Can't Sail In Jail! Greg Gilmartin, 2021-09 Every legend begins with a little lie, but it needs some truth if it's gonna' fly. The chase is on for the American Dream and everyone is looking for a big pay day. Billy and his sailboat race crew are chasing the breeze and a boat load of silver. Their M.F.O. is smuggling home the green grass of Jamaica, and the 'gas and go' Albanians are hoping to fill up on cash. Here comes the D.A., as always, chasing the chasers. What could go wrong? *Can't Sail In Jail!* is a fun romp of misadventures on wisps of wind and weed in a wacky world around Mystic, Connecticut with no room for innocence, where wrong decisions can help you grow up. If you want to. The cast of characters will charm you, offend you, make you laugh and make you cry. Each seeks the Dream, taking different paths to avoid the inevitable nightmare. Remember - It's okay to fail, just stay out of jail! All of Greg Gilmartin's novels are locally based from Coney Island to Block Island with forays to San Francisco and Colombia.

Born to Run Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation . . . a rollicking tale well told' - The Times At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live

quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

Good for Otto David Rabe, 2017-03-16 A psychologist tries to keep the health center he runs in rural Connecticut afloat, battling insurance companies and his own demons, while ministering to the distressed souls who find their way to his door.

Go Like Hell Albert J. Baime, 2009 By the early 1960s, the Ford Motor Company, built to bring automobile transportation to the masses, was falling behind. Young Henry Ford II, who had taken the reins of his grandfather's company with little business experience to speak of, knew he had to do something to shake things up. Baby boomers were taking to the road in droves, looking for speed not safety, style not comfort. Meanwhile, Enzo Ferrari, whose cars epitomized style, lorded it over the European racing scene. He crafted beautiful sports cars, science fiction on wheels, but was also called the Assassin because so many drivers perished while racing them. *Go Like Hell* tells the remarkable story of how Henry Ford II, with the help of a young visionary named Lee Iacocca and a former racing champion turned engineer, Carroll Shelby, concocted a scheme to reinvent the Ford company. They would enter the high-stakes world of European car racing, where an adventurous few

threw safety and sanity to the wind. They would design, build, and race a car that could beat Ferrari at his own game at the most prestigious and brutal race in the world, something no American car had ever done. Go Like Hell transports readers to a risk-filled, glorious time in this brilliant portrait of a rivalry between two industrialists, the cars they built, and the pilots who would drive them to victory, or doom.

A Place Like This Mark King, 2007-10-19 Once you've won a car on a game show, been an actor, owned a phone sex company, been infected with HIV, slept with a movie icon and developed a drug addiction, you've pretty much done the Hollywood thing. In this true, first-person account of the 1980's, Los Angeles transforms an all-American boy from an actor in commercials plugging fast food to a gay phone line worker pushing fast sex. King experiences firsthand nearly every gay social milestone of an astonishing decade—drug use, the phone sex trade, the onset of AIDS, Rock Hudson, assisted suicide, anonymous encounters, the early development of AIDS organizations and activism, Magic Johnson's announcement—and shares his experiences with disarming humor and startling candor. AIDS eventually converts King's plunge into sex and drugs to an increasing awareness of mortality—and a renewed search for meaning.

Barack Obama's America John White, 2018-03-22 White's Barack Obama's America eloquently captures both the important nuances of the current political scene and its long-term consequences. ---Richard Wirthlin, former pollster for Ronald Reagan This delightfully written and accessible book is the best available account of the changes in culture, society, and politics that have given us Barack Obama's America. ---Stan Greenberg, pollster for Bill Clinton and Chairman and CEO of Greenberg Quinlan Rosner Research From one of the nation's foremost experts on how values shape our politics, a clear and compelling account of the dramatic shifts in social attitudes that are transforming American political culture. White's masterful blend of narrative and data illuminates the arc of electoral history from Reagan to Obama, making a powerful case for why we are entering a new progressive political era. ---Matthew R. Kerbel, Professor of Political Science, Villanova University, and author of Netroots John Kenneth White is bold. He asks the big questions . . . Who are we? What do we claim to believe? How do we actually live? What are our politics? John Kenneth White writes compellingly about religion and the role it played in making Barack Obama president. White's keen insight into America's many faiths clarifies why Barack Obama succeeded against all odds. It is a fascinating description of religion and politics in twenty-first-century America---a must-read. ---Kathleen Kennedy Townsend, former Lieutenant Governor of Maryland and author of Failing America's Faithful In Barack Obama's America, John Kenneth White has written the political equivalent of Baedeker or Michelin, the definitive guide to and through the new, uncharted political landscape of our world. White captures and explains what America means---and what it means to be an American---in the twenty-first century. ---Mark Shields, nationally syndicated columnist and political commentator for PBS NewsHour John White has always caught important trends in American politics that others missed. With his shrewd analysis of why Barack Obama won, he's done it again. ---E. J. Dionne, Jr., Senior Fellow, Brookings Institution, and University Professor in the Foundations of Democracy and Culture at Georgetown University The election of Barack Obama to the presidency marks a conclusive end to the Reagan era,

writes John Kenneth White in Barack Obama's America. Reagan symbolized a 1950s and 1960s America, largely white and suburban, with married couples and kids at home, who attended church more often than not. Obama's election marks a new era, the author writes. Whites will be a minority by 2042. Marriage is at an all-time low. Cohabitation has increased from a half-million couples in 1960 to more than 5 million in 2000 to even more this year. Gay marriages and civil unions are redefining what it means to be a family. And organized religions are suffering, even as Americans continue to think of themselves as a religious people. Obama's inauguration was a defining moment in the political destiny of this country, based largely on demographic shifts, as described in Barack Obama's America.
