Engagingly illustrated by Axel Scheffler, this approachable and timely book helps answer these questions and many more, providing children aged 5-10 and their parents with clear and accessible explanations about the coronavirus and its effects - both from a health perspective and the impact it has on a family's day-to-day life. With input from expert consultant Professor Graham Medley of the London School of Hygiene & Tropical Medicine, as well as advice from teachers and child psychologists, this is a practical and informative resource to help explain the changes we are currently all experiencing. Dragon Rampant Daniel Mersey,2015-12-20 Whether you're a nameless Dark Lord looking to conquer the known world, a Champion of Light holding out against the forces of evil or a Northern barbarian facing claimants to a stolen throne, Dragon Rampant allows you to bring those battles to the tabletop. Developed from the popular Lion Rampant system, Dragon Rampant is a standalone wargame that recreates the great battles of Fantasy fiction. Scenarios, army lists, and full rules for magic and monsters give players the opportunity to command unruly orc warbands, raise armies of the undead, campaign across an antediluvian world as the warchief of a barbarian tribe, or exploit the power of mighty creatures and extraordinary sorcery. An army usually consists of 6-8 units comprised of 6-12 individually based figures. These small units move and fight independently, assuming that they follow your orders rather than just doing their own thing. Command and control is just as important on the battlefield as the power of a troll chieftain or the magic of an archmage.

Original Grin Ron English,2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

Three Shadows Cyril Pedrosa,2008-04-01 Can you ever escape your fate? Three shadows stand outside the house - and Louis and Lise know why the spectral figures are there. The shadows have come for Louis and Lise's son, and nothing anyone can do will stop them. Louis cannot let his son die without trying to prevent it, so the family embarks on a journey to the ends of the earth, fleeing death. Poignant and suspenseful, Three Shadows is a haunting story of love and grief, told in moving text and sweeping black and white artwork by Cyril Pedrosa.

If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.
