**Dear Azula, I Have a Crush on Danny Phantom** Azura Tyabji,Jackson Neal,2021-06-22 2019 Button Poetry Prize Runner-Up Dear Azula, I Have a Crush on Danny Phantom is a crossover of our coming of age universes. Exploring the interplay of adolescence and media, Dear Azula is a masterclass on how Generation Z see themselves reflected on screen, how they find themselves in characters when the world does not grant them the possibility. These poems pay homage to the cartoon characters who made us the wicked lovestruck people that we are. These ubiquitous stories of teen ghost boys and water bending women gave wonder to a generation raised by recession. In illustrious villains we learned our own glamour. In chiseled chins and 2D teeth we learned desire. In Dear Azula, I Have a Crush on Danny Phantom we bring the early 2000s renaissance of animation into our modern lives to unpack, celebrate, revel, and remember.

*Bad Words from Around the World* Christine Rai,2016-10-04 The first words you learn from a new language are the bad ones, I'll help you embrace that curiosity with 38 bad words from around the world! Here's a collection of 38 swear words I drew from 33 languages and cultures, including my own. Learn how to say: Bitch in 4 languages Fuck in 7 languages Damn in 3 languages Fuck off in 3 languages Dummy/idiot in 7 languages And learn some words that aren't easy to directly translate like: The German word *backpfeifengesicht*. It means a face badly in need of a fist. And the Amharic word *silbabot*. This literally translates to you are the fatty layer on my warm milk but it has the same application as calling someone a nuisance. What's Inside: Printed Single-Sided Pages At 8.5x11 single sided page includes design and the word definition, pronunciation, language, and country of origin for each word or phrase 3 test pages Easy, moderate, and complex designs. Some you can complete in one sitting and others you can come back to. Tired of mandalas? Don't have to patience to color in a bunch of tiny designs? I got you, the book features 38 varying designs that range in complexity so you can color some of these in one sitting and come back to others. *Bad Words from around the world* is the perfect way to learn some new stuff and unwind. Are you trying to find an unique novelty gift for your best friend? Someone you know going off to study abroad? Need a present for literally any occasion (maybe not a 5th birthday party, but who am I to judge)? This is perfect. I'm all about equal opportunity insults so I curated this to only include words that can be used on anyone; nothing racist, homophobic, or misogynistic. Millions of kids around the world can't read or write any words including these bad ones, so a part of every book purchased will go to support a classroom in an underserved community. I hope this book puts a smile on your face, teaches you something, inspires you, or helps you express some of your creativity. Start your journey around the world here! **The Making of Walt Disney's Fun and Fancy Free** J. B. Kaufman, 2019-08-23  
Walt Disney's animated feature film Fun and Fancy Free opened in September 1947. It was an unusual kind of package feature, combining two featurette-length stories, Bongo and Mickey and the Beanstalk, in a single motion picture. The two stories were elaborately mounted within a third framing story featuring Jiminy Cricket, and the whole package was further enhanced by the talents of two popular performers: Edgar Bergen and Dinah Shore. Moviegoers who enjoyed this diverting feature were unaware that its various components had been in development for the better part of a decade. Now, for the first time, this Monograph chronicles the full, fascinating history of the making of Fun and Fancy Free. Richly illustrated with over 125 sketches, paintings, and photos, many never previously published, here is the hidden story behind a delightful and underappreciated Disney gem.
