. Kull Eternal Tom Waltz,2019-01-22 Robert E. Howard's legendary warrior king is back to face a threat unlike anything he's ever encountered. Kull has been a slave and a pirate, a warrior and a king, but now the defender of Atlantis is about to face his biggest challenge ever--traveling through time to save our

modern world from the evil Serpent Men! After discovering that the Serpent Men are planning to conquer modern-day America, King Kull of Atlantis is about to become a fish out of water when the Elder Race sends him through the timeline to stop them. Now, he'll fight to save the world on a journey that takes him through the Revolutionary War, the Civil War, World War II, and all the way into the modern era. As a Desert Storm veteran, Tom Waltz (Teenage Mutant Ninja Turtles) brings authenticity to both Kull Eternal's portrayal of combat and its depiction of the military hardware Kull faces on his journey through time. The story carves a path of action and mayhem through history, from Ancient Valusia to modern Antarctica, but readers will know from page one that this is a Kull tale unlike any they've ever read. It's been almost a decade since the last new Kull story was released, but now Kull Eternal will burst into the present day to take fans on a long-awaited and unforgettable adventure.
