Aubrey Malphurs, Will Mancini

Steeple #3 John Allison,2019-11-20 A supernatural tale of friendship, the devil, and moral gray areas. Renewable energy, imperiled birds, and a crowd of NIMBYs converge at the heart of this parish's latest crisis as curate Billie and Church of Satan priestess Maggie battle with divine windmills and their own internal dilemmas.

When Church Became Theatre Jeanne Halgren Kilde,2005 In the 1880s, socio-economic and technological changes in the United States contributed to the rejection of Christian architectural traditions and the development of the radically new auditorium church. Jeanne Kilde links this shift in evangelical Protestant architecture to changes in worship style and religious mission.

Family Driven Faith (Paperback Edition with Study Questions) Voddie Baucham Jr.,2011-04-04 More teens are turning away from the faith than ever before: it is estimated that 75 to 88 percent of Christian teens walk away from Christianity by the end of their freshman year of college. Something must be done. Family Driven Faith equips Christian parents with the tools they need to raise children biblically in a post-Christian, anti-family society. Voddie Baucham, who with his wife has overcome a multi-generational legacy of broken and dysfunctional homes, shows that God has not left us alone in raising godly children. In his Word he has given us timeless precepts and principles for multi-generational faithfulness. Baucham's celebrated guide for godly, healthy families is now available in paperback, with study questions added. Parents will find this a critical resource for the spiritual nourishment and protection of the next generation.

How (Not) to Read the Bible Dan Kimball,2020-12-01 Is Reading the Bible the Fastest Way to Lose Your Faith? For centuries, the Bible was called the Good Book, a moral and religious text that guides us into a relationship with God and shows us the right way to live. Today, however, some people argue the Bible is outdated and harmful, with many Christians unaware of some of the odd and disturbing things the Bible says. Whether you are a Christian, a doubter, or someone exploring the Bible for the first time, bestselling author Dan Kimball guides you step-by-step in how to make sense of these difficult and disturbing Bible passages. Filled with stories, visual illustrations, and memes reflecting popular cultural objections, How (Not) to Read the Bible is a lifeline for individuals who are confused or discouraged with questions about the Bible. It also works great as a small-group study or sermon series.

Building a Healthy Multi-Ethnic Church Mark DeYmaz,2020-10-06 Through personal stories, proven experience, and a thorough analysis of the biblical text, Building a Healthy Multi-Ethnic Church illustrates both the biblical mandate for the multi-ethnic church and the seven core commitments required to bring it about. Mark DeYmaz, pastor of one of the most proven multi-ethnic churches in the country, writes from both his experience and his extensive study

of how to plant, grow, and encourage more ethnically diverse churches. He argues that the homogenous unit principle will soon become irrelevant and that the most effective way to spread the gospel in an increasingly diverse world is through strong and vital multi-ethnic churches. Apart from ethnically and economically diverse relationships, we cannot understand others different from ourselves, develop trust for others who are different than us, and/or love others different than ourselves. Apart from understanding, trust, and love, we are less likely to get involved in the plight of others different than ourselves. Without involvement, nothing changes, and the disparaging consequences of systemic racism remain entrenched in our culture. Surely, it breaks the heart of God to see so many churches segregated ethnically or economically from one another, and that little has changed in the many years since it was first observed that eleven o'clock on Sunday morning is the most segregated hour in the land.

The Prodigal Church Jared C. Wilson, 2015-04-16 Pastors want to reach the lost with the good news of Jesus. However, we've too often assumed this requires loud music, flashy lights, and skinny jeans. In this gentle manifesto, Jared Wilson—a pastor who knows what it's like to serve in a large attractional church—challenges pastors to reconsider their priorities when it comes to how they do church and reach people in their communities. Writing with the grace and kindness of a trusted friend, Wilson encourages pastors to reexamine the Bible's teaching, not simply return to a traditional model for tradition's sake. He then sets forth an alternative to both the attractional and the traditional models: an explicitly biblical approach that is gospel focused, grace based, and fruit oriented.

Building Leaders Aubrey Malphurs, Will Mancini, 2004-03-01 Training the next generation of leaders is crucial to spreading the gospel, yet most churches have no formal way of doing this. Why? Tight budgets, small staffs, and a lack of know-how are just a few reasons suggested by church consultants Aubrey Malphurs and William Mancini in this groundbreaking book. Building Leaders provides real-life examples of ways churches can unleash their true ministry potential by training staff members and laypeople to lead. With step-by-step instructions that can be applied to any church or parachurch ministry, Building

Leaders shows readers how to: - empower, not just train, leaders - overcome obstacles to developing leaders - identify emerging leaders - use biblical models for training leaders - form a leadership training program to fit any size or budget Packed with surveys, discussion questions, and a leadership development guide, Building Leaders will encourage leaders to duplicate themselves in order to see their ministry grow. It is a perfect resource for ministry students, church leaders, and pastors.

Houses that Change the World Wolfgang Simson,2001 Millions of Christians around the world are becoming aware of an imminent reformation of global proportions within the church. God is changing this revered institution and is making a new collective awareness of an age-old revelation, a corporate spiritual echo that reflects God's desire for the church. In this book, Simson brings to light what God is saying to Christians everywhere. Researched across the globe, he presents the case for the reformation of the church's existence. In a world where the church is being ignored, it is time to bring the church to the people and not the people to the church. Whether it is what we know as church from the last five years or the last five hundred years, no one has truly been able to break free from the structures of the past. Many may see this book as radical, many may see it as a reforming of old ideals but all who read it will be challenged and their priorities refocused in a life-changing way.
