100 Vintage Christmas Card Images C Anders, 2019-12-15 100 vintage Christmas card images from the front of vintage cards. These are not full vintage Christmas cards, just the front images to use in your craft projects. There are 4 images to a page and the backside of each page is blank. Many of the vintage Christmas card fronts can be seen on the front and back cover. Just cut out the images and have great Christmas ephemera for all kinds of crafting needs for your December daily's, junk journals, altered books, travelers notebooks, mixed media layouts or art journals. On these wonderful vintage prints you will find Santa's, poinsettias, silver bells, holly, mistletoe, stars, Christmas trees, sleighs, holiday wreaths and much more.

Paper Christmas Emily Dawe, 2018-07-01 Create a perfect handmade holiday with sixteen papercraft projects: “Of note are the rolled Christmas tree card, the folded book angels, and the advent houses.” —Booklist Craft your own Christmas with the sixteen festive papercraft projects included in this collection, ranging from simple yet effective bunting to intricate snowflake tree decorations, bell jar Christmas trees, and an advent calendar village. Give your holiday season the homemade touch with projects from

wrapping paper to tree decorations, using very few materials and innovative techniques such as printing with shaving foam and creating stunning greeting cards using gold embossing ink. “Considering variations—like luggage and bunting gift tags—as well as alternative uses (e.g., turn a paper feather tag into a garland)...there are far more than sixteen potential projects and outcomes here . . . good, step-by-step color photographs, which are all captioned simply.” —Booklist

Recycling Christmas Cards Anneke Lipsanen, 2014-09-10 If you are a crafter, teacher or parent interested in recycling Christmas cards, then you will love these pretty eco crafts, ideas and special templates to repurpose your used Holiday cards into charming new crafted items. The full color book with instructions and photographs for the 50 projects, plus the template collection with easy craft templates, are all you need to give used greeting cards a second life. The templates are designed and adapted for greeting card sizes and can be used again and again. Don't throw away those beautiful cards after the very short holiday period! Create nifty new items for fabulous scrapbooking, pretty packaging, little personal gifts, fun favors, small tokens of appreciation, creative containers, decor, decorations and ornaments! There are bonus projects, printable pattern paper and a second set of blank craft templates too. Make them for yourself, or to sell at craft markets and fundraising events. And use them for school arts and crafts projects too, as many projects are suitable for children. No fancy coordinated craft shop designs or expensive embellishments are needed. Just use what you have on hand. The happy patchwork medley is exactly what makes the projects in Recycling Christmas Cards so charming. Those lavish graphics on greeting cards were created by professional designers and make fabulous

crafting material for pennies on the dollar - and in sturdy cardstock to boot. They are just waiting for the new life you can give them. Folks love to browse craft fairs and the likes for those inexpensive little something gifts. Many projects are geared towards such little gifts and stocking stuffers. Crafters will love the 45 craft templates in the book, as they have the perfect size for the projects. (Suggestions for recycling Christmas cards are easy to find, but finding templates that are ready to use and scaled to size are not). For convenience the templates are also available as printable downloads. If you have some odd cards left in a box somewhere, you can start your crafting straight away. Then ask friends, family and neighbors for theirs, as you will soon need (and want) a lot of cards. You can even arrange collection boxes at super markets, clubs and such. It is not just about recycling Christmas cards, but about recycling Christmas fun - all year long! So keep every one of your cards and get started for the next Holiday season, because 40 million recycled cards save 13 600 trees! Reuse, remake, repurpose, reduce, recycle and rethink!

Easy-to-Cut Silhouette Designs ,

Paper Made! Kayte Terry,2012-05-09 Announcing the biggest, best, most innovative book ever on paper craft. Even better, this is not about how to use costly, artsy paper, but how to turn stuff around the house—magazines and shopping bags, candy wrappers and paint sample cards, wrapping paper, old maps, and paper towel tubes—into stunning jewelry, gifts, home decor, party favors, and much more. Chances are you've seen the author's cutting-edge work in the windows of Anthropologie, where she is the chain's merchandising manager. An inveterate crafter who creates projects and styles photo shoots for magazines like Parents and Vogue Knitting, Kayte Terry takes the most versatile of materials and the most basic of crafts (remember snipping valentines out of construction paper?), and creates something completely transformative. Turn a sheaf of any white or graph paper into an amazing Scrap Happy Globe Lantern for the dining room. Fashion

colored tissue paper into Songbird Votives, leftover raffle tickets into a Prizewinning Bowl, that out-dated pile of holiday catalogs into a picture frame. There's a necklace made of playing cards, a gum wrapper bracelet, and barrettes made by quilling—a paper technique that goes back to the Renaissance. Every project is photographed in full color, and includes step-by-step illustrations and instructions. Truly a book that shows how to think outside the (cardboard) box.
