Thankful Elaine Vickers,2021-09-07 Stunning, diorama illustrations bring to life this “wonderfully evocative” (BookPage) lullaby of a picture book about celebrating everyday things that make life wonderful. When the first snow falls, a little girl writes down the things she’s thankful for on strips of paper and links them together. As one idea leads to another, her chain grows longer. There’s so much good in her life: a friend, things that are warm, things that are cold, color, things that can be fixed. This beautiful story is a much-needed reminder to observe and honor life’s small joys.

A typical day for Jinx and the Doom looks like this: wake up, eat breakfast, brush teeth—then FIGHT CRIME! These rambunctious kids used to fight each other, until one day they realized that they could use their powers for good instead of evil. So now they protect the planet! Defend the innocent!
