Santa Clauset Debra C. Hoggan, Santa Claus, 2011-07-01 Elves make toys. They also make mistakes. Santa Claus discovers imperfect toys have been hidden by the elves in a clauset in his toy shop. The Santa Clauset toys feel lonely and forgotten. When Santa discovers them, he explains even Santa Claus is made with flaws, and all toys need a child to love them. These special toys can't wait until Christmas, so Santa calls Polar Bear Post to urgently mail the Santa Clauset toys to unsuspecting children. From funny mistakes elves make, to the shock of a North Pole package on the porch, Santa Clauset is both magical and...REAL. Real children are finding real Santa Clauset toys on their doorsteps delivered by Polar Bear Post. Will Santa choose you?

The Elves at the Top of the World Meg Waters, 1985 The elves at the North Pole work hard to have toys ready for all the children of the world in time for Christmas.

Jolly Old Santa Claus George Hinke, Sparkie, 1996 Santa Claus works with his elves to get the toys ready for Christmas Eve, visits all the boys and girls with his presents for them, and relaxes back at home after his work is done.

Walt Disney's Santa's Toy Shop Walt Disney Productions, 1950 Santa Claus is busy all year round preparing for Christmas.

The Legend of Santa Claus Mary Oliver, 1985 Recounts how a jolly toymaker named Claus is selected by the elves to live with them at the North Pole and deliver presents every Christmas to the children of the world.

Santa's Toy Shop Al Dempster,1981 Santa Claus is busy all year round preparing for Christmas.

Just Be Claus Barbara Joosse,2021 A little boy named Claus worries that he is different from other kids: he likes to wear red all the time and his favorite hangout is the workshop with his grandmother. His grandmother tells him his differences make him special and a Christmas snowstorm helps Claus appreciate his talents--

Letters to Santa Claus The Elves,2015-10-05 A "poignant" collection of real letters sent to Santa Claus—a town in Indiana—from the 1930s to the twenty-first century, from both children and adults (The New York Times). For countless Christmases, children—and sometimes adults—have stuffed their dreams, wishes, and promises into envelopes. Over many decades, millions of these

letters have poured into Santa Claus, Indiana. Arriving from all corners of the globe, the letters ask for toys, family reunions, snow, and help for the needy—sometimes the needy being the writers themselves. They are candid, heartfelt, and often blunt. Many children wonder how Santa gets into their chimneyless homes. One child reminds Santa that she has not hit her brothers over 1,350 times that year, and another respectfully requests two million dollars in “cold cash.” One child hopes to make his life better with a time machine, an adult woman asks for a man, and one miscreant actually threatens Santa’s reindeer! Containing more than 250 actual letters and envelopes from the naughty and nice reaching back to the 1930s, this moving book will touch hearts and bring back memories of a time in our lives when the man with a white beard and a red suit held out the hope that our wishes might come true. “Often very affecting . . . also offers an unusual window into American history.” —Library Journal “The letters . . . are alternately silly and somber, hilarious and heartfelt.” —The Weekly Standard
