At the heart of their quest, something else is waiting: an object from a civilisation whose technology is far more advanced than any Kirk or Tiberius could hope to acquire, placed there for Kirk's eyes only by mysterious aliens who appear to have influenced life within the galaxy over eons of time - a message from the Preservers...

Hardware: The Definitive SF Works of Chris Foss Chris Foss, 2011-09-06 Foss's groundbreaking and distinctive science fiction art revolutionized paperback covers in the 1970s and 80s. Dramatically raising the bar for realism and invention, his trademark battle-weary spacecraft, dramatic alien landscapes and crumbling brutalist architecture irrevocably changed the aesthetic of science fiction art and cinema. Featuring work for books by Isaac Asimov, E. E. 'Doc' Smith, Arthur C. Clarke, A. E. Van Vogt and Philip K. Dick, and film design for Ridley Scott and Stanley Kubrick, this volume brings together many rare and classic images that have never been seen or reprinted before. The first comprehensive retrospective of Chris Foss's SF career. "Chris Foss' name has become pre-eminent among sf artists... He is in love with the monstrous, with angular momentum, with inertia-free projectiles and irresistible objects." – Brian Aldiss "[Foss'] creations are real machines, not just an artist's dreams. They combine the two elements so essential to science fiction: realism and a sense of wonder... A medieval goldsmith of future eons." – Alejandro Jodorowsky

Raise Your Voice Kathy Khang, 2018-07-31 You have a voice. And you have God's permission to use it. In some communities, certain voices are amplified and elevated while others are erased and suppressed. It can be hard to speak up, especially in the ugliness of social media. Power dynamics keep us silent and marginalized, especially when race, ethnicity, and gender are factors. What can we do about it? Activist Kathy Khang roots our voice and identity in the image of God. Because God created us in our ethnicity and gender, our voice is uniquely expressed through the totality of who we are. We are created to speak, and we can both speak up for ourselves and speak out on behalf of others. Khang offers insights from faithful heroes who raised their voices for the sake of God's justice, and she shows how we can do the same today, in person, in social media, in organizations, and in the public square. Be silent no more. If you have wondered when and how to speak, hear God's invitation to you to find and steward your authentic voice, whether in word or deed, to communicate the good news in a messed-up world. As you discern God's voice calling you to speak, you will discover how your voice sounds as you express God's heart to others. And the world will hear you loud and clear.

Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history – but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all – Shirley herself.
