Chartwell Manor Glenn Head, 2021-05-25 No one asks for the childhood they get, and no child ever deserved to go to Chartwell Manor. For Glenn Head, his two years spent at the now-defunct Mendham, NJ, boarding school – run by a serial sexual and emotional abuser of young boys in the early 1970s – left emotional scars in ways that he continues to process. This graphic memoir – a book almost 50 years in the making – tells the story of that experience, and then delves with even greater detail into the reverberations of that experience in adulthood, including addiction and other self-destructive behavior. Head tells his story with unsparing honesty, depicting himself as a deeply flawed human struggling to make sense of the childhood he was given.

Chicago Glenn Head, 2015-09-19 From Harvey- and Eisner-nominated cartoonist and editor Glenn Head comes Chicago, the hilarious and harrowing tale of a nineteen-year-old virgin who drops out of everything and into the unknown. Abandoning suburbia for art school and then the gritty streets, young Glenn finds himself fending off predators and fighting depression. A visit to Playboy offers entrée into the world of underground comix and R. Crumb, but it's a chance encounter with Muhammad Ali that allows young Glenn to prove his mettle. Like Scorsese circa Mean Streets crossed with revealing autobiography like Jim Carroll's The Basketball Diaries, Chicago is an unforgettable tale of losing one's mind, finding one's identity, and discovering love where it's least expected.

My Omaha Obsession Miss Cassette, 2020-11 My Omaha Obsession takes the reader on an idiosyncratic tour through some of Omaha's neighborhoods, buildings, architecture, and people, celebrating the city's unusual history. Rather than covering the city's best-known sites, Miss Cassette is irresistibly drawn to strange little buildings and glorious large homes that don't exist anymore as well as to stories of Harkert's Holsum Hamburgers and the Twenties Club. Piecing together the records of buildings and homes and everything interesting that came after, Miss Cassette shares her observations of the property and its significance to Omaha. She scrutinizes land deeds, insurance maps, tax records, and old newspaper articles to uncover a property's singular story. Through conversations with fellow detectives and history enthusiasts, she guides readers along her path of hunches, personal interests, mishaps, and more. As a longtime resident of Omaha, Miss Cassette is informed by memories of her youth combined with an enduring curiosity about the city's offbeat relics and remains. Part memoir and part research guide with a healthy dose of colorful wandering, My Omaha Obsession celebrates the historic built environment and searches for the people who shaped early Omaha.

Ulysses James Joyce, 2016-08-30 Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an

ordinary day, 16 June 1904. Ulysses is the Latinised name of Odysseus, the hero of Homer's epic poem *Odyssey*, and the novel establishes a series of parallels between the poem and the novel, with structural correspondences between the characters and experiences of Leopold Bloom and Odysseus, Molly Bloom and Penelope, and Stephen Dedalus and Telemachus, in addition to events and themes of the early twentieth century context of modernism, Dublin, and Ireland's relationship to Britain. The novel imitates registers of centuries of English literature and is highly allusive. Ulysses' stream-of-consciousness technique, careful structuring, and experimental prose – full of puns, parodies, and allusions – as well as its rich characterisation and broad humour, made the book a highly regarded novel in the modernist pantheon. Joyce fans worldwide now celebrate 16 June as Bloomsday.

French Rococo Ébénisterie in the J. Paul Getty Museum Gillian Wilson, Arlen Heginbotham, 2021-03-30 The first comprehensive catalogue of the Getty Museum's significant collection of French Rococo ébénisterie furniture. This catalogue focuses on French ébénisterie furniture in the Rococo style dating from 1735 to 1760. These splendid objects directly reflect the tastes of the Museum's founder, J. Paul Getty, who started collecting in this area in 1938 and continued until his death in 1976. The Museum's collection is particularly rich in examples created by the most talented cabinet masters then active in Paris, including Bernard van Risenburgh II (after 1696-ca. 1766), Jacques Dubois (1694-1763), and Jean-François Oeben (1721-1763). Working for members of the French royal family and aristocracy, these craftsmen excelled at producing veneered and marquetry pieces of furniture (tables, cabinets, and chests of drawers) fashionable for their lavish surfaces, refined gilt-bronze mounts, and elaborate design. These objects were renowned throughout Europe at a time when Paris was considered the capital of good taste. The entry on each work comprises both a curatorial section, with description and commentary, and a conservation report, with construction diagrams. An introduction by Anne-Lise Desmas traces the collection's acquisition history, and two technical essays by Arlen Heginbotham present methodologies and findings on the analysis of gilt-bronze mounts and lacquer. The free online edition of this open-access publication is available at www.getty.edu/publications/rococo/ and includes zoomable,

high-resolution photography. Also available are free PDF, EPUB, and Kindle/MOBI downloads of the book, and JPG downloads of the main catalogue images.

How to Fix a Broken Record Amena Brown,2017-11-07 Allow God to heal the broken record of your soul, so you can step into your calling, speak up for what's right, and dance your own story of God's grace. What does the soundtrack in your head sound like? The hurtful words of others and the failures of your past often determine what record you play the most in your mind. Those painful repetitions often keep us from speaking up, standing up for what's right, being loved, pursuing our dreams, and growing closer to God. Spoken word poet Amena Brown's broken records played messages about how she wasn't worthy to be loved. But after years of playing those destructive rhythms over and over, *How to Fix a Broken Record* chronicles her journey of healing as she's allowed the music of God's love to play on repeat instead. From bad dates to marriage lessons at Waffle House, from learning to love her hair to learning to love an unexpected season of life, from discovering the power of saying no and the freedom to say yes, Amena offers keep-it-real stories your soul can relate to. Along the way, you'll discover how to . . . Recognize the negative messages that play on repeat in your mind Replace them with the truth that you are a beloved child of God And find new joy in the beautiful music of your life.

One of Ours Willa Cather,2022-01-04 Claude Wheeler is a young man who was born after the American frontier has vanished. The son of a successful farmer and an intensely pious mother, Wheeler is guaranteed a comfortable livelihood. Nevertheless, Wheeler views himself as a victim of his father's success and his own inexplicable malaise. Thus, devoid of parental and spousal love, Wheeler finds a new purpose to his life in France, a faraway country that only existed for him in maps before the First World War. Will Wheeler ever succeed in his new goal? The novel is inspired from real-life events and also won the Pulitzer Prize in 1923.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Dubliners James Joyce,2014-05-25T00:00:00Z Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher-then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today Dubliners survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.
