Hindsight Justin Timberlake,2018-11-01 The International Bestseller 'I can't help that my music shows who I am in this moment, what I'm drawn to, what I'm wondering about. I don't want to help it. What you hear in the words, what you feel in those songs - that's what I was feeling when I wrote them. I want you to see me, just like I want to see you.' - Justin Timberlake In his first book, Justin Timberlake creates a characteristically dynamic experience, one that combines intimate reflections and observations on his life and work, with hundreds of candid photographs from his personal archives. He looks back on his childhood and his very early love of music, and reveals the inspiration behind many of his songs and albums. He explores his internal songwriting process, and his collaborations with other artists and directors. He also reflects on who he is, examining what makes him tick, speaking candidly about fatherhood, family, close relationships, struggles, and his search to find an inner calm and strength. This is the Prince of Pop as you've never seen him before.

Manmade Constellations Misha Lazzara,2022-08-09 A modern-day love story that explores childhood trauma, the boundaries between idealism and self-righteousness, and the heartaches we must confront in order to chart our courses forward. Lo Gunderson feels trapped in her small midwestern hometown until she sees an ad for a free car in the local paper. To maintain her staunch anticapitalist values, she refuses to spend money on what she can find for free, so this car is the perfect ticket out of the town. Though it doesn't cost any money, it still comes with a price. Blanche Peterson is dying and asks for a single favor—that Lo track down her estranged son, whom Blanche hasn't seen in over a decade. Before she can decide whether to fulfill Blanche's dying wish, she needs to get the car started. She's helped by John Blank, a Southern auto mechanic who moved up north for a fresh start. Despite vastly different backgrounds, they share an electrifying mutual attraction that threatens to upend Lo's carefully constructed worldview. Meanwhile, Blanche's son, Jason, finds himself adrift after an argument with his girlfriend. Memories of his negligent mother and the death of his father resurface for the first time in years as he travels across the country searching for what comes next. *Manmade Constellations* is a smart, magnetic, and emotional novel dedicated to the American landscape, exploring how taking to the open road teaches lessons that can't be learned at home.

Like many of us trying to feed our families, Siri Daly is a very busy cook. A Field Guide to Awkward Silences Alexandra Petri, 2015-06-02 Washington Post columnist Alexandra Petri turns her satirical eye on her own life in this hilarious new memoir... Most twentysomethings spend a lot of time avoiding awkwardness. Not Alexandra Petri. Afraid of rejection? Alexandra Petri has auditioned for America's Next Top Model. Afraid of looking like an idiot? Alexandra Petri lost Jeopardy! by answering “Who is that dude?” on national TV. Afraid of bad jokes? Alexandra Petri won an international pun championship. Petri has been a debutante, reenacted the Civil War, and fended off suitors at a Star Wars convention while wearing a Jabba the Hutt suit. One time, she let some cult members she met on the street baptize her, just to be polite. She's a connoisseur of the kind of awkwardness that most people spend whole lifetimes trying to avoid. If John Hodgman and Amy Sedaris had a baby...they would never let Petri babysit it. But Petri is here to tell you: Everything you fear is not so bad. Trust her. She's tried it. And in the course of her misadventures, she's learned that there are worse things out there than awkwardness—and that interesting things start to happen when you stop caring what people think.
