Channel Kindness: Stories of Kindness and Community Born This Way Foundation Reporters, Lady Gaga, 2020-09-22 A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and through her work, brings more kindness into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Germanotta, founded Born This Way Foundation, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. And now, we invite you to read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own social movements, who decided to break through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, you'll read about a young person with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to start a movement to help eliminate the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the many stories of organizations, neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but builds community. Kindness is inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world.

**Peacocks, Chameleons, Centaurs** Wayne Brekhus, 2003-10 What does it mean to be a gay man living in the suburbs? Do you identify primarily as gay, or suburban, or some combination of the two? For that matter, how does anyone decide what his or her identity is? In this first-ever ethnography of American gay suburbanites, Wayne H. Brekhus demonstrates that who one is depends at least in part on where and when one is. For many urban gay men, being homosexual is key to their identity because they live, work, and socialize in almost exclusively gay circles. Brekhus calls such men lifestylers or peacocks. Chameleons or commuters, on the other hand, live and work in conventional suburban settings, but lead intense gay social and sexual lives outside the suburbs. Centaurs, meanwhile, or integrators, mix typical suburban jobs and homes with low-key gay social and sexual activities. In other words, lifestylers see homosexuality as something you are, commuters as something you do, and integrators as part of yourself. Ultimately, Brekhus shows that lifestyling, commuting, and integrating embody competing identity strategies that occur not only among gay men but across a broad range of social categories. What results, then, is an innovative work that will interest sociologists, psychologists, anthropologists, and students of gay culture.

**Raising My Rainbow** Lori Duron, 2013-09-03 Raising My Rainbow is Lori Duron's frank, heartfelt, and brutally funny account of her and her family's adventures of distress and happiness raising a gender-creative son. Whereas her older son, Chase, is a Lego-loving, sports-playing boy's boy, Lori's younger son, C.J., would much rather twirl around in a pink sparkly tutu, with a Disney Princess in each hand while singing Lady Gaga's Paparazzi. C.J. is gender variant or gender nonconforming, whichever you prefer. Whatever the term, Lori has a boy who likes girl stuff—really likes girl stuff. He floats on the gender-variation spectrum from super-macho-masculine on the left all the way to super-girly-feminine on the right. He's not all pink and not all blue. He's a muddled mess or a rainbow creation. Lori and her family choose to see the rainbow. Written in Lori's uniquely witty and warm voice and launched by her incredibly popular blog of the same name, Raising My Rainbow is the unforgettable story of her wonderful family as they navigate the often challenging but never dull privilege of raising a slightly effeminate, possibly gay, totally fabulous son. Now with Extra Libris material, including a reader's guide and bonus content

*The Keillor Reader* Garrison Keillor, 2014-05-01 Stories, essays, poems, and personal reminiscences from the sage of Lake Wobegon When, at thirteen, he caught on as a sportswriter for the Anoka Herald, Garrison Keillor set out to become a professional writer, and so he has done—a storyteller, sometime comedian, essayist, newspaper columnist, screenwriter, poet. Now a single volume brings together the full range of his work: monologues from A Prairie Home Companion, stories from The New Yorker and The Atlantic, excerpts from novels, newspaper columns. With an extensive introduction and headnotes, photographs, and memorabilia, The Keillor Reader also presents pieces never before published, including the essays “Cheerfulness” and “What We Have Learned So Far.” Keillor is the founder and host of A Prairie Home Companion, celebrating its fortieth anniversary in 2014. He is the author of nineteen books of fiction and humor, the editor of the Good Poems collections, and a member of the American Academy of Arts and Letters.

*Secret Kindness Agents* Ferial Pearson, 2014-05-06 Secret Kindness Agents was a featured segment on the Hallmark Channel airing of The Christmas Train in December 2017. Moved by the Sandy Hook Elementary School tragedy, Ferial Pearson wondered if a simple act of kindness could change a life. She thought of the school where she taught and the students she guided every day and wondered, what would happen if we started secretly carrying out small acts of kindness in school? Could a modest act of compassion really change the course of a life? She posed the question to her students. They didn’t have the answers but they were willing to find out. So they became the Secret Kindness Agents. They not only changed the lives of those they met, they changed their own. Their hope, their hearts, and their hunger for happiness will inspire you to change your small corner of the world, in your own way, for the better. Let them show you how they did it, and how you can do the same. This program has been implemented in over 350 schools across the country.

**That Time of Year** Garrison Keillor, 2020-12-01 With the warmth and humor we've come to know, the creator and host of A Prairie Home Companion shares his own remarkable story. In That Time of Year, Garrison Keillor looks back on his life and recounts how a Brethren boy with writerly ambitions grew up in a small town on the Mississippi in the 1950s and, seeing three good friends die young, turned to comedy and radio. Through a series of unreasonable lucky breaks, he founded A Prairie Home Companion and put himself in line for a good life, including mistakes, regrets, and a few medical adventures. PHC lasted forty-two years, 1,557 shows, and enjoyed the freedom to do as it pleased for three or four million listeners every Saturday at 5 p.m. Central. He got to sing with Emmylou Harris and Renée Fleming and once sang two songs to the U.S. Supreme Court. He played a private eye and a cowboy, gave the news from his hometown, Lake Wobegon, and met Somali cabdrivers who’d learned English from listening to the show. He wrote bestselling novels, won a Grammy and a National Humanities Medal, and made a movie with Robert Altman with an alarming amount of improvisation. He says, “I was unemployable and managed to invent work for myself that I loved all my life, and on top of that I married well. That’s the secret, work and love. And I chose the right ancestors, impoverished Scots and Yorkshire farmers, good workers. I’m heading for eighty, and I still get up to write before dawn every day.”

**Split** Mel Bossa, 2018-02-24 Quiet and imaginative, Derek O'Reilly spends a lot of time watching a movie in his head. When she drops Derek's childhood journal on his lap, he's forced to remember the name he's been trying to forget since he was twelve years old. Nicolai Lund. Nick was Derek's neighbor ... and first love. Weeks before Derek's engagement party, a chance meeting with Nick catapults Derek into the past. But Nick isn't that seventeen-year-old rebel anymore. He's a man hardened by invisible scars. A man struggling with grief. As Derek reads through his childhood diary, he realizes what Nick was to him, still is today, and yet might be ... NOTE: This edition has been expanded and substantially edited.

*High Notes* Gay Talese, 2017-01-17 A selection of classic high points in the illustrious career of Gay Talese. “[High Notes] reminds us of the indefatigable reporting skills and inventive use of language that made Talese a paragon of the New Journalism.” —New York Times Book Review Admired by generations of reporters, Gay Talese has for more than six decades enriched American journalism with an unmatched ability to inhabit the worlds of his subjects. From the article that germinated into Thy Neighbor's Wife, to indelible portraits of Frank Sinatra, Tony Bennett, and Lady Gaga, High Notes selects the highlights of Talese’s signature mode, “the art of hanging out.” It’s a bold testament to enduring literary craftsmanship and unparalleled cultural observation from the most important nonfiction writer of his generation (David Halberstam).

*Grow Happy* Jon Lasser, Sage Foster-Lasser, 2020-12-18 Kiko is a gardener. She takes care of her garden with seeds, soil, water, and sunshine. Using positive psychology and choice theory, this book shows children that they have the tools to nurture their own happiness and live resiliently. Includes a “Note to Parents and Caregivers” with information on how our choices and paying attention to our bodies and feelings affects happiness.

**A Very Irregular Head** Rob Chapman, 2010-10-26 “I don't think I'm easy to talk about. I've got a very irregular head. And I'm not anything that you think I am anyway.”—Syd Barrett’s last interview, Rolling Stone, 1971 Roger Keith “Syd” Barrett (1946–2006) was, by all accounts, the very definition of a golden boy. Blessed with good looks and a natural aptitude for painting and music, he was a charismatic, elfin child beloved by all, who fast became a teenage leader in Cambridge, England, where a burgeoning bohemian scene was flourishing in the early 1960s. Along with three friends and collaborators—Roger Waters, Richard Wright, and Nick Mason—he formed what would soon become Pink Floyd, and rock ‘n’ roll was never the same. Starting as a typical British cover band aping approximations of American rhythm ‘n’ blues, they soon pioneered an entirely new sound, and British psychedelic rock was born. With early, trippy, Barrett-penned pop hits such as “Arnold Layne” (about a clothesline-thieving cross-dresser) and “See Emily Play” (written specifically for the epochal “Games For May” concert), Pink Floyd, with Syd Barrett as their main creative visionary, captured the zeitgeist of “Swinging” London in all its Technicolor glory. But there was a dark side to all this new-found freedom. Barrett, like so many around him, began ingesting large quantities of a revolutionary new drug, LSD, and his already-fragile mental state—coupled with a personality inherently unsuited to the life of a pop star—began to unravel. The once bright-eyed lad was quickly replaced, seemingly overnight, by a glowering, sinister, dead-eyed shadow of his former self, given to erratic, highly eccentric, reclusive, and sometimes violent behavior. Inevitably sacked from the band, Barrett retreated from London to his mother’s house in Cambridge, where he would remain until his death, only rarely seen or heard, further fueling the mystery. In the meantime, Pink Floyd emerged from the underground to become one of the biggest international rock bands of all time, releasing multi-platinum albums, many that dealt thematically with the loss of their friend Syd Barrett: The Dark Side of the Moon, Wish You Were Here, and The Wall are all, on many levels, about him. In A Very Irregular Head, journalist Rob Chapman lifts the veil of secrecy that has surrounded the legend of Syd Barrett for nearly four decades, drawing on exclusive access to family, friends, archives, journals, letters, and artwork to create the definitive portrait of a brilliant and tragic artist. Besides capturing all the promise of Barrett’s youthful years, Chapman challenges the oft-held notion that Barrett was a hopelessly lost recluse in his later years, and creates a portrait of a true British eccentric who is rightfully placed within a rich literary lineage that stretches through Kenneth Graham, Hilaire Belloc, Edward Lear, Lewis Carroll, John Lennon, David Bowie, and on up to the pioneers of Britpop. A tragic, affectionate, and compelling portrait of a singular artist, A Very Irregular Head will stand as the authoritative word on this very English genius for years to come.
