If Anything Happens I Love You Will McCormack,Michael Govier,2022-09-27 Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from “above” as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose’s soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Expressive Anatomy for Comics and Narrative: Principles and Practices from the Legendary Cartoonist Will Eisner,2008-08-17 The final volume of Will Eisner’s celebrated instructional trilogy explores the critical principle of body grammar in comics storytelling. Designed and outlined by Will Eisner before his death in 2005, this posthumous masterwork, the third and final book in the Will Eisner Instructional Series, finally reveals the secrets of Eisner’s own techniques and theories of movement, body mechanics, facial expressions, and posture: the key components of graphic storytelling. From his earliest comics, including the celebrated *Spirit*, to his pioneering graphic novels, Eisner understood that the proper use of anatomy is crucial to effective storytelling. His control over the mechanical and intuitive skills necessary for its application set him apart among comics artists, and his principles of body grammar have proven invaluable to legions of students in overcoming what is perhaps the most challenging aspect of creating comics. Buttressed by dozens of illustrations, which display Eisner’s mastery of expression, both subtle and overt, *Expressive Anatomy for Comics and Narrative* will benefit comics fans, students, and teachers and is destined to become the essential primer on the craft.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the

twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

"B" is for Burglar Sue Grafton, 2010-04-01 B is for Burglar, from Sue Grafton's #1 New York Times bestselling Kinsey Millhone Alphabet mystery series Beverly Danziger looked like an expensive, carefully wrapped package from a good but conservative shop. Only her compulsive chatter hinted at the nervousness beneath her cool surface. It was a nervousness out of all proportion to the problem she placed before Kinsey Millhone. There was an absent sister. A will to be settled--a matter of only a few thousand dollars. Mrs. Danziger did not look as if she needed a few thousand dollars. And she didn't seem like someone longing for a family reunion. Still, business was slow, and even a private investigator has bills to pay. Millhone took the job. It looked routine. Elaine Boldt's wrappings were a good deal flashier than her sister's, but they signaled the same thing: The lady had money. A rich widow in her early forties, she owned a condo in Boca Raton and another in Santa Teresa. According to the manager of the California building, she was last seen draped in her \$12,000 lynx coat heading for Boca Raton. According to the manager of the Florida building, she never got there. But someone else had and she was camping out illegally in Mrs. Boldt's apartment. The job was beginning to seem a bit less routine. It turned tricky when Beverly Danziger ordered Millhone to drop the case and it took on an ominous quality when Aubrey Danziger surfaced, making all kinds of wild accusations about his wife. But it only became sinister when Millhone learned that just days before Elaine Boldt went missing, her next-door neighbor and bridge partner had been murdered and the killer was still at large. A house destroyed by arson. A brutally murdered a woman. A missing lynx coat. An apartment burgled of valueless papers, another ransacked in a melée of mindless destruction. And more murder. As Millhone digs deeper into the case, she finds herself in a nightmarish hall of mirrors in which reality is distorted by illusion and nothing--except danger--is quite what it seems. Sanction and Sin Various, 2021-09-14 Great anthology from Warhammer Crime, packed full of exciting and gritty stories from the city of Varangantua. The colossal city of Varangantua sprawls across the surface of Alecto like a dying beast, its innards crawling with some of the most insidious criminals the Imperium has to offer. From vast syndicates to small-time gangs and secretive cults, the city's labyrinthine districts are the perfect breeding ground for all manner of illicit enterprise. The Enforcers of Varangantua are all that stand in the way of total lawlessness, and many of these are as corrupt as the gangers they oppose, knowing no language but violence. The women of this urban warzone experience a daily struggle for survival, but there is always opportunity to be found for those willing to put morality aside... This Warhammer Crime anthology includes nine short

stories featuring the inhabitants of Varangantua - the devout and the devious, the sanctioners and the sinners.

"C" Is for Corpse Sue Grafton, 1986-05-15 You haven't read a thriller until you read #1 New York Times bestselling author Sue Grafton's novels with her unforgettable P.I. Kinsey Millhone... C is for Corpse He was young-maybe twenty or so-and he must once have been a good-looking kid. Kinsey could see that. But now his body was covered in scars, his face half-collapsed. It saddened Kinsey and made her curious. She could see he was in a lot of pain. But for three weeks, as Kinsey'd watched him doggedly working out at the local gym, putting himself through a grueling exercise routine, he never spoke. Then one Monday morning when there was no one else in the gym, Bobby Callahan approached her. His story was hard to credit: a murderous assault by a tailgating car on a lonely rural road, a roadside smash into a canyon 400 feet below, his Porsche a bare ruin, his best friend dead. The doctors had managed to put his body back together again-sort of. His mother's money had seen to that. What they couldn't fix was his mind, couldn't restore the huge chunks of memory wiped out by the crash. Bobby knew someone had tried to kill him, but he didn't know why. He knew he had the key to something that made him dangerous to the killer, but he didn't know what it was. And he sensed that someone was still out there, ready to pounce at the first sign his memory was coming back. He'd been to the cops, but they'd shrugged off his story. His family thought he had a screw loose. But he was scared-scared to death. He wanted to hire Kinsey. His case didn't have a whole lot going for it, but he was hard to resist: young, brave, hurt. She took him on. And three days later, Bobby Callahan was dead. Kinsey Millhone never welshed a deal. She'd been hired to stop a killing. Now she'd find the killer.
