Avatar Tuner Yu Godai, 2017-09-05 In the post-apocalyptic Junkyard, a mysterious religious order known only as the Church watches over the brutal competition between warring tribes as they vie to unify six territories and thereby gain access to Nirvana, the promised land. But the rules of the competition have changed, and the Junkyard has been thrown into chaos after its inhabitants are granted not only demonic transformation powers, but their first taste of human emotion. The Church demands that any tribe seeking entry to paradise must also deliver the strange girl named Sera to them. Serph and the other members of the Embryon struggle to keep Sera safe from enemies on all sides, all while striving to find whatever allies they can in order to beat the Church at their own game. Avatar Tuner, Vol. 2 continues the Quantum Devil Saga, a series inspired by the Shin Megami Tensei video games, which are widely popular in their native Japan and have gained a considerable following in the West. Translated into English for the first time, experience the story of Serph and his tribe as they fight not only to win, but to understand the supernatural forces that govern the Junkyard.

Thomas! (Thomas & Friends) Random House, 2020-07-07 A brand-new train-shaped Thomas board book!

This sturdy train-shaped board book lets train-loving boys and girls ages 0 to 3 learn all about their favorite blue engine, Thomas! In the early 1940s, a loving father crafted a small blue wooden train engine for his son, Christopher. The stories that this father, the Reverend W Awdry, made up to accompany the wonderful toy were first published in 1945 and became the basis for the Railway Series, a collection of books about Thomas the Tank Engine and his friends--and the rest is history. Thomas & Friends(TM) are now a big extended family of engines and others on the Island of Sodor. They appear not only in books but also in television shows and movies, and as a wide variety of beautifully made toys. The adventures of Thomas and his friends, which are always, ultimately, about friendship, have delighted generations of train-loving boys and girls for more than 70 years and will continue to do so for generations to come.
