If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, If Anything Happens I Love You is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. If Anything Happens I Love You may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Extinct Xiaole Zhan, 2019-05-31 Young NZ Writers' Youth Laureate Award Editor's Choice An absolutely beautiful debut, etched with a compelling narrative and layered with poetic spells. - Emma Shi, award-winning poet and author of *Elsewhere* This was all a long time ago, back when you had just discovered the stupidity of days, and days, and days. There was the brittle-boned home at the very end of the dead-end street, a room of nostrilled violins, and Tasmanian tiger sleeping beneath the tree outside your window. You think you remember an old stone hall, a rib-caged ceiling, and a terror which filled the cold holes of your bones. You can't remember for sure. This was all a very long time ago. Told in a series of moving retellings over time, *The Extinct* examines what it means to remember and what it means to forget in the 'stupidity of days' forever destined to become yesterdays. A tale of magical realism told in stunning free prose. Astounding for its originality and for the young author's clear-eyed maturity.
