Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Seducing Ingrid Bergman Chris Greenhalgh, 2014-03-18 The beautiful Casablanca star, the world's greatest war photographer, and the secret love affair that would change their lives forever . . . in Chris Greenhalgh's *Seducing Ingrid Bergman* June 1945. When Ingrid Bergman walks into the lobby of the Ritz hotel in Paris, war photographer Robert Capa is enchanted. From the moment he slips a mischievous invitation to dinner under her door, the two find themselves helplessly attracted. Played out against the cafés and nightclubs of post-war Paris and the parties and studios of Hollywood, they pursue an intense and increasingly reckless affair. But the light-hearted Capa, who likes nothing more than to spend his mornings reading in the tub and his afternoons at the racetrack, is not all that he seems. And Ingrid offers the promise of salvation to a man haunted by the horrors of war, his father's suicide, and the death of a former lover for which he blames himself. Addicted to risk, Capa must wrestle his devils, including gambling and drink, and resist an impulse to go off and photograph yet another war. Meanwhile, Ingrid, trapped in a passionless marriage and with a seven-year-old daughter to bring up, must court scandal and risk compromising her Hollywood career and saintly reputation if their love is to survive. With their happiness and identities at stake, both Capa and Ingrid are presented

with terrible choices.

They Marched Into Sunlight David Maraniss, 2003-10-14 David Maraniss tells the epic story of Vietnam and the sixties through the events of a few gripping, passionate days of war and peace in October 1967. With meticulous and captivating detail, *They Marched Into Sunlight* brings that catastrophic time back to life while examining questions about the meaning of dissent and the official manipulation of truth—issues that are as relevant today as they were decades ago. In a seamless narrative, Maraniss weaves together the stories of three very different worlds: the death and heroism of soldiers in Vietnam, the anger and anxiety of antiwar students back home, and the confusion and obfuscating behavior of officials in Washington. To understand what happens to the people in these interconnected stories is to understand America's anguish. Based on thousands of primary documents and 180 on-the-record interviews, the book describes the battles that evoked cultural and political conflicts that still reverberate.

Facebook and Philosophy D. E. Wittkower, 2010-09-15 *Facebook and Philosophy* is an entertaining, multi-faceted exploration of what Facebook means for us and for our relationships. With discussions ranging from the nature of friendship and its relationship to friending, to the (debatable) efficacy of online activism, this book is the most extensive and systematic attempt to understand Facebook yet. And with plenty of new perspectives on Twitter and Web 2.0 along the way, this fun, thought-provoking book is a serious and significant contribution for anyone working with social media, whether in academia, journalism, public relations, activism, or business. Exploring far-reaching questions – Can our interactions on Facebook help us care about each other more? Does Facebook signal the death of privacy, or (perhaps worse yet) the death of our desire for privacy? – *Facebook and Philosophy* is vital reading for anyone involved in social networks today.

Overcoming School Refusal Joanne Garfi, 2018-01-31 School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical book. Overcoming School Refusal helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include: • types of school refusers • why children refuse to go to school • symptoms • short term and long term consequences • accurate assessment • treatment options • what parents can do • what schools can do • dealing with anxious high achievers • how to help children on the autism spectrum with school refusal

The Prince of Fenway Park Julianna Baggott, 2009-03-24 It's been eighty-six years since the Red Sox won a World Series. Eighty-six years cursed. Twelve-year-old Oscar Egg believes he is cursed, just like the Red Sox. His real parents didn't want him, and now his adopted mom has dumped him off to live with his strange, sickly dad. But there's something Oscar doesn't know. The Boston Red Sox really are cursed, and not just because they sold Babe Ruth in 1919. Someone deliberately jinxed the team, and the secret to breaking the Curse lies deep below Fenway Park, with Oscar's dad and the Cursed Creatures, a group that has been doomed to live out their miserable lives below Fenway until the Curse is broken. Oscar knows he can be the one to break the Curse, allowing the Red Sox to finally win the World Series and setting the Cursed Creatures free. But some of the creatures are angry. Some don't want the Curse broken. Some want Oscar, and the Red Sox, to fail and remain cursed forever.

England Kate Clanchy, 2018 Oxford Spires Academy is a small comprehensive school with 30 languages – and one special focus: poetry. In the last five years, its students have won every prize going. They have been celebrated in The Guardian ('The Very Quiet Foreign Girls Poetry Group'), and the subject of a Radio 3 documentary. In this unique anthology, their mentor and teacher prize-winning poet Kate Clanchy brings their poems together, and allowing readers to see why their work has caused such a stir. By turns raw and direct, funny and powerful, lyrical and heartbreaking, they document the pain of migration and the exhilaration of building a new land, an England of a thousand voices. This poetry is easy to read and hard to forget, as fresh, bright and present as the young migrants who produced it. [jaquette].
