The Other End of the Leash Patricia McConnell, Ph.D.,2009-02-19 Learn to communicate with your dog—using their language “Good reading for dog lovers and an immensely useful manual for dog owners.”—The Washington Post An Applied Animal Behaviorist and dog trainer with more than twenty years’ experience, Dr. Patricia McConnell reveals a revolutionary new perspective on our relationship with dogs—sharing insights on how “man’s best friend” might interpret our behavior, as well as essential advice on how to interact with our four-legged friends in ways that bring out the best in them. After all, humans and dogs are two entirely different species, each shaped by its individual evolutionary heritage. Quite simply, humans are primates and dogs are canids (as are wolves, coyotes, and foxes). Since we each speak a different native tongue, a lot gets lost in the translation. This marvelous guide demonstrates how even the slightest changes in our voices and in the ways we stand can help dogs understand what we want. Inside you will discover: • How you can get your dog to come when called by acting less like a primate and more like a dog • Why the advice to “get dominance” over your dog can cause problems • Why “rough and tumble primate play” can lead to trouble—and how to play with your dog in ways that are fun and keep him out of mischief • How dogs and humans share personality types—and why most dogs want to live with benevolent leaders rather than “alpha wanna-bes!” Fascinating, insightful, and compelling, *The Other End of the Leash* is a book that strives to help you connect with your dog in a completely new way—so as to enrich that most rewarding of relationships.

The Percy Jackson and the Olympians, Book Three: Titan's Curse Rick Riordan,2007-05 In this third book of the acclaimed series, Percy and his friends are escorting two new half-bloods safely to camp when they are intercepted by a mantichora and learn that the goddess Artemis has been kidnapped.

Albion's Seed David Hackett Fischer,1991-03-14 This fascinating book is the first volume in a projected cultural history of the United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are Albion's Seed, no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward education, government, gender, and violence, on which differences between American regions are greater than between European nations.

Brave New World Aldous Huxley,2011-07-01 This classic novel of a perfectly engineered society is “one of the most prophetic dystopian works of the twentieth century” (The Wall Street Journal). Half a millennium from now, in the World State, the watchword is that every one belongs to every one else. No matter what class of human you are bred to be—from the intellectual Alphas to the Epsilons who provide the manual labor—you are a part of the efficient, well-oiled whole. You are nourished, secure, and blissfully serene thanks to the freely distributed drug called soma. And while sex is strongly encouraged, the old way of procreation is forbidden, eliminating even the pains of childbirth. But when a man and woman journey beyond these confines to where the “savages” reside, and bring back two outsiders, the cracks begin to show. Named as one of the 100 best English-language novels of the twentieth century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. Influenced by the historic events of Huxley’s era yet as relevant today as ever, it is a remarkable depiction of the conflict between progress and the human spirit. “Chilling. . . . That he gave us the dark side of genetic engineering in 1932 is amazing.” —Providence Journal-Bulletin “It is a frightening experience, indeed, to discover how much of his satirical prediction of a distant future became reality in so short a time.” —The New York Times Book Review

Dreamtime , Essays in which happiness becomes a magic carpet, lifting readers above momentary fret and making the ordinary appears wondrous.

This Is Pleasure Mary Gaitskill,2019-11-05 Starting with *Bad Behavior* in the 1980s, Mary Gaitskill has been writing about gender relations with searing, even prophetic honesty. In *This Is Pleasure*, she considers our present moment through the lens of a particular #MeToo incident. The effervescent, well-dressed Quin, a successful book editor and fixture on the New York arts scene, has been accused of repeated unforgivable transgressions toward women in his orbit. But are they unforgivable? And who has the right to forgive him? To Quin’s friend Margot, the wrongdoing is less clear. Alternating Quin’s and Margot’s voices and perspectives, Gaitskill creates a nuanced tragicomedy, one that reveals her characters as whole persons—hurtful and hurting, infuriating and touching, and always deeply recognizable. Gaitskill has said that fiction is the only way that she could approach this subject because it is too emotionally faceted to treat in the more rational essay form. Her compliment to her characters—and to her readers—is that they are unvarnished and real. Her belief in our ability to understand them, even when we don’t always admire them, is a gesture of humanity from one of our greatest contemporary writers.

Forged by Fire Sharon M. Draper,2013-07-23 Teenage Gerald, who has spent years protecting his fragile half-sister from their abusive father, faces the prospect of one final confrontation before the problem can be solved.

The Night of the Gun David Carr,2012-12-11 David Carr was an addict for more than twenty years -- first dope, then coke, then finally crack -- before the prospect of losing his newborn twins made him sober up in a bid to win custody from their crack-dealer mother. Once recovered, he found that his recollection of his 'lost' years differed -- sometimes radically -- from that of his family and friends. The night, for example, his best friend pulled a gun on him. 'No,' said the friend (to David's horror, as a lifelong pacifist), 'It was you that had the gun.' Using all his skills as an investigative reporter, he set out to research his own life, interviewing everyone from his parents and his ex-partners to the policemen who arrested him, the doctors who treated him and the lawyers who fought to prove he was fit to have custody of his kids. Unflinchingly honest and beautifully written, the result is both a shocking account of the depths of addiction and a fascinating examination of how -- and why -- our memories deceive us. As David says, we remember the stories we can live with, not the ones that happened.

Perfect Poison: A Female Serial Killer's Deadly Medicine M. William Phelps,2014-02-25 The true-crime story of a Massachusetts nurse with a dark secret, by the New York Times bestselling author of *The Girl Left Behind*. At the Veterans Affairs Medical Center in Northampton, Massachusetts, Kristen Gilbert was known as a hardworking, dedicated nurse. Yet so many emergencies and sudden deaths occurred under Kristen's watch that others jokingly called her the “Angel of Death.” No one suspected the horrifying truth: that over the course of six months, Gilbert had caused the deaths of as many as forty patients. With new insight into the sociopathic mindset of nurses who kill, and the latest details on Gilbert's ongoing prison sentence, M. William Phelps exposes how one person's good intentions went so chillingly, killingly wrong . . . Praise for *Perfect Poison* “True crime at its best—compelling, gripping, an edge-of-the-seat thriller. Phelps packs wallops of delight with his skillful ability to narrate a suspenseful story.” —Harvey Rachlin, award-winning author of *Song and System* “A compelling account of terror . . . the author dedicates himself to unmasking the psychopath with facts, insight, and the other proven methods of journalistic leg work.” —Lowell Cauffiel, New York Times bestselling author of *House of Secrets* Includes sixteen pages of dramatic photos

New from Here Kelly Yang,2022-03 Knox works to keep his family together as they move from Hong Kong back to northern California during the initial outbreak of the coronavirus.--

Brave Companions David McCullough,2022-09-20 For more than two decades, McCullough has fascinated readers with portraits of exceptional men and women who not only have shaped the course of history but whose stories express much that is timeless about the human condition. From Harriet Beecher Stowe to a young Theodore Roosevelt, the subjects possess a sense of purpose that make for unforgettable reading.

I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases

the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

Red Rising Pierce Brown, 2014-01-28 NEW YORK TIMES BESTSELLER • Pierce Brown's relentlessly entertaining debut channels the excitement of *The Hunger Games* by Suzanne Collins and *Ender's Game* by Orson Scott Card. "Red Rising ascends above a crowded dystopian field."—USA Today ONE OF THE BEST BOOKS OF THE YEAR—Entertainment Weekly, BuzzFeed, Shelf Awareness "I live for the dream that my children will be born free," she says. "That they will be what they like. That they will own the land their father gave them." "I live for you," I say sadly. Eo kisses my cheek. "Then you must live for more." Darrow is a Red, a member of the lowest caste in the color-coded society of the future. Like his fellow Reds, he works all day, believing that he and his people are making the surface of Mars livable for future generations. Yet he toils willingly, trusting that his blood and sweat will one day result in a better world for his children. But Darrow and his kind have been betrayed. Soon he discovers that humanity reached the surface generations ago. Vast cities and lush wilds spread across the planet. Darrow—and Reds like him—are nothing more than slaves to a decadent ruling class. Inspired by a longing for justice, and driven by the memory of lost love, Darrow sacrifices everything to infiltrate the legendary Institute, a proving ground for the dominant Gold caste, where the next generation of humanity's overlords struggle for power. He will be forced to compete for his life and the very future of civilization against the best and most brutal of Society's ruling class. There, he will stop at nothing to bring down his enemies . . . even if it means he has to become one of them to do so. Praise for *Red Rising* "[A] spectacular adventure . . . one heart-pounding ride . . . Pierce Brown's dizzyingly good debut novel evokes *The Hunger Games*, *Lord of the Flies*, and *Ender's Game*. . . . [Red Rising] has everything it needs to become meteoric."—Entertainment Weekly "Ender, Katniss, and now Darrow."—Scott Sigler "Red Rising is a sophisticated vision. . . . Brown will find a devoted audience."—Richmond Times-Dispatch Don't miss any of Pierce Brown's *Red Rising Saga*: RED RISING • GOLDEN SON • MORNING STAR • IRON GOLD • DARK AGE • LIGHT BRINGER

A Map of Days Ransom Riggs, 2019-10-15 The instant bestseller! • New York Times bestseller • USA Today bestseller • Wall Street Journal bestseller "A Map of Days reveals Ransom Riggs at the peak of his powers, leaving loyal fans ravenous for more." —NY Journal of Books Having defeated the monstrous threat that nearly destroyed the peculiar world, Jacob Portman is back where his story began, in Florida. Except now Miss Peregrine, Emma, and their peculiar friends are with him, and doing their best to blend in. But carefree days of beach visits and normalling lessons are soon interrupted by a discovery—a subterranean bunker that belonged to Jacob's grandfather, Abe. Clues to Abe's double-life as a peculiar operative start to emerge, secrets long hidden in plain sight. And Jacob begins to learn about the dangerous legacy he has inherited—truths that were part of him long before he walked into Miss Peregrine's time loop. Now, the stakes are higher than ever as Jacob and his friends are thrust into the untamed landscape of American peculiardom—a world with few ymbrynes, or rules—that none of them understand. New wonders, and dangers, await in this brilliant next chapter for Miss Peregrine's peculiar children. Their story is again illustrated by haunting vintage photographs, now with the striking addition of full-color images interspersed throughout for this all-new, multi-era American adventure.

Toll House Tried and True Recipes Ruth Graves Wakefield, 1977-01-01 For all cooks, this book is a true classic. It contains hundreds of interesting recipes along with hundreds of hints will make anything you prepare a success. The owner of the Toll House Restaurant in Whitman, Massachusetts, Ruth Wakefield offers here the most famous and successful tips and recipes which made her restaurant so renowned. The author begins with the necessary information all good cooks need: helpful hints (dip peeled bananas in lemon juice to prevent discoloration, how to measure solid fat); equivalents and proportions; purchasing guide; timetable for roasting, broiling, boiling, oven steaming; care of your refrigerator and range, how to save fuel; table setting and service; challenging menus; inexpensive everyday meals; success with frozen desserts; and much, much more. There is also a primer for brides, which contains 36 essential dishes for the new homemaker (from making hot or iced coffee to main courses, desserts, even champagne punch!) Then come the mouth-watering recipes: hors d'oeuvres (cheese balls, caviar toast, stuffed mushroom caps, etc.), appetizers (fruit shrub, stuffed cantaloupe, oyster cocktail, etc.), soups, stews, and chowders (clam bisque, baked bean soup, lobster stew, clam chowder, croutons, croustades, etc.), bread (crumb bread, shredded wheat bread, Swedish tea ring, health bread, orange bread, etc.), meats and poultry (pot roast with vegetables, Neapolitan meat loaf, shepherd's pie, crown roast of pork, chicken divan, chicken terrapin, etc.), meat substitutes (goldenrod eggs, foamy omelettes, cheese croquettes, noodle ring, etc.); seafood (baked halibut, salmon and rice delight, Toll House lobster, lobster imperial, etc.), vegetables, salads and dressing, desserts, all kinds of sauces, cakes and cookies, frosting and fillings, pastries and pies, candies, tea time sandwiches, relishes, and oddments. The book concludes with sections on solving kitchen problems, how to cook for a hundred people, and a guide to purchasing, preserving, and canning jellies, jams, fruits, and vegetables.

The Dream Thieves Maggie Stiefvater, 2013-09-05 This is the second book in a brand new series from bestselling author, Maggie Stiefvater. Fans of *SHIVER* (9781407115009), *LINGER* (9781407121086) and *FOREVER* (9781407121116) will love this new quartet!

Ribblestrop Andy Mulligan, 2014-08-19 At an unconventional English boarding school where the school motto is Life is dangerous, students discover something sinister when they stumble into subterranean tunnels left over from World War II.

Breaking Vegan Jordan Younger, 2015-11-01 Finding balance in life is a goal many of us strive to achieve. Whether it's through a healthy diet, exercise regimen, state of mind, relationship, or other activity (or all of the above), we spend our days trying to be, and become, our best selves. But what happens when all that focus starts to dominate our lives? When our desire for perfect health trumps everything else, perhaps without us even realizing it? What happens when our solution starts becoming the problem? These are questions that author and popular blogger Jordan Younger faced when she decided that her extreme, plant-based lifestyle just wasn't working in favor of her health anymore--and questions that you may be facing too. In *Breaking Vegan*, Jordan reveals how obsessive healthy dieting eventually led her to a diagnosis of orthorexia, or a focus on healthy food that involves other emotional factors and ultimately becomes dysfunctional, even dangerous. In candid detail, Jordan shares what it was like to leave veganism, the downfall of her desire to achieve nutritional perfection, and how she ultimately found her way to recovery. In addition to this, Jordan outlines an anti-diet, whole-foods-based eating plan featuring more than 25 recipes to help inspire others to find similar balance in their own lives. *Breaking Vegan* is about tolerance and forgiveness. And ultimately, forging one's own path toward happiness.

Ernestine's Milky Way Kerry Madden-Lunsford, 2019-03-05 An empowering picture book set in the 1940s about a determined five-year-old girl who embarks on a journey to deliver milk to her neighbors in the holler. Every morning, Ernestine shouts out her window to the Great Smoky Mountains, I'm five years old and a big girl! When Mama asks Ernestine--who helps with chores around the farm while Papa is away at war--to carry two mason jars filled with milk to their neighbor, Ernestine isn't sure she can do it. After all, she'd need to walk through thickets of crabapple and blackberry by the creek, not to mention past vines of climbing bittersweet. But Ernestine is five years old and a big girl, so off she sets. Along the way, one mason jar slips from her arms and rolls down the mountainside into the river, and Ernestine is sure it's lost forever . . . until her neighbor's son shows up with a muddy jar--and there's a surprise inside! With tons of flavor and a can-do spirit, here is a celebration of American history and a plucky girl who knows that helping a family in need is worth the trouble.

Roadside Picnic Arkady Strugatsky, Boris Strugatsky, Olena Bormashenko, 2012-05-01 Red Schuhart is a stalker, one of those young rebels who are compelled, in spite of extreme danger, to venture illegally into the Zone to collect the mysterious artifacts that the alien visitors left scattered around. His life is dominated by the place and the thriving black market in the alien products. But when he and his friend Kirill go into the Zone

together to pick up a &“full empty,&” something goes wrong. And the news he gets from his girlfriend upon his return makes it inevitable that he'll keep going back to the Zone, again and again, until he finds the answer to all his problems. First published in 1972, Roadside Picnic is still widely regarded as one of the greatest science fiction novels, despite the fact that it has been out of print in the United States for almost thirty years. This authoritative new translation corrects many errors and omissions and has been supplemented with a foreword by Ursula K. Le Guin and a new afterword by Boris Strugatsky explaining the strange history of the novel's publication in Russia.
