**Ali Cavanaugh** Ali Cavanaugh,2019 Modern Fresco Paintings is the first collection of Ali Cavanaugh's paintings, and it follows her entire career using watercolor on kaolin clay to create her modern fresco technique and the lovely work that flows from it. Beginning with her hyper-realistic portraits and ending with her latest, more free-flowing pictures, her use of light, color, and the human form captures the essence of her models and their forms and feelings in a particular moment. Cavanaugh's artistic sensibility was developed by two important events in her childhood. Her dependence on the visual world began when she lost much of her hearing through spinal meningitis when she was two, and her creative spirit developed out of her being raised in a rural environment where she had to create her own ways of expressing herself and making her own fun. She developed her stunning modern fresco medium almost by accident as she was learning to apply the outer layer of plaster to her home in Santa Fe, New Mexico. Since that time this volume illustrates her growth as an artist and her mastery of the technique. These are lovely works, painted masterfully. Both long-time followers of Cavanaugh's work---from the earliest Sock Arms paintings to those who found her through more recent work like the Chroma series---and those who are discovering her and her art for the first time, will be delighted by this collection.

**Paint by Sticker Kids: Under the Sea** Workman Publishing,2017-05-16 Paint by Sticker is the most exciting new idea in activity books, both for grown-ups and kids. A compelling activity for crafters and artists, doodlers and colorers of all ages, each Paint by Sticker Kids book includes everything you need to create ten vibrant, full-color "paintings." The original images are rendered in low-poly, a computer graphics style using geometric polygon shapes to create a 3D effect. As in paint-by-number, each template is divided into spaces, each with a number that corresponds to a particular sticker. Find the sticker, peel it, and place it in the right space. Add the next, and the next, and the next—it's an activity that's utterly absorbing, both in the pleasure of peeling and sticking and the growing satisfaction of watching a "painting" come to life, emerging from a flat black-and-white illustration to a dazzling image with color, body, and spirit. Paint by Sticker Kids: Under the Sea is a journey into the world beneath the waves. Kids will create a dolphin, a shark, an octopus, and other denizens of the watery world. The card stock pages are perforated so kids can remove them easily and display, or share, their finished works of art.

**Holman Illustrated Bible Handbook** Holman Reference Staff,2012-10-01 Many who would be willing to search for truth in the Bible are intimidated by its size, the length of time it spans, the different languages and cultures within, or questions about the historical reliability and contemporary relevance of Scripture. The Holman Illustrated Bible Handbook is designed with an awareness of the obstacles people have to understanding the Bible. It begins with an essay on “How to Read and Study the Bible” before proceeding to chapters that provide a thorough overview of each of the Bible’s 66 books, summarizing each one’s content, author, evidences of authenticity, and historical context. In addition to the full-color maps, photographs, reconstructions, and charts that equip readers throughout the volume, a smartphone-accessible QR code is included for each chapter that leads to related online teaching from noted Bible scholar Gene Getz. There’s also an article by Jeremy Howard (general editor of the award-winning HCSB Study Bible) explaining how each book of the Old and New Testaments was accepted into the Bible.

**The Forever Now** Laura J. Hoptman,2014 *Timeless Painting* presents the work of 17 contemporary painters whose works reflect a singular approach that is peculiarly of our time: they are a-temporal, a term coined by William Gibson and Bruce Sterling, the originators of the cyberpunk aesthetic. A-temporality or timelessness manifests itself in painting as an ahistoric free-for-all, where contemporaneity as an indicator of new form is nowhere to be found, and all eras co-exist. Published to accompany an exhibition at The Museum of Modern Art that explores the impact of this cultural condition on contemporary painting, this publication features work by an international roster of artists including Joe Bradley, Kerstin Brätsch, Matt Connors, Nicole Eisenman, Mark Grotjahn, Charline von Heyl, , Julie Mehretu, Oscar Murillo, Laura Owens and Josh Smith, among others. An overview essay by curator Laura Hoptman is divided into thematic chapters that explore topics such as re-animation and reenactment, recontextualization, 'Zombie' painting, and the concomitant 'Frankenstein approach', which describes a process of stitching together pieces of the history of painting to create a work of art that would be dead but for its juxtaposed parts, all working in association with one another to propel the work into life.
