Making a Great Exhibition Doro Globus, 2021-12-21 "It never occurred to me while growing up that art is an industry involving countless jobs, so if this book helps shed light to just one kid that it is a viable career option, then it has done its job, as art is indescribably important!" —Oliver Jeffers, Artist and Illustrator "This book so beautifully explains to kids what goes into making an art exhibition. It's not just about an artist hanging something on a wall for people to see: it's so much more lively, layered, and community-driven. Even I learned a ton about what truly goes into a fantastic art show!" —Joy Cho, Author and Founder of Oh Joy! "I wish I'd had this book when I was a kid! I always wanted my art to be in a big museum one day but, growing up in a small town, that just seemed impossible. Making a Great Exhibition is a beautifully illustrated behind-the-scenes peek at exactly how art makes its way from an artist's mind to the big white walls of a fancy gallery. Turns out, there are a lot of people, with some very cool jobs, who make the magic happen—and any book that shows kids (and parents!) they can grow up to have a career in the arts is okay by me!" —Danielle Krysa, The Jealous Curator An exciting insight into the workings of artists and museums, Making a Great Exhibition is a colorful and playful introduction geared to children ages 3-7 How does an artist make a sculpture or a painting? What tools do they use? What happens to the artwork next? This fun, inside look at the life of an artwork shows the journey of two artists' work from studio to exhibition. Stopping along the way we meet colorful characters—curators, photographers, shippers, museum visitors, and more! Both illustrator and author were raised in the art world, spending their time in studios, doing homework in museum offices, and going to special openings. They have teamed up to share their experiences and love for this often mysterious world to a young audience. London-based illustrator Rose Blake is best known for her work in A History of Pictures

for Children, by David Hockney and Martin Gayford, which has been a worldwide success. Author Doro Globus brings her love for the arts and kids together with this fun journey.

The Art Lesson Tomie dePaola, 2001-12-21 Tommy knows he wants to be an artist when he grows up. He can't wait to get to school and have real art lessons. When Tommy gets to school and finds out that the art lessons are full of rules, he is surprised and dismayed. How the wise art teacher finds a way to give Tommy the freedom to create and stay within the rules makes a wonderfully perceptive picture book about growing up and keeping one's individuality. Tomie dePaola is the author and illustrator of many beloved books for children, including the Caldecott Honor Book *Strega Nona*. Fans of all ages will be pleased to hear that *The Art Lesson* is, in fact, based on the artist's own experiences growing up, and offers a welcome glimpse into his past. This bright picture book is as covered with drawings as the walls of Tommy's parents' and grandparents' houses, and sends an inspirational message to budding artists and individualists. Break out the crayons!

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the

twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Scarecrow's Panic Plot Scott Beatty, 2015 After he falls into Scarecrow's trap, Batman is fitted with a helmet that slowly releases a fear-inducing gas, leaving him terrified of everything around him--even Robin and Nightwing, who are trying to save him.

The Seeds of Love and War William E. Johnson,2019-09-09 The year is 1769 in Boston, as the Sons of Liberty, led by John Hancock and Samuel Adams, press for the departure of the unwanted redcoats from the colony. The Crown catches wind of patriot schemes for insurrection, thanks to the reports from Tory and trollop spies known as the Omega. The patriots find fertile soil to plant the seeds of rebellion among the dirty denizens of the Boston waterfront. Snug Harbor Tavern, a cozy den of ill-reputed located on the harbor near Hancock's Wharf, provides a haven for the patriots.

What happens at the Snug Harbor stays at the Snug Harbor. Tapping historically documented resources, Johnson reconstructs a panoramic chronicle of the events leading up to the Boston Massacre, fleshing out a story teeming with secretive meetings, political intrigue, hidden identities, renegades, and sex scandals. It all begins with the celebrated departure of loyalist Gov. Bernard. Shortly after he flees for the safety of British soil, the conspiracy among the patriots intensifies. Hancock and Adams find themselves immersed in a daring scheme to recruit support for the Sons of Liberty among a scabrous group of commoners who buy their shaggin' for a shillin'. The radical Boston Gazette and the loyalist's Boston Chronicle duel for the allegiance of the people as they publicize the ploys and betrayals of both parties. Disquiet and suspicion pervade the town, and it's only just begun. On a monumental day, March 5, 1770, tension finally snaps. In a brief yet bloody the assault, Crispus Attucks, a runaway slave, ends up a martyr in one of history's most pivotal moments: the Boston Massacre. Sit back in the Snug Harbor Tavern with a mug of rum and savor the sex, scandal, and heroics of our Founding Fathers as they struggle for liberty...theirs and ours.

White Pearl Anchuli Felicia King, 2022-11-08 It's just a fun ad. Now the whole world is going

crazy. In Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons. YouTube views are in the thousands and keep climbing; anger is building on social media; and journalists are starting to cover the story. This is an international PR nightmare; the company cannot be seen to be racist, they've got to get it taken down before America wakes up.
