*Sweet Dreams Are Made of This* Dave Stewart, 2016-02-09 A no-holds-barred look into the remarkable life and career of the prolific musician, songwriter, and producer behind Eurythmics and dozens of pop hits. Dave Stewart's life has been a wild ride—one filled with music, constant reinvention, and the never-ending drive to create. Growing up in industrial northern England, he left home for the gritty London streets of the seventies, where he began collaborating and performing with

various musicians, including a young waitress named Annie Lennox. The chemistry between Stewart and Lennox was undeniable, and an intense romance developed. While their passion proved too much offstage, they thrived musically and developed their own sound. They called themselves Eurythmics and launched into global stardom with the massively popular album *Sweet Dreams (Are Made of This)*. For the first time, Stewart shares the incredible, high-octane stories of his life in music—the drug-fueled adventures, the A-list collaborations and relationships, and the creative process that brought us blockbusters from Eurythmics like “Here Comes the Rain Again” and “Would I Lie to You” as well as Tom Petty’s “Don’t Come Around Here No More,” No Doubt’s “Underneath It All,” Golden Globe winner “Old Habits Die Hard” with Mick Jagger, and many more. From great friendships and creative partnerships including the group SuperHeavy along with Jagger, Joss Stone, Damian Marley, and A. R. Rahman, to inspired performances and intimate moments in the studio—Stewart highlights the musicians he admires and calls friends, from Bob Dylan, Stevie Nicks, Elton John, George Harrison, and Ringo Starr to Bono, Bon Jovi, and Katy Perry. With a behind-the-scenes look at Stewart’s innovative endeavors that keep him on the cutting-edge of the music business, *Sweet Dreams Are Made of This* is a one-of-a-kind portrait of the creative heart of one of its most gifted and enterprising contributors. With a Foreword by Mick Jagger!

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**The Two of Us** Sheila Hancock, 2009-08-17 When John Thaw, star of *The Sweeney* and Inspector Morse, died from cancer in 2002, a nation lost one of its finest actors and Sheila Hancock lost a beloved husband. In this unique double biography she chronicles their lives - personal and professional, together and apart. John Thaw was born in Manchester, the son of a lorry driver. When he arrived at RADA on a scholarship he felt an outsider. In fact his timing was perfect: it was the sixties and television was beginning to make its mark. With his roles in *Z-Cars* and *The Sweeney*, fame came quickly. But it was John's role as Morse that made him an icon. In 1974 he married Sheila Hancock, with whom he shared a working-class background and a RADA education. Sheila was already the star of the TV series *The Rag Trade* and went on to become the first woman artistic

director at the RSC. Theirs was a sometimes turbulent, always passionate relationship, and in this remarkable book Sheila describes their love - weathering overwork and the pressures of celebrity, drink and cancer - with honesty and piercing intelligence, and evokes two lives lived to the utmost.

*The Austerity Olympics* Janie Hampton, 2012-01-01 'An enthralling account.' —Independent 'A fascinating book ... researched with an awesome thoroughness.' —Daily Telegraph 'Hampton's excellent book should be compulsory reading for everyone involved in the 2012 London Olympics.' —Daily Mail Critic's Choice The budget for the 2012 Olympic village alone is already a billion pounds short. The likelihood of corporate sponsorship recedes with every day of the credit crunch. How on earth are we going to match the opening and closing ceremonies of Beijing, let alone top them? Fortunately, London has been through just such hard times before in the run-up to an Olympics, and in 1948 it showed just how to run a fantastic Games on a tiny budget – indeed, make them all the better for it. Janie Hampton's book about the last time the Olympics came to London is a tale of female competitors sewing their own kit, teams ferried to the Games on red London buses and billeted in Spartan hostels or even army camps, and the main stadium being hastily cleared of greyhound racing to allow the athletics to take place. The total budget was £760,000, great athletes like Emil Zatopek and Fanny Blankers-Koen thrilled the crowds, and at the end a profit was turned! This is a book that becomes more relevant and ironically entertaining every day nearer to 2012.
