After a wild bet, gourmet grilled-cheese sandwich, and cuddle with a baby goat, Alexis Montgomery has had her world turned upside down. The cause: Daniel Grant, a ridiculously hot carpenter who's ten years younger than her and as casual as they come—the complete opposite of sophisticated city-girl Alexis. And yet their chemistry is undeniable. While her ultra-wealthy parents want her to carry on the family

legacy of world-renowned surgeons, Alexis doesn't need glory or fame. She's fine with being a "mere" ER doctor. And every minute she spends with Daniel and the tight-knit town where he lives, she's discovering just what's really important. Yet letting their relationship become anything more than a short-term fling would mean turning her back on her family and giving up the opportunity to help thousands of people. Bringing Daniel into her world is impossible, and yet she can't just give up the joy she's found with him either. With so many differences between them, how can Alexis possibly choose between her world and his? Abby Jimenez's words are like fairy dust... they sprinkled humor and warmth all over my life. Dear Elio Franco Marabelli, 2021-03-16 The world and creativity of Elio Fiorucci seen from the inside and recounted by those who took part in his fashion adventure. The fashion and stores created by Elio Fiorucci in the late 1960s were a great creative hotbed for the following decades, anticipating many of the trends that emerged later and the ideas of the next generation of designers. Elio Fiorucci's innate curiosity led him to explore the unknown, to broaden his vision towards new currents of freedom of expression, beyond the borders of his country, in search of other energies. This book recalls his new, joyful, mocking, free realm, and the conception of unconventional clothing that upset the rules of the bourgeois, conformist world of the 1960s. It is a choral fresco, told through the letters of those who worked with him, including absolute beginners, professionals who knew him and shared his passions, family, and friends: architects such as Antonio Citterio and Michele De Lucchi, photographers, artists (Andy Warhol and Keith Haring, who decorated the entire Milan store in 1983), singers, and actors who attended his stores and parties. Direct testimonials come from the likes of Biba (Barbara Hulanicki), Oliviero Toscani, Donna Jordan, Terry Jones, Italo Lupi, Alessandro Mendini, Paul Caranicas and Joey Arias. The book also features a preface by Janie and Stephen Schaeffer, the current brand owners.
